Notice of Lodging of Consent Decree Under the Comprehensive Environmental Response, Compensation, and Liability Act

Under 42 U.S.C. 9622(d)(2) and 28 CFR 50.7, notice is hereby given that on January 31, 2005, a proposed Consent Decree ("Consent Decree") in the consolidated matters *United States v. International Paper Co.*, et al. Civil Action No. 01-C-0693-C, and *International Paper Co. v. City of Tomah, WI*, et al., Civil Action No. 00-C-539-C, was lodged with the United States District Court for the Western District of Wisconsin.

The Consent Decree settles an action brought by the United States under section 107 of the Comprehensive Environmental Response, Compensation, and Liability Act ("CERCLA"), 42 U.S.C. 9601 *et seq.*, for reimbursement from International Paper and the City of Tomah, Wisconsin of response costs incurred and to be incurred for response actions taken at or in connection with the release or threatened release of hazardous substances at the Tomah Municipal Sanitary Landfill site in Monroe County, Wisconsin ("the Site"). The Consent Decree also settles a lawsuit brought by International Paper Company ("International Paper") under CERCLA section 113(f), 42 U.S.C. 9613(f), against

The Consent Decree also requires International Paper to pay the United States' direct and indirect costs associated with OU2 from May 19, 2003, onward. Under the Consent Decree, the United States will make a \$350,000 payment to International Paper to resolve International Paper's OU2 contribution claims against the United States.

The Consent Decree may be examined at the Office of the United States Attorney, Suite 303, City Station, 660 West Washington Avenue, Madison, Wisconsin 53703, and at U.S. EPA Region 5, 77 West Jackson Boulevard, Chicago, Illinois 60604-3590. BILLING CODE 4410-15-M

DEPARTMENT OF JUSTICE

Notice of Lodging of Consent Decree Under the Comprehensive Environmental Response, Compensation, and Liability Act

In accordance with 28 U.S.C. 50.7, notice is hereby given that on January 31, 2005, a proposed consent Decree in *United States v. Thomasville Furniture Industries, Inc. et al.*, Civ. No. 6:05CV00001, was lodged with the United States District Court for the Western District of Virginia.

The proposed consent decree would resolve the United States' claims, on behalf of the Environmental Protection Agency ("EPA"), under Section 107(a) of the Comprehensive Environmental Response, Compensation, and Liability Act ("CERCLA"), 42 U.S.C. 9607(a), against Thomasville Furniture Industries, Inc., ("Thomasville"), Univar U.S.A., Inc. ("Univar"), and Buckingham County, a political subdivision of the Commonwealth of Virginia, to recover costs incurred by the United States in performing response actions at the Buckingham County Landfill Superfund Site ("Site") in Dillwyn, Virginia as set forth in the terms of the decree.

Both Thomasville and Univar are liable for the United States' response costs under Section 107(a)(3) of CERCLA, 42 U.S.C. 9607(a)(3), because they, or their predecessors, arranged for disposal of CERCLA listed hazardous materials at the Site which led to a release of hazardous substances causing EPA to incur response costs. Buckingham County is liable for the United States' response costs under Section 107(a)(1) of CERCLA, 42 U.S.C. 9607(a)(1), as the current owner and operator of the Site.

Under the terms of the Consent Decree, Thomasville, Univar, and Buckingham County have agreed to pay \$1,976,000 of EPA's unreimbursed response costs of \$2,052,458.26 at the Site. The United States has reserved its right to pursue an additional \$171,688, incurred to implement a discrete drum removal action at the Site in 1999, from Buckingham County in a separate action. The proposed settlement addresses past costs only, and thus the Consent Decree reserves all parties' rights with regard to future costs, except for the Defendants' statute of limitations defenses.

The Department of Justice will receive for a period of thirty (30) days from the date of this publication comments relating to the Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611, and should refer to *United States v. Thomasville Furniture Industries, Inc. et al.*, Civ. No. 6:05CV00001, D.J. Ref. 90-11-2-07971.

The Consent Decree may be examined at the Office of the United States Attorney for the Western District of Virginia, 105 Franklin Road, SW., Suite 1, Roanoke, VA 24011. During the public comment period, the Consent Decree may also be examined on the following Department of Justice Web site, <http://www.usdoj.gov/enrd/open.html>. A copy of the Consent Decree may also be obtained by mail from the Consent Decree Library, P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611 or by faxing or e-mailing a request to Tonia Fleetwood (tonia.fleetwood@usdoj.gov), fax no. (202) 514-0097, phone confirmation number (202) 514-1547. In requesting a copy of the Consent Decree from the Consent Decree Library, please enclose a check in the amount of \$22.50 (90 pages at 25 cents per page reproduction cost) payable to the U.S. Treasury.
