

of four forms; the information is then entered into an electronic database, maintained and utilized by the Office of Foreign Missions to administer the benefit. Electronic versions of DS-100 and DS-101 (DS-100E and DS-101E) were introduced in May 2005 to a few foreign missions to test and develop an electronic submission option. Electronic versions of the DS-102 and DS-104 (DS-102E and DS-104E) have been developed and will be implemented in early 2006. To facilitate the collection of information in a more systematic and efficient manner, the Office of Foreign Missions will continue to develop the database to support an end-to-end electronic submission process, bearing in mind as well that utilization of electronic submissions by individual missions is dependent on the status of their own systems.

Federal Railroad Administration

[Docket Number FRA-2003-15432]

BNSF Railway Company; Notice of Extension of Comment Period

The BNSF Railway Company has petitioned the Federal Railroad Administration (FRA) seeking approval to expand the existing waiver, granted on June 23, 2004, from Fort Worth, Texas, milepost 346.67, to Arkansas City, Kansas, milepost 264.11, on the Fort Worth and Red Rock Subdivisions, a distance of approximately 329 miles. This expansion request is identified as Docket No. FRA-2003-15432.

The FRA has issued a public notice seeking comments of interested parties. After examining the railroad's proposal and the comments, FRA determined that a public hearing was necessary before a final decision was made on this proposal. A public hearing was conducted in this matter on February 23, 2006. At the hearing, FRA announced that it would extend the comment period in this proceeding until 10 business days after the transcript of the public hearing is made available on the Department of Transportation's (DOT's) Docket Management System found at <http://dms.dot.gov> in order to permit interested parties to review the transcript prior to submitting comments.

Accordingly, FRA is extending the comment period in this proceeding until 10 business days after the transcript of the public hearing is posted on DOT's Document Management System. All communications concerning these proceedings should identify the appropriate docket number (e.g., Waiver Petition Docket Number FRA-2003-15432) and must be submitted to the Docket Clerk, DOT Docket Management Facility, Room PL-401 (Plaza Level), 400 7th Street, SW., Washington, DC

DEPARTMENT OF TRANSPORTATION

Federal Railroad Administration

Petition for Waiver of Compliance

In accordance with part 211 of Title 49 Code of Federal Regulations (CFR), notice is hereby given that the Federal Railroad Administration (FRA) has received a request for a waiver of compliance with certain requirements of its safety standards. The individual petition is described below, including the party seeking relief, the regulatory provisions involved, the nature of the relief being requested, and the petitioner's arguments in favor of relief.

Fayette Central Railroad

[Docket Number FRA-2006-23836]

The Fayette Central Railroad (FCRV) seeks a permanent waiver of compliance from *Control of Alcohol and Drug Use*, 49 CFR 219.601, which requires a railroad to submit for FRA approval, a random alcohol and drug testing program. FCRV has less than 16 hours of service employees, but operates on the tracks of the Southwest Pennsylvania Railroad Company (SWP). FCRV states that four of its hours of service employees are subject to random testing at their other places of employment. FCRV also says that it normally operates trains on weekends while the SWP normally operates on weekdays, and that track warrants and/

or permission is required on all SWP tracks and only one train can operate at one time within specified limits.

Interested parties are invited to participate in these proceedings by submitting written views, data, or comments. FRA does not anticipate scheduling a public hearing in connection with these proceedings since the facts do not appear to warrant a hearing. If any interested party desires an opportunity for oral comment, they should notify FRA, in writing, before the end of the comment period and specify the basis for their request.

All communications concerning these proceedings should identify the appropriate docket number (e.g., Waiver Petition Docket Number FRA-2006-23836) and must be submitted to the Docket Clerk, DOT Central Docket Management Facility, Room PL-401, Washington, DC 20590-0001. Communications received within 45 days of the date of this notice will be considered by FRA before final action is taken. Comments received after that date will be considered as far as practicable. All written communications concerning these proceedings are available for examination during regular business hours (9 a.m.-5 p.m.) at the above facility. All documents in the public docket are also available for inspection and copying on the Internet at the docket facility's Web site at <http://dms.dot.gov>.

FRA wishes to inform all potential commenters that anyone is able to search the electronic form of all comments received into any of our dockets by the name of the individual submitting the comment (or signing the comment, if submitted on behalf of an association, business, labor union, etc.).
