

The specific authority to bring a disciplinary action under NYSE Rule 476(a)(6) should improve the efficacy of the arbitration process by facilitating the Exchange's ability to ensure more fully and forcefully the cooperation of a responsible party who is a party to an arbitration proceeding.

## 2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the requirements of Section 6(b)(5) of the Act,<sup>6</sup> which requires, among other things, that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade and, in general, to protect investors and the public interest. NYSE believes that the proposed amendments to Rule 619 are consistent with Section 6(b)(5) in that they should help to ensure that the public has a fair and expeditious forum for the resolution of disputes. The NYSE believes that a further statutory basis for this proposed rule change is also found in Section 6(b)(6) of the Act,<sup>7</sup> which requires that the rules of an exchange provide that members and persons associated with its members shall be appropriately disciplined for violation of the provisions of the Act, the rules or regulations thereunder, or the rules of the exchange, by expulsion, suspension, limitation of activities, functions, and operations, fine, censure, being suspended or barred from being associated with a member, or any other fitting sanction. The Exchange believes that the proposed amendments to Rule 619 are consistent with Section 6(b)(6) in that they would facilitate appropriate disciplinary action for violation of a rule of the Exchange.

### *B. Self-Regulatory Organization's Statement on Burden on Competition*

The Exchange does not believe that the proposed rule change, as amended will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

### *C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others*

Written comments were neither solicited nor received.

## III. Date of Effectiveness of the Proposed Rule Change and Timing of Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the Exchange consents, the Commission will:

- (A) By order approve such proposed rule change, or
- (B) institute proceedings to determine whether the proposed rule change should be disapproved.
