AGENCY: Defense Acquisition Regulations System, Department of Defense (DoD).

ACTION: Proposed rule with request for comments.

SUPPLEMENTARY INFORMATION:

A. Background

Section 535 of Division F of the Consolidated Appropriations Act, 2004 (Pub. L. 108-199); Section 517 of Division H of the Consolidated Appropriations Act, 2005 (Pub. L. 108-447); and Section 717 of the Consolidated Appropriations Act, 2006 (Pub. L. 109-115) provide an exemption from the Buy American Act for the acquisition of information technology that is a commercial item. This proposed rule amends the acquisition procedures in DFARS part 225 to reflect the exemption. The proposed rule applies the same exemption to the Balance of Payments Program policy in DFARS subpart 225.75, since the Balance of Payments Program is an extension of the Buy American Act restrictions to acquisitions of supplies for overseas use. The proposed rule will eliminate the need for issuance of annual deviations to address the exemption.

This rule was not subject to Office of Management and Budget review under Executive Order 12866, dated September 30, 1993.

B. Regulatory Flexibility Act

DoD has prepared an initial regulatory flexibility analysis consistent with 5 U.S.C. 603. The analysis is summarized as follows:

The objective of the proposed rule is to promote Government access to commercial information technology, by eliminating the application of domestic source requirements to the acquisition of such information technology. The proposed rule will apply to entities interested in providing commercial information technology products to

DoD. Such entities will no longer need to track the origin of components to determine if an information technology product complies with Buy American Act requirements. As a result, manufacturers of domestic components of information technology products may face increased competition from manufacturers of foreign components. There are no significant alternatives to the proposed rule that would accomplish the objectives of the applicable statutes.

A copy of the analysis may be obtained from the point of contact specified herein. DoD invites comments from small businesses and other interested parties. DoD also will consider comments from small entities concerning the affected DFARS subparts in accordance with 5 U.S.C. 610. Such comments should be submitted separately and should cite DFARS Case 2005–D011.

C. Paperwork Reduction Act

The proposed rule will reduce the information collection requirements that have been approved by the Office of Management and Budget, under Clearance Number 0704–0229, for use through May 31, 2007. Under this clearance, 36,175 annual burden hours have been approved for the provision at DFARS 252.225–7000, Buy American Act–Balance of Payments Program Certificate; and 1,000 annual burden hours have been approved for the provision at DFARS 252.225–7035, Buy American Act–Free Trade Agreements–Balance of Payments Program Certificate. DoD estimates that the proposed rule will result in a 5 percent reduction in the burden hours for the provision at DFARS 252.225–7000 (1,800 hours) and a 50 percent reduction in the burden hours for the provision at DFARS 252.225–7035 (500 hours).
