Technical Amendments To Reflect BIF and SAIF Merger

AGENCY: Office of Thrift Supervision, Treasury.

ACTION: Final rule.

SUMMARY: The Office of Thrift Supervision (OTS) is amending its

regulations to incorporate numerous technical and conforming amendments necessary to reflect the recent merger of the Bank Insurance Fund (BIF) and the Savings Association Insurance Fund (SAIF).

DATES: *Effective Date:* April 18, 2006.

FOR FURTHER INFORMATION CONTACT:

Sandra E. Evans, Legal Information Assistant (Regulations), (202) 906-6076; or Richard Bennett, Counsel, (202) 906-7409, Regulations and Legislation Division, Chief Counsel's Office, Office of Thrift Supervision, 1700 G Street, NW., Washington, DC 20552.

SUPPLEMENTARY INFORMATION: OTS is amending its regulations to incorporate numerous technical and conforming amendments necessary to reflect the recent merger of the Bank Insurance Fund (BIF) and the Savings Association Insurance Fund (SAIF). The Deposit Insurance Reform Act of 2005, which was enacted as part of the Deficit Reduction Act of 2005, Public Law 109-171, brought about this merger, creating one Deposit Insurance Fund (DIF). The President signed that act into law on February 8, 2006.

The Act provides that the merger would take effect no later than July 1, 2006. The Federal Deposit Insurance Corporation made the merger effective March 31, 2006.

Accordingly, OTS is making technical and conforming amendments to its regulations. These include deleting references to SAIF and BIF, substituting references to DIF where applicable, and other related changes to simplify definitions and provisions consistent with the Deposit Insurance Reform Act of 2005.

Administrative Procedure Act; Riegle Community Development and Regulatory Improvement Act of 1994

OTS finds that there is good cause to dispense with prior notice and comment on this final rule and with the 30-day delay of effective date mandated by the Administrative Procedure Act. 5 U.S.C. 553. OTS believes that these procedures are unnecessary and contrary to public interest because the rule merely makes technical and conforming amendments to existing provisions necessitated by the merger of BIF and SAIF under the Deposit Insurance Reform Act of 2005. That merger took effect March 31, 2006.

Section 302 of the Riegle Community Development and Regulatory Improvement Act of 1994 provides that regulations that impose additional reporting, disclosure, or other new requirements may not take effect before the first day of the quarter following publication. Public Law 103-325, 12

U.S.C. 4802. This section does not apply because this final rule imposes no additional requirements and makes only technical and conforming changes to existing regulations.

Regulatory Flexibility Act

Pursuant to section 605(b) of the Regulatory Flexibility Act, Public Law 96-354, 5 U.S.C. 601, the OTS Director certifies that this regulation will not have a significant economic impact on a substantial number of small entities.

Executive Order 12866

OTS has determined that this rule is not a "significant regulatory action" for purposes of Executive Order 12866.

Unfunded Mandates Reform Act of 1995

OTS has determined that the requirements of this final rule will not result in expenditures by State, local, and tribal governments, or by the private sector, of \$100 million or more in any one year. Accordingly, a budgetary impact statement is not required under section 202 of the Unfunded Mandates Reform Act of 1995.

SMALL BUSINESS ADMINISTRATION**13 CFR Part 121**

RIN 3245–AE92

Small Business Size Standards; Correction

AGENCY: U.S. Small Business Administration.

ACTION: Correcting amendment.

SUMMARY: This document contains a correction to the final regulations which were published in the **Federal Register** of Friday, May 21, 2004 (69 FR 29192). The regulations amended several definitions and made procedural and technical amendments to cover several of the U.S. Small Business Administration's (SBA's or Agency's) programs.

DATES: Effective April 18, 2006.

FOR FURTHER INFORMATION CONTACT: Gary Jackson, Assistant Administrator, Office of Size Standards, (202) 205–6618, or sizestandards@sba.gov.

SUPPLEMENTARY INFORMATION:**Background**

On May 21, 2004 the SBA published a final rule amending its size regulations (69 FR 29192). These regulations are used to determine eligibility for all SBA and Federal programs that require an entity to be a small business concern. Section 121.404 was amended to

address the treatment of the acquisition of a small business concern by another concern during contract performance. Specifically, the final regulation states that the new entity must submit a written self-certification that it is small to the procuring agency so that the agency can count the award, options or orders issued pursuant to the contract towards its small business goals. In the preamble to the final rule, however, the SBA explained that the

amended regulations now state that the new entity must submit a written self-certification that it is small to the procuring agency so that the agency can count the award options, or orders issued pursuant to that contract, towards its small business goals.

69 FR 29192, 29198 (May 21, 2004). According to the preamble, it is clear that the self-certifications for novations and change-of-name agreements affected the subsequent options and orders, but not the original contract award or any option or order executed before the novation or change-of-name agreement.

Need for Correction

The final regulatory text, however, contained an error that has caused some confusion. The SBA misplaced a comma in the final rule, which has caused many readers to interpret section 121.404 to require concerns to submit a self-certification as a small business at the time of a novation or change-of-name so that the procuring agency can count the original contract award towards its small business goals. This interpretation is incorrect, however, as the procuring agency was already given credit towards its small business goals for the original contract award. Section 121.404 is only meant to address whether the procuring agency can count any future award options or orders issued pursuant to the contract toward the agency's small business goals, if there has been a novation or change-of-name during contract performance. Therefore, the removal of the comma after the word award will eliminate any doubt as to the SBA's intent regarding this provision.
