

Basin Water Storage Feasibility Study and associated Environmental Impact Statement that will address options for supplying additional water storage for the Yakima River Basin. Currently, site-specific recreation-related information is unavailable for the primary reservoirs and rivers. In order to accurately assess the current recreation and recreation-related economic environment within the Yakima River Basin, additional information must be collected from the recreationists who visit the reservoirs and rivers within the basin. Further, the

survey information will allow Reclamation to adequately assess the recreation impacts that different options may have on the environment and the local economy.

**Description of Respondents:** Yakima River Basin reservoir and river recreationists come from the cities of Yakima and Ellensburg, Washington, as well as the smaller communities within the basin. A large number of visitors also come from western Washington, in particular the Puget Sound communities of Seattle and Tacoma. A smaller

portion of recreationists within the basin are out-of-state visitors.

**Frequency:** This is a one-time voluntary survey.

**Estimated Completion Time:** An average of 20 minutes per respondent.

**Estimated Total Annual Responses:** 3,216.

**Number of Responses per Respondent:** 1.0.

**Estimated Total Annual Burden Hours:** 1,072.

**Estimate of Burden for Each Form:**

Form No.	Burden estimate per form (in minutes)	Number of respondents	Annual burden on respondents (in hours)
(Rivers) .....	20	1,340	447
(Reservoirs) .....	20	1,876	625

Our practice is to make comments, including names and home addresses of respondents, available for public review. Individual respondents may request that we withhold their home address from public disclosure, which we will honor to the extent allowable by law. There also may be circumstances in which we would withhold a respondent's identity from public disclosure, as allowable by law. If you wish us to withhold your name and/or address, you must state this prominently at the beginning of your comment. We will make all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, available for public disclosure in their entirety.

On December 5, 2005, the Commission determined that responses to its notice of institution of the subject five-year reviews were such that full reviews pursuant to section 751(c)(5) of the Act should proceed (70 FR 73452, December 12, 2005). A record of the Commissioners' votes, the Commission's statement on adequacy, and any individual Commissioner's statements are available from the Office of the Secretary and at the Commission's Web site.

*Participation in the reviews and public service list.* Persons, including industrial users of the subject merchandise and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in these reviews as parties must file an entry of appearance with the Secretary to the Commission, as provided in section 201.11 of the Commission's rules, by 45 days after publication of this notice. A party that filed a notice of appearance following publication of the Commission's notice of institution of the reviews need not file an additional notice of appearance. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the reviews.

*Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and BPI service list.* Pursuant to section 207.7(a) of the Commission's rules, the Secretary will make BPI gathered in these reviews available to authorized applicants under the APO issued in the reviews, provided that the application is made by 45 days after publication of this notice. Authorized applicants must represent interested parties, as defined

by 19 U.S.C. 1677(9), who are parties to the reviews. A party granted access to BPI following publication of the Commission's notice of institution of the reviews need not reapply for such access. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

*Staff report.* The prehearing staff report in the reviews will be placed in the nonpublic record on May 25, 2006, and a public version will be issued thereafter, pursuant to section 207.64 of the Commission's rules.

Requests to appear at the hearing should be filed in writing with the Secretary to the Commission on or before June 12, 2006. A nonparty who has testimony that may aid the Commission's deliberations may request permission to present a short statement at the hearing. All parties and nonparties desiring to appear at the hearing and make oral presentations should attend a prehearing conference to be held at 9:30 a.m. on June 14, 2006, at the U.S. International Trade Commission Building.
