Tres Palacios Gas Storage LLC; Notice of Application

March 8, 2007.

Take notice that on February 23, 2007, Tres Palacios Gas Storage LLC (Tres Palacios), 61 Wilton Road, Westport, CT 06880, filed in the above dockets, an application pursuant to section 7 of the Natural Gas Act (NGA) for (1) A certificate of public convenience and necessity to construct, own, operate and maintain a high-deliverability salt cavern gas storage facility in Matagorda County, Texas, that will accommodate the injection, storage and subsequent withdrawal of natural gas for redelivery in interstate commerce; (2) a blanket certificate pursuant to Subpart G of 18 CFR Part 284 to provide open-access firm and interruptible natural gas storage services on behalf of others in interstate commerce; (3) a blanket certificate pursuant to Subpart F of 18 CFR Part 157 to construct, acquire, operate, rearrange and abandon certain facilities following construction of the proposed project; (4) authorization to provide the proposed storage services at market-based rates; and (5) approval of a *pro forma* FERC Gas Tariff, under which Tres Palacios will provide open access natural gas storage services in interstate commerce. This filing is available for review at the Commission in the Public Reference Room or may be viewed on the web at <http://www.ferc.gov> using the "eLibrary" link. Enter the docket number excluding the last three digits in the docket number field to access the document. For assistance, call (866) 208-3676 or TTY, (202) 502-8659.

Any questions concerning this application may be directed to James F. Bowe, Jr., Dewey Ballantine LLP, 975 F Street, NW., Washington, DC 20004-1405, 202-862-1000 (phone)/202-862-1093 (fax), jbowe@deweyballantine.com.

There are two ways to become involved in the Commission's review of this project. First, any person wishing to obtain legal status by becoming a party to the proceedings for this project should, before the comment date of this notice, file with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, a motion to intervene in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the NGA (18 CFR 157.10). A person obtaining party status will be placed on the service list maintained by the Secretary of the Commission and will receive copies of all documents filed by the applicant and by all other parties. A party must submit 14 copies of filings made with the Commission and must mail a copy to the applicant and to every other party in the proceeding. Only parties to the proceeding can ask for court review of Commission orders in the proceeding.

However, a person does not have to intervene in order to have comments considered. The second way to participate is by filing with the Secretary of the Commission, as soon as possible, an original and two copies of comments in support of or in opposition to this project. The Commission will consider these comments in determining the appropriate action to be taken, but the filing of a comment alone will not serve to make the filer a party to the proceeding. The Commission's rules require that persons filing comments in opposition to the project provide copies of their protests only to the party or parties directly involved in the protest.

Comments, protests and interventions may be filed electronically via the Internet in lieu of paper. See, 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web site under the "e-Filing" link.

Pursuant to Section 157.9 of the Commission's rules, 18 CFR 157.9, within 90 days of this Notice the Commission staff will either: Complete its environmental assessment (EA) and place it into the Commission's public record (eLibrary) for this proceeding; or issue a Notice of Schedule for Environmental Review. If a Notice of Schedule for Environmental Review is issued, it will indicate, among other milestones, the anticipated date for the Commission staff's issuance of the final environmental impact statement (FEIS) or EA for this proposal. The filing of the EA in the Commission's public record for this proceeding or the issuance of a Notice of Schedule for Environmental Review will serve to notify federal and

state agencies of the timing for the completion of all necessary reviews, and the subsequent need to complete all federal authorizations within 90 days of the date of issuance of the Commission staff's FEIS or EA.

[Docket No. AD07-3-006]

Review of Cost Submittals by Other Federal Agencies for Administering Part I of the Federal Power Act; Notice of Technical Conference

March 8, 2007.

In its Order On Rehearing Consolidating Administrative Annual Charges Bill Appeals And Modifying Annual Charges Billing Procedures (109 FERC ¶ 61,040), the Commission set forth an annual deadline for Other Federal Agencies (OFAs) to submit their costs related to Administering Part I of the Federal Power Act. The Commission required the OFAs to submit their costs by December 31st of each fiscal year using the OFA Cost Submission Form. The order also announced that a technical conference would be held for the purpose of reviewing the submitted cost forms and detailed supporting documentation.

At the request of several agencies, the Commission extended the December 31, 2006, deadline to allow agencies to improve their costs submissions. With all cost reports received, the Commission now proceeds with the review process.

The Commission will hold a technical conference for reviewing the submitted OFA costs. The purpose of the conference will be for OFAs and licensees to discuss costs reported in the forms and any other supporting documentation or analyses.

The Conference will be held on March 29, 2007, in Conference Room 3M-2A/B at the Commission's headquarters at 888 First Street, NE., Washington, DC. The conference will begin at 2 p.m. (EST).

The technical conference will also be transcribed. Those interested in obtaining a copy of the transcript immediately for a fee should contact the Ace-Federal Reporters, Inc., at 202-347-3700, or 1-800-336-6646.
