**SUPPLEMENTARY INFORMATION:**

**Programs Affected**

The Rural Rental Housing program is listed in the Catalog of Federal Domestic Assistance under Number 10.415, Rural Rental Housing Loans. Rental Assistance is listed in the Catalog under Number 10.427, Rural Rental Assistance Payments.

**Discussion of Notice**

**I. Authority and Distribution Methodology**

**A. Authority**

Section 515 of the Housing Act of 1949 (42 U.S.C. 1485) provides RHS with the authority to make loans to any individual, corporation, association, trust, Indian tribe, public or private nonprofit organization, consumer cooperative, or partnership to provide rental or cooperative housing and related facilities in rural areas for very-low, low, or moderate income persons or families, including elderly persons

and persons with disabilities. Rental assistance (RA) is a tenant subsidy for very-low and low-income families residing in rural rental housing facilities with RHS financing and, when available, may be requested with applications for such facilities.

**B. Distribution Methodology**

The total amount available for Fiscal Year (FY) 2007 for section 515 is \$99,000,000, of which \$25,740,000 is available for new construction as follows:

- Non-Restricted—\$8,234,537
- Set-aside for nonprofits—\$8,910,000
- Set-aside for Underserved Counties and Colonias—\$4,950,000
- Earmark for EZ, EC, and REAP Zones—\$2,655,463
- Designated Reserve for States with Rental Assistance Programs—\$990,000

**C. Section 515 New Construction Funds**

For FY 2007, the Administrator has determined that it would not be practical to allocate funds to States because of funding limitations; therefore, section 515 new construction funds will be distributed to States based on a National competition, as follows:

1. States will accept, review, score, and rank requests in accordance with 7 CFR 3560.56. The scoring factors are:
  - (a) The presence and extent of leveraged assistance for the units that will serve RHS income-eligible tenants at basic rents, comparable to those if RHS provided full financing, computed as a percentage of the RHS total development cost (TDC). Loan proposals that include secondary funds from other sources that have been requested but have not yet been committed will be processed as follows: The proposal will be scored based on the requested funds, provided (1) the applicant includes evidence of a filed application for the funds; and (2) the funding date of the requested funds will permit processing of the loan request in the current funding cycle, or, if the applicant does not receive the requested funds, will permit processing of the next highest ranked proposal in the current year. Points will be awarded in accordance with the following table. Percentages will be rounded to the next higher whole number. (0 to 20 points)

Percentage of leveraging	Points
75 or more .....	20
70-74 .....	19
65-69 .....	18
60-64 .....	17
55-59 .....	16
50-54 .....	15
45-49 .....	14

Percentage of leveraging	Points
40-44 .....	13
35-39 .....	12
30-34 .....	11
25-29 .....	10
20-24 .....	9
15-19 .....	8
10-14 .....	7
5-9 .....	6
0-4 .....	0

(b) The units to be developed are in a colonia, tribal land, EZ, EC, or Rural Economic Area Partnership (REAP) community, or in a place identified in the State Consolidated Plan or State Needs Assessment as a high need community for multifamily housing. (20 points)

(c) Pursuant to 7 CFR 3560.56 (c)(1)(iii), in states where RHS has an on-going formal working relationship, agreement, or Memorandum of Understanding (MOU) with the State to provide State resources (State funds, State RA, HOME funds, Community Development Block Grant (CDBG) funds, or Low-Income Housing Tax Credits (LIHTC)) for RHS proposals; or where the State provides preference or points to RHS proposals in awarding such State resources, 20 points will be provided to loan requests that include such State resources in an amount equal to at least 5 percent of the TDC. Native American Housing and Self Determination Act (NAHASDA) funds may be considered a State Resource if the Tribal Plan for NAHASDA funds contains provisions for partnering with RHS for multi-family housing. (National Office initiative)

(d) The loan request includes donated land meeting the provisions of 7 CFR 3560.56(c)(1)(iv). (5 points)

(e) In an effort to implement USDA's nationwide initiative to promote renewable energy and energy conservation, Rural Development has adopted incentives for energy generation and energy conservation. Participation in these nationwide initiatives is voluntary, but is strongly encouraged.

**Energy Generation.** Applicants will be awarded points if the proposal includes the installation of energy generation systems to be funded by a third party. The proposal must include an overview of the energy generation system being proposed. Evidence that an energy generation system has been funded by a third party and that it has a quantifiable positive impact on energy consumption will be required. (5 points)

**Energy Conservation.** Applicants will be awarded points to construct (or substantially rehabilitate) housing that earns the ENERGY STAR label for new

residential construction. Units earning the ENERGY STAR label must be independently verified to meet guidelines by energy efficiency as set by the U.S. Environmental Protection Agency. All procedures used in verifying a unit for the ENERGY STAR label must comply with National Home Energy Ratings System (HERS) guidelines. ENERGY STAR guidelines for residential construction apply to homes that are three stories or less and single or low-rise multi-family residential buildings.

The Applicant will include in the summary an explanation of how they plan to incorporate ENERGY STAR. Construction plans pertaining to energy efficiency must be developed with, reviewed, and accepted by a HERS certified rater, the contractor, and the owner. Progress inspections must be made at appropriate times by a HERS certified rater to ensure that the housing is being constructed or rehabilitated according to ENERGY STAR specifications. In order to receive final payment, applicants will be required to submit the appropriate rating reports from the HERS rater to Rural Development as evidence that the housing has been constructed to meet the standards of ENERGY STAR. In the event that housing does not meet ENERGY STAR guidelines for new residential construction, the Agency shall, at its discretion, deduct 5 points from future funding proposals. For further information about ENERGY STAR, see <http://www.energystar.gov> or call the following toll-free numbers: (888) 782-7939 or (888) 588-9920 (TTY). (5 points)

2. The National Office will rank all requests nationwide and distribute funds to States in rank order, within funding limits. If insufficient funds remain for the next ranked proposal, the Agency will select the next ranked proposal that falls within the remaining levels. Point score ties will be handled in accordance with 7 CFR 3560.56(c)(2).

#### **D. Applications That Do Not Require New Construction RA**

In the event new construction RA is available for FY 2007, it will be available in limited amounts. Therefore, the Agency is inviting applications to develop units in markets that do not require RA. The market study for proposals must clearly demonstrate a need and demand for the units by prospective tenants at income levels that can support the proposed rents without tenant subsidies. The proposed units must offer amenities that are typical for the market area at rents that

are comparable to conventional rents in the market for similar units.

#### **E. Set-Asides**

Loan requests will be accepted for the following set-asides:

1. Nonprofit set-aside. An amount of \$8,910,000 has been set aside for nonprofit applicants. All loan proposals must be in designated places in accordance with 7 CFR 3560.57. A State or jurisdiction may receive one proposal from this set-aside, which cannot exceed \$1 million. A State could get additional funds from this set-aside if any funds remain after funding one proposal from each participating State. If there are insufficient funds to fund one loan request from each participating State, selection will be made by point score. If there are any funds remaining, they will be handled in accordance with 42 U.S.C. 1485(w)(3). Funds from this set-aside will be available only to nonprofit entities, which may include a partnership that has as its general partner a nonprofit entity or the nonprofit entity's for-profit subsidiary which will be receiving low-income housing tax credits authorized under section 42 of the Internal Revenue Code of 1986. To be eligible for this set-aside, the nonprofit entity must be an organization that:

(a) Will own an interest in the project to be financed and will materially participate in the development and the operations of the project;

(b) Is a private organization that has nonprofit, tax exempt status under section 501(c)(3) or section 501(c)(4) of the Internal Revenue Code of 1986;

(c) Has among its purposes the planning, development, or management of low-income housing or community development projects; and

(d) Is not affiliated with or controlled by a for-profit organization.

2. Underserved counties and colonias set-aside. An amount of \$4,950,000 has been set aside for loan requests to develop units in the 100 most needy underserved counties or colonias as defined in section 509(f) of the Housing Act of 1949.

3. EZ, EC, and REAP Earmark. An amount of \$2,655,463 has been set aside to develop units in an EZ, EC, or REAP zone. Loan requests that are eligible for this set-aside are also eligible for regular Section 515 funds. If requests for this set-aside exceed available funds, selection will be made in accordance with 7 CFR 3560.56(c).

#### **II. Funding Limits**

A. Individual loan requests may not exceed \$1 million. This applies to regular section 515 funds and set-aside

funds. The Administrator may make an exception to this limit in cases where a State's average total development costs exceed the National average by 50 percent or more.

B. No State may receive more than 20% of the total available for new construction, including set-aside funds.

### III. Rental Assistance (RA)

In addition to the State Matching RA program as described in Section VI. E. of this Notice and subject to its availability, new construction RA will be held in the National Office for use with section 515 Rural Rental Housing loans. Because the amount of RA available for new construction is minimal, RA will be granted to projects which best meet the scoring and ranking criteria at 7 CFR 3560.56(c). Unused RA may be allocated from within the State jurisdiction to approved new construction projects. New construction RA may not be used in conjunction with a transfer or subsequent loan for repairs or rehabilitation, preservation purposes or for inventory property sales.

### IV. Application Process

All applications for section 515 new construction funds must be filed with the appropriate Rural Development State Office and must meet the requirements of 7 CFR 3560.56, as well as comply with the provisions of Section V. of this notice. Incomplete applications will not be reviewed and will be returned to the applicant. No application will be accepted after 5 p.m., local time, on the application deadline previously mentioned unless that date and time is extended by a Notice published in the **Federal Register**.
