Granular Polytetrafluoroethylene Resin from Italy; Notice of Extension of Time Limit for Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: May 1, 2007.

FOR FURTHER INFORMATION CONTACT:

Salim Bhabhrawala at (202) 482-1784, AD/CVD Operations, Office 1, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

On September 29, 2006, the Department of Commerce (the Department) published a notice of initiation of administrative review of the antidumping duty order on granular polytetrafluoroethylene resin from Italy. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 71 FR 57465 (September 29, 2006). The period of review is August 1, 2005, through July 31, 2006, and the preliminary results are currently due no later than May 3, 2007. The review covers one producer/exporter of the subject merchandise.

Extension of Time Limit for Preliminary Results

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), the Department shall make a preliminary determination in an administrative review of an antidumping order within 245 days after the last day of the anniversary month of

the date of publication of the order. The Act further provides, however, that the Department may extend the 245-day period to 365 days if it determines it is not practicable to complete the review within the foregoing time period. We determine that it is not practicable to complete this administrative review within the time limits mandated by section 751(a)(3)(A) of the Act because this review involves a number of complicated issues (e.g., the calculation of general and administrative expenses and U.S. warehousing), which must be addressed prior to the issuance of the preliminary results. The Department requires additional time to analyze the respondent's questionnaire response and issue any necessary supplemental questionnaires.

Accordingly, the Department is extending, by 71 days, the time limit for completion of the preliminary results of this administrative review until no later than July 13, 2007. We intend to issue the final results no later than 120 days after the publication of the preliminary results notice.

This extension is in accordance with section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2).

Dated: April 24, 2007.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

COMMODITY FUTURES TRADING COMMISSION**Privacy Act of 1974: System of Records**

AGENCY: Commodity Futures Trading Commission.

ACTION: Notice of new system of records.

SUMMARY: This notice adds a new system of records to the Commission's systems of records under the Privacy Act of 1974, Public Law 93-579, 5 U.S.C. 552a. The visitor information system contains information provided by visitors to the agency. The visitor provides identification, in the form of a driver's license, passport, or Federal/Military ID. The company affiliation of the visitor will also be requested. This information is scanned and linked to the name and office phone number of the CFTC employee sponsoring the visit, along with information on the location of the visit, time of entry, purpose of the visit, and the number of the badge issued to the visitor. The purpose of the information collection is to enhance the security of CFTC employees and property by verifying the identity of visitors, and to track the location of the visitor so that, in the event of an emergency, the agency can account for all the people in its space. Records in the visitor system will be retained for three months and then purged.

DATES: Comments on the establishment of the new system of records must be received no later than May 31, 2007. The new system of records will be effective June 11, 2007 unless the Commission receives comments which would result in a contrary determination.
