

is not conditioned on M's payment of support or meeting of any other obligation, and the agreement otherwise conforms to the substance of Form 8332. For 2009, only L may claim Child as a qualifying child because in 2008 L revokes the release of the claim in accordance with paragraph (d)(3) of this section, and the revocation takes effect in 2009, the taxable year that begins in the first calendar year after L provides written notice of the revocation to M.

Example 6. The facts are the same as *Example 5*, except that the agreement expressly states that L agrees not to claim Child as a dependent only if M is current in the payment of support for Child at the end of the calendar year. The separation agreement does not qualify as a written declaration under paragraph (d)(1) of this section because L's agreement not to claim Child as a dependent is conditioned on M's payment of support. Therefore, M may not claim Child as a qualifying child in 2007 or 2009.

Example 7. (i) N and P are the divorced parents of Child. Child resides with N for ten months and with P for two months in each year 2007 through 2009. In 2007, N provides a written statement to P that provides that N will not claim Child as a dependent but does not specify a year or years. P attaches the statement to P's returns for 2007 through 2009.

(ii) Because the written statement provided by N does not specify the year or years for which P may claim Child as a qualifying child, under paragraph (d)(1) of this section, the written statement is not a written declaration that conforms to the substance of Form 8332. Therefore, P may not claim Child as a qualifying child in 2007 through 2009.

Example 8. (i) R and S are the divorced parents of Child. Child resides solely with R. The divorce decree requires S to pay child support to R and requires R to execute a Form 8332 to release the right to claim Child as a qualifying child to S. R fails to sign a Form 8332 for 2007, and S attaches an unsigned Form 8332 to S's return for 2007.

(ii) Child is the qualifying child of R for 2007. The order in the divorce decree requiring R to execute a Form 8332 is ineffective to allocate the right to claim Child as a qualifying child to S. Furthermore, under paragraph (d)(1) of this section, the unsigned Form 8332 does not conform to the substance of Form 8332. Therefore, S may not claim Child as a qualifying child in 2007.

(iii) If, however, R executes a Form 8332 for 2007 and S attaches the Form 8332 to S's return, then S may claim Child as a qualifying child for 2007 under paragraph (d)(1) of this section.

(g) *Effective date.* This section applies to taxable years beginning after the date these regulations are published as final regulations in the **Federal Register**.

Kevin M. Brown,

Deputy Commissioner for Services and Enforcement.

BILLING CODE 4830-01-P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[CGD09-07-014]

RIN 1625-AA00

Safety Zone; Baileys Harbor Fireworks, Baileys Harbor, WI

AGENCY: Coast Guard, DHS.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Coast Guard proposes to establish a temporary safety zone on Baileys Harbor. This zone is intended to restrict vessels from a portion of Baileys Harbor during the Baileys Harbor July 5, 2007 fireworks display. This temporary safety zone is necessary to protect spectators and vessels from the hazards associated with fireworks displays.

DATES: Comments and related material must reach the Coast Guard on or before May 17, 2007.

ADDRESSES: You may mail comments and related material to Commander, Coast Guard Sector Lake Michigan (spw), 2420 South Lincoln Memorial Drive, Milwaukee, WI 53207. The Sector Lake Michigan Prevention Department maintains the public docket for this rulemaking. Comments and material received from the public, as well as documents indicated in this preamble as being available in the docket, will become part of this docket and will be available for inspection or copying at the Sector Lake Michigan Prevention Department between 8 a.m. and 3 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT:

CWO Brad Hinken, Prevention Department, Coast Guard Sector Lake Michigan, Milwaukee, WI at (414) 747-7154.

SUPPLEMENTARY INFORMATION:

Request for Comments

We encourage you to participate in this rulemaking by submitting comments and related material. If you do so, please include your name and address, identify the docket number for this rulemaking [CGD09-07-014], indicate the specific section of this document to which each comment applies, and give the reason for each comment. Please submit all comments and related material in an unbound format, no larger than 8½ by 11 inches, suitable for copying. If you would like to know they reached us, please enclose a stamped, self-addressed postcard or envelope. We will consider all comments and material received during

the comment period. We may change this proposed rule in view of them.

Public Meeting

We do not now plan to hold a public meeting. But you may submit a request for a meeting by writing to the Sector Lake Michigan Prevention Department at the address under **ADDRESSES** explaining why one would be beneficial. If we determine that one would aid this rulemaking, we will hold one at a time and place announced by a later notice in the **Federal Register**.

Background and Purpose

This temporary safety zone is necessary to ensure the safety of vessels and spectators from hazards associated with a fireworks display. Based on accidents that have occurred in other Captain of the Port zones, and the explosive hazards of fireworks, the Captain of the Port Lake Michigan has determined fireworks launches in close proximity to watercraft pose significant risk to public safety and property. The likely combination of large numbers of recreation vessels, congested waterways, darkness punctuated by bright flashes of light, alcohol use, and debris falling into the water could easily result in serious injuries or fatalities. Establishing a safety zone to control vessel movement around the location of the launch platform will help ensure the safety of persons and property at these events and help minimize the associated risks.

The comment period for this rule has been abbreviated to 15 days in order to provide a full 30 day notice period after publication before the rule becomes effective.

Discussion of Proposed Rule

A temporary safety zone is necessary to ensure the safety of spectators and vessels during the setup, loading and launching of a fireworks display in conjunction with the Baileys Harbor fireworks display. The fireworks display will occur between 9 p.m. (local) and 11 p.m. (local) on July 5, 2007.

The safety zone for the fireworks will encompass all waters of Lake Michigan, Baileys Harbor, within the arc of a circle with a 600-foot radius from the fireworks launch site located in position 45[deg]04'03" N, 087[deg]06'08" W (NAD 83).

All persons and vessels shall comply with the instructions of the Coast Guard Captain of the Port or the designated on-scene representative. Entry into, transiting, or anchoring within the safety zone is prohibited unless authorized by the Captain of the Port Lake Michigan or his designated on-scene representative. The Captain of the

Port or his designated on-scene representative may be contacted via VHF Channel 16.

Regulatory Evaluation

This proposed rule is not a “significant regulatory action” under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order.

We expect the economic impact of this proposed rule to be so minimal that a full Regulatory Evaluation is unnecessary.

The Coast Guard will only use this safety zone for two hours on the date specified. This safety zone has been designed to allow vessels to transit unrestricted to portions of the harbor not affected by the zone. The Coast Guard expects insignificant adverse impact to mariners from the activation of this zone.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601–612), we have considered whether this proposed rule would have a significant economic impact on a substantial number of small entities. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this proposed rule would not have a significant economic impact on a substantial number of small entities.

This proposed rule would affect the following entities, some of which may be small entities: the owners and operators of vessels intending to transit or anchor in a portion of Baileys Harbor on Lake Michigan off Baileys Harbor, WI, between 9 p.m. (local) and 11 p.m. (local) on July 5, 2007. The safety zone would not have a significant economic impact on a substantial number of small entities for the following reasons. This rule would be in effect for only 2 hours. Vessel traffic can safely pass around the safety zone.

If you think that your business, organization, or governmental jurisdiction qualifies as a small entity and that this rule would have a significant economic impact on it, please submit a comment (see **ADDRESSES**) explaining why you think it qualifies and how and to what degree this rule would economically affect it.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Public Law 104–121), we want to assist small entities in understanding this proposed rule so that they can better evaluate its effects on them and participate in the rulemaking. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact CWO Brad Hinken, Prevention Department, Coast Guard Sector Lake Michigan, Milwaukee, WI at (414) 747–7154. The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

Collection of Information

This proposed rule would call for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial direct cost of compliance on them. We have analyzed this proposed rule under that Order and have determined that it does not have implications for federalism.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 or more in any one year. Though this proposed rule would not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

Taking of Private Property

This proposed rule would not effect the taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This proposed rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation,

eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this proposed rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and would not create an environmental risk to health or risk to safety that might disproportionately affect children.

Indian Tribal Governments

This proposed rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it would not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

Energy Effects

We have analyzed this proposed rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a “significant energy action” under that order because it is not a “significant regulatory action” under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. The Administrator of the Office of Information and Regulatory Affairs has not designated it as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Technical Standards

The National Technology Transfer and Advancement Act (NTTAA) (15 U.S.C. 272 note) directs agencies to use voluntary consensus standards in their regulatory activities unless the agency provides Congress, through the Office of Management and Budget, with an explanation of why using these standards would be inconsistent with applicable law or otherwise impractical. Voluntary consensus standards are technical standards (e.g., specifications of materials, performance, design, or operation; test methods; sampling procedures; and related management systems practices) that are developed or adopted by voluntary consensus standards bodies.

This proposed rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

Environment

We have analyzed this proposed rule under Commandant Instruction M16475.ID and Department of Homeland Security Management Directive 5100.1, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA)(42 U.S.C. 4321–4370f), and have made a preliminary determination that there are no factors in this case that would limit the use of a categorical exclusion under section 2.B.2 of the Instruction. Therefore, we believe that this rule should be categorically excluded, under figure 2–1, paragraph (34)(g) of the Instruction, from further environmental documentation. This proposed rule establishes a regulated navigation area and as such is covered by this paragraph.

A preliminary “Environmental Analysis Check List” and “Categorical Exclusion Determination” are available in the docket where indicated under **ADDRESSES**. Comments on this section will be considered before we make the final decision on whether this rule should be categorically excluded from further environmental review.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and record keeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard proposes to amend 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

1. The authority citation for Part 165 continues to read as follows:

Authority: 33 U.S.C. 1226, 1231; 46 U.S.C. Chapter 701; 50 U.S.C. 191, 195; 33 CFR 1.05–1(g), 6.04–1, 6.04–6, and 160.5; Pub. L. 107–295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1.

2. Add § 165.T09–014 to read as follows:

§ 165.T09–014 Safety zone; Baileys Harbor Fireworks, Baileys Harbor, WI.

(a) *Location.* The following area is a temporary safety zone: all waters of Lake Michigan, Baileys Harbor, within the arc of a circle with a 600-foot radius from the fireworks launch site located in position 45[deg]04'03" N, 087[deg]06'08" W (NAD 83).

(b) *Effective period.* This regulation is effective from 9 p.m. to 11 p.m. on July 5, 2007.

(c) *Regulations.* (1) In accordance with the general regulations in section 165.23 of this part, entry into, transiting, or anchoring within this safety zone is prohibited unless authorized by the

Captain of the Port Lake Michigan, or his designated on-scene representative.

(2) This safety zone is closed to all vessel traffic, except as may be permitted by the Captain of the Port Lake Michigan or his designated on-scene representative.

(3) The “on-scene representative” of the Captain of the Port is any Coast Guard commissioned, warrant or petty officer who has been designated by the Captain of the Port to act on his behalf. The on-scene representative of the Captain of the Port will be aboard either a Coast Guard or Coast Guard Auxiliary vessel. The Captain of the Port or his designated on-scene representative may be contacted via VHF Channel 16.

(4) Vessel operators desiring to enter or operate within the safety zone shall contact the Captain of the Port Lake Michigan or his on-scene representative to obtain permission to do so. Vessel operators given permission to enter or operate in the safety zone must comply with all directions given to them by the Captain of the Port Lake Michigan or his on-scene representative.

Dated: April 17, 2007.

Bruce C. Jones,

Captain, U.S. Coast Guard, Captain of the Port Lake Michigan.

BILLING CODE 4910–15–P

ENVIRONMENTAL PROTECTION AGENCY

40 CFR Part 180

[EPA–HQ–OPP–2007–0036; FRL–8120–3]

Chloroneb, Cypermethrin, Methidathion, Nitrapyrin, Oxyfluorfen, Pirimiphos-methyl, Sulfosate, Tebuthiuron, Thiabendazole, Thidiazuron, and Tribuphos; Proposed Tolerance Actions

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: EPA is proposing to revoke certain tolerances for the fungicides chloroneb and thiabendazole; the herbicide sulfosate; the defoliant thidiazuron; the insecticides cypermethrin, methidathion, and pirimiphos-methyl; and the soil microbiocide nitrapyrin. Also, EPA is proposing to modify certain tolerances for the fungicides chloroneb and thiabendazole; the herbicides oxyfluorfen and tebuthiuron; the defoliants thidiazuron and tribuphos; the insecticides cypermethrin, methidathion, and pirimiphos-methyl; and the soil microbiocide nitrapyrin. In addition, EPA is proposing to establish

new tolerances for the fungicides chloroneb and thiabendazole; the herbicide oxyfluorfen; the defoliants thidiazuron and tribuphos; the insecticides cypermethrin, methidathion, and pirimiphos-methyl; and the soil microbiocide nitrapyrin. The regulatory actions proposed in this document are in follow-up to the Agency's reregistration program under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), and tolerance reassessment program under the Federal Food, Drug, and Cosmetic Act (FFDCA) section 408(q).

DATES: Comments must be received on or before July 2, 2007.

ADDRESSES: Submit your comments, identified by docket identification (ID) number EPA–HQ–OPP–2007–0036, by one of the following methods:

<bullet≤ *Federal eRulemaking Portal:* <http://www.regulations.gov>. Follow the on-line instructions for submitting comments.

<bullet≤ *Mail:* Office of Pesticide Programs (OPP) Regulatory Public Docket (7502P), Environmental Protection Agency, 1200 Pennsylvania Ave., NW., Washington, DC 20460–0001.

<bullet≤ *Delivery:* OPP Regulatory Public Docket (7502P), Environmental Protection Agency, Rm. S-4400, One Potomac Yard (South Bldg), 2777 S. Crystal Dr., Arlington, VA. Deliveries are only accepted during the Docket's normal hours of operation (8:30 a.m. to 4 p.m., Monday through Friday, excluding legal holidays). Special arrangements should be made for deliveries of boxed information. The Docket telephone number is (703) 305–5805.

Instructions: Direct your comments to docket ID number EPA–HQ–OPP–2007–0036. EPA's policy is that all comments received will be included in the docket without change and may be made available on-line at <http://www.regulations.gov>, including any personal information provided, unless the comment includes information claimed to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Do not submit information that you consider to be CBI or otherwise protected through www.regulations.gov or e-mail. The Federal www.regulations.gov website is an “anonymous access” system, which means EPA will not know your identity or contact information unless you provide it in the body of your comment. If you send an e-mail comment directly to EPA without going through www.regulations.gov, your e-
