

similar to and consistent with Rule 6.54 of the Chicago Board Option Exchange.⁴

The second purpose of this rule change is to make clear that Floor Brokers and Market Makers who enter into either opening or closing cabinet transactions may do so as long as they first yield priority to all corresponding orders in the cabinet book. Rule 6.80 currently provides that all bids and offers for cabinet transactions, both opening and closing, must be placed with a Trading Official, and that opening orders must yield to closing orders in the cabinet. The Exchange now proposes that both opening and closing transactions may be represented by Floor Brokers and Market Makers, so long as they first yield priority to all corresponding orders in the cabinet.

The Exchange also proposes to include a provision in Rule 6.80 stating that the rules governing cabinet trading do not apply to issues that trade as part of the Penny Pilot program. Although cabinet trades involve orders priced at \$1 per option contract, the specific terms and conditions for cabinet trading are not applicable to option classes participating in the Penny Pilot.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act⁵ in general, and furthers the objectives of Section 6(b)(5) of the Act⁶ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove impediments to and perfect the mechanism of a free and open market and a national market system.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change (i) Does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) does not become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act⁷ and Rule 19b-4(f)(6)(iii) thereunder.⁸

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
