Title: Section 68.5, Waivers (Application for Waivers of Hearing Aid Compatibility Requirements).

Form Number: Not applicable.

Type of Review: Extension of a currently approved collection.

Respondents: Business or other for-profit entities.

Number of Respondents: 10.

Estimated Time per Response: 3 hours (avg).

Frequency of Response: On occasion reporting requirement.

Obligation To Respond: Required to obtain or retain benefits.

Total Annual Burden: 30 hours.

Total Annual Cost: None.

Privacy Impact Assessment: No impact(s).

Nature and Extent of Confidentiality: An assurance of confidentiality is not offered because this information collection does not require the collection of personal identifiable information (PII) from individuals.

Needs and Uses: Telephone manufacturers seeking a waiver of 47 CFR 68.4(a)(1), which requires that certain telephones be hearing aid compatible, must demonstrate that compliance with the rule is technologically infeasible or too costly. Information is used by FCC staff to determine whether to grant or dismiss the request.

OMB Control Number: 3060-0967.

Title: Section 79.2, Accessibility of Programming Providing Emergency Information.

Form Number: Not applicable.

Type of Review: Extension of a currently approved collection.

Respondents: Business or other for-profit entities; Individuals or households; Not-for-profit institutions; and State, local, or tribal Governments.

Number of Respondents: 100.

Estimated Time per Response: 1 to 2 hours.

Frequency of Response: On occasion reporting requirement; Third party disclosure requirement.

Obligation To Respond: Required to obtain or retain benefits.

Total Annual Burden: 300 hours.

Total Annual Cost: \$22,500.

Nature and Extent of Confidentiality: Confidentiality is an issue to the extent that individuals' and households' information is contained in the OSCAR database, which is covered under the Commission's system of records notice (SORN), FCC/CIB-1, "Informal Complaints and Inquiries." The Commission believes that it provides sufficient safeguards to protect the privacy of individuals who file complaints under 47 CFR 79.2(c).

Privacy Impact Assessment: Under development.

Needs and Uses: 47 CFR 79.2 is designed to ensure that persons with hearing and visual disabilities have access to the critical details of emergency information. The Commission adopted the rules to assist persons with hearing disabilities on April 14, 2000, in the *Second Report and Order* in MM Docket No. 95-176. The Commission modified the rules to assist persons with visual disabilities on July 21, 2000, in the *Report and Order* in MM Docket No. 99-339. As the Commission noted in the previous PRA submission, the Commission adopted its rules for persons with different disabilities at different times. It previously provided for persons with hearing disabilities in OMB Control No. 3060-0945; and for persons with visual disabilities in OMB Control No. 3060-0967. Because both sets of rules make use of the same complaint procedures, which are what triggered the PRA submissions, the Commission consolidated these two information collections and discontinued OMB information collection No. 3060-0945. 47 CFR 79.2(c) requires that each complaint transmitted to the Commission include the following: the name of the video programming distributor at issue; the date and time of the omission of the emergency information; and the type of emergency. The Commission then notifies the video programming distributor, which must reply within 30 days.

OMB Control Number: 3060-0968.

Title: Slamming Complaint Form.

Form Number: FCC Form 501.

Type of Review: Extension of a currently approved collection.

Respondents: Individuals or households; Business or other for-profit entities; Not-for-profit institutions.

Number of Respondents: 3,600.

Estimated Time per Response: 15 minutes.

Frequency of Response: On occasion reporting requirement.

Total Annual Burden: 900 hours.

Total Annual Cost: None.

Nature and Extent of Confidentiality: Confidentiality is an issue to the extent that individuals' and households' information is contained in the OSCAR database, which is covered under the Commission's system of records notice (SORN), FCC/CIB-1, "Informal Complaints and Inquiries." The Commission believes that it provides sufficient safeguards to protect the privacy of individuals who file complaints under 47 CFR 79.2(c).

Privacy Impact Assessment: Under development.

Needs and Uses: On December 17, 1998, the Commission announced to the public via news release its plan to provide consumers with tools to better protect themselves from telephone related fraud, as well as offer consumers an easy means to file complaints. On December 23, 1998, the Commission released a *Second Report and Order and Further Notice of Proposed Rulemaking* (FCC 98-334) adopting new rules to prevent the unauthorized change by telecommunications carriers of consumers' selections of telecommunications service providers (slamming), and revealing future initiatives to protect consumers from telephone related fraud. One of those initiatives was the development of the electronic slamming complaint form: FCC Form 501. FCC Form 501, Slamming Complaint Form, is devised to ensure complete and efficient submission of necessary information to process slamming complaints. FCC Form 501 remains available to consumers electronically and in hard copy. The Commission will use this information to provide redress to consumers and to act against companies engaged in this illegal practice.

SUPPLEMENTARY INFORMATION: This is a summary of the Commission’s Public Notice in CC Docket No. 96–45, released March 12, 2007 (DA 07–1239). The full text of this document is available for inspection and copying during normal business hours in the FCC Reference Center, Portals II, 445 12th St. SW., Room CY–A257, Washington, DC 20554. The complete text of this document also may be purchased from the Commission’s copy contractor, Best Copy and Printing, Inc., 445 12th Street, SW., Room, CY–B402, Washington, DC 20554. The full text may also be downloaded at: <http://www.fcc.gov>. 1. By this document, the Bureau seeks to refresh the record on issues raised in the *Twelfth Report and Order*, 65 FR 47941, August 4, 2000, and *Twenty-Fifth Report and Order and Further Notice of Proposed Rulemaking*, 68 FR 41936, July 16, 2003, in the above proceeding related to what constitutes a “near reservation” area for federal Lifeline and Link-Up support purposes. Because comments on the issue were filed several years ago, the passage of time and intervening developments have rendered the records developed by those commenters stale. Moreover, some issues raised by commenters may have become moot or irrelevant in light of intervening events. For these reasons, the Bureau requests that parties refresh the record with any new information or arguments they believe to be relevant to deciding the issues still pending. The refreshed record will enable the Commission to undertake appropriate consideration of the issue of how best to provide support through Lifeline and Link-Up to “near reservation” areas.

2. In the *Twelfth Report and Order*, the Commission adopted a definition of “tribal lands” that included “reservation” and “near reservation” areas, as defined, at that time, in sections 20.1(v) and (r) of the Bureau of

Indian Affairs (BIA) regulations. Subsequently, the Commission became aware that the term “near reservation” included wide geographic areas, extending substantially beyond the boundaries of reservations, that do not possess the same characteristics that warranted the targeting of support to reservations. As a result, the Commission issued an Order staying implementation of the enhanced Lifeline and Link-Up rules to the extent that they apply to qualifying low-income consumers located on “near reservation” areas.

3. In the Further Notice accompanying the *Tribal Stay Order and Further Notice*, 65 FR 58721, October 2, 2000, the Commission sought additional comment on how to extend the enhanced Lifeline and Link-Up measures to qualifying low-income consumers living in areas or communities that are “near reservations.” Specifically, the Commission sought comment on how to define geographic areas that are adjacent to the reservations or are otherwise a part of the reservation’s community of interest, in a manner that is consistent with its goal of targeting enhanced Lifeline and Link-Up support to the most underserved segments of the Nation. To the extent that using the BIA definition of “near reservations” to target support as intended in the *Twelfth Report and Order* was not effective, the Commission sought comment generally on how it might achieve its goal of serving geographically isolated, impoverished areas that are characterized by low subscribership.

4. On May 21, 2003, in the *Twenty-Fifth Order on Reconsideration, Report and Order, and Further Notice of Proposed Rulemaking*, the Commission again sought comment on potential modifications to its rules regarding availability of enhanced Federal Lifeline and Link-Up assistance to qualifying low-income consumers living “near reservations.” In this follow-up, the Commission noted that few commenters filed in response to the 2000 *Tribal Stay Order and Further Notice*.

Comment Filing Procedures

5. Pursuant to 1.415 and 1.419 of the Commission’s rules, 47 CFR 1.415, 1.419, interested parties may file comments are due on or before August 6, 2007 and reply comments are due on or before August 20, 2007. Comments may be filed using the Commission’s Electronic Comment Filing System (ECFS) or by filing paper copies. Comments filed through the ECFS can be sent as an electronic file via the

Internet to <http://www.fcc.gov/cgb/ecfs/>. Generally, only one copy of an electronic submission must be filed. Parties may also submit an electronic comment by Internet e-mail. To get filing instructions for e-mail comments, commenters should send an e-mail to ecfs@fcc.gov, and should include the following words in the body of the message, “get form.” A sample form and directions will be sent in response. Parties who choose to file by paper must file an original and four copies of each filing. If more than one docket or rulemaking number appears in the caption of this proceeding, commenters must submit two additional copies for each additional docket or rulemaking number.

6. Paper filings can be sent by hand or messenger delivery, by commercial overnight courier, or by first-class or overnight U.S. Postal Service mail (although we continue to experience delays in receiving U.S. Postal Service mail). Parties are strongly encouraged to file comments electronically using the Commission’s ECFS.

10. To request materials in accessible formats for people with disabilities (braille, large print, electronic files, audio format), send an e-mail to fcc504@fcc.gov or call the Consumer & Governmental Affairs Bureau at 202–418–0530 (voice), 202–418–0432 (tty).

11. This matter shall be treated as a “permit-but-disclose” proceeding in accordance with the Commission’s *ex parte* rules. Persons making oral *ex parte* presentations are reminded that memoranda summarizing the presentations must contain summaries of the substance of the presentations and not merely a listing of the subjects discussed. More than a one-or two-sentence description of the views and arguments presented generally is required.
