As prescribed in 19.308(d), insert the following clause:

POST-AWARD SMALL BUSINESS PROGRAM REREPRESENTATION (JUNE 2007)

(a) *Definitions.* As used in this clause—

*Long-term contract* means a contract of more than five years in duration, including options. However, the term does not include contracts that exceed five years in duration because the period of performance has been extended for a cumulative period not to exceed six months under the clause at 52.217–8, Option to Extend Services, or other appropriate authority.

*Small business concern* means a concern, including its affiliates, that is independently

owned and operated, not dominant in the field of operation in which it is bidding on Government contracts, and qualified as a small business under the criteria in 13 CFR part 121 and the size standard in paragraph (c) of this clause.

(b) If the Contractor represented that it was a small business concern prior to award of this contract, the Contractor shall rerepresent its size status according to paragraph (e) of this clause or, if applicable, paragraph (g) of this clause, upon the occurrence of any of the following:

(1) Within 30 days after execution of a novation agreement or within 30 days after modification of the contract to include this clause, if the novation agreement was executed prior to inclusion of this clause in the contract.

(2) Within 30 days after a merger or acquisition that does not require a novation or within 30 days after modification of the contract to include this clause, if the merger or acquisition occurred prior to inclusion of this clause in the contract.

(3) For long-term contracts—

(i) Within 60 to 120 days prior to the end of the fifth year of the contract; and

(ii) Within 60 to 120 days prior to the exercise date specified in the contract for any option thereafter.

(c) The Contractor shall rerepresent its size status in accordance with the size standard in effect at the time of this rerepresentation that corresponds to the North American Industry Classification System (NAICS) code assigned to this contract. The small business size standard corresponding to this NAICS code can be found at <http://www.sba.gov/services/contractingopportunities/sizestandardsttopics/>.

(d) The small business size standard for a Contractor providing a product which it does not manufacture itself, for a contract other than a construction or service contract, is 500 employees.

(e) Except as provided in paragraph (g) of this clause, the Contractor shall make the rerepresentation required by paragraph (b) of this clause by validating or updating all its representations in the Online Representations and Certifications Application and its data in the Central Contractor Registration, as necessary, to ensure they reflect current status. The Contractor shall notify the contracting office by e-mail, or otherwise in writing, that the data have been validated or updated, and provide the date of the validation or update.

(f) If the Contractor represented that it was other than a small business concern prior to award of this contract, the Contractor may, but is not required to, take the actions required by paragraphs (e) or (g) of this clause.

(g) If the Contractor does not have representations and certifications in ORCA, or does not have a representation in ORCA for the NAICS code applicable to this contract, the Contractor is required to

complete the following rerepresentation and submit it to the contracting office, along with the contract number and the date on which the rerepresentation was completed:

The Contractor represents that it ☐ is, ☐ is not a small business concern under NAICS Code \_\_\_\_\_ assigned to contract number \_\_\_\_\_.

[Contractor to sign and date and insert authorized signer's name and title].

## RULE LISTED IN FAC 2005–18

Item	Subject	FAR case	Analyst
*1 .....	Small Business Size Rerepresentation .....	2006–032	Cundiff.

**Item I-Small Business Size  
Rerepresentation (FAR Case 2006-032)**

This interim rule amends the FAR to implement the Small Business Administration's (SBA) final rule published on November 15, 2006 (71 FR 66434), entitled "Small Business Size Regulations; Size for Purposes of Governmentwide Acquisition Contracts, Multiple Award Schedule Contracts and Other Long-Term Contracts; 8(a) Business Development/Small Disadvantaged Business; Business Status Determinations." The purpose of

the SBA rule and this FAR rule is to improve the accuracy of small business size status reporting, at the prime contract level, over the life of certain contracts (long-term contracts, contracts involving novations, acquisitions, and mergers). Contractors will be required to rerepresent their size status on contracts prior to the end of the fifth year of a contract that is more than five years in duration (long-term contract); prior to exercising any option thereafter; following execution of a novation agreement; or following a merger or

acquisition of the contractor, regardless of whether there is a novation agreement. A change in the size status does not change the terms and conditions of the contract, but the agency may no longer include the value of options exercised or orders issued against the contract in its small business prime contracting goal achievements.

Dated: June 29, 2007.
