DATES: *Effective Date:* This correction notice is effective October 1, 2006.

SUPPLEMENTARY INFORMATION:

I. Background

In FR Doc. 06-7293, of September 1, 2006 (71 FR 52080) entitled, "Hospice Wage Index for Fiscal Year 2007," there were errors that we identified and corrected in a correction notice published October 3, 2006 (71 FR 58415). Based on further review of the September 1, 2006 notice, we are correcting an additional typographical error in section I.B of this notice. Accordingly, the correction is effective retroactive to October 1, 2006, the effective date of the September 1, 2006 notice.

A. Summary of Errors

In the September 1, 2006 notice, on page 52102, we published an Addendum that list the updated urban and rural wage index values for hospices utilizing the Core-Based Statistical Areas (CBSA) designations. To ensure that hospice providers were able to identify their current wage index, the table contains the CBSA codes, CBSA county name, and CBSA wage index. However, we made a typographical error when we entered the wage index value for Kalamazoo-Portage, MI.

This correction notice is consistent with the published hospice wage index values used to make payment as of October 1, 2006. In section I.B. of this notice, we are correcting this error.

B. Correction of Error

In the September 1, 2006, **Federal Register** notice (71 FR 52080) on page 52102, in the third column, in line 5, for CBSA code 28020, the wage index value "1.0140" is corrected to read "1.1040."

C. Waiver of Proposed Rulemaking and Delay in Effective Date

We ordinarily publish a notice of proposed rulemaking in the **Federal Register** to provide a period for public comment before the provisions of a rule take effect in accordance with section 553(b) of the Administrative Procedure Act (APA) (5 U.S.C. section 553(b)). However, we can waive this notice and comment procedure if the Secretary finds that the notice and comment process is impracticable, unnecessary, or contrary to the public interest, and

incorporates a statement of the finding and the reasons therefore in the notice.

The revision contained in this document merely corrects a typographical error in the addendum for Table A. This correction is necessary to ensure that the notice accurately reflects the correct hospice wage index value. Since it is not substantive, but merely technical, we find that public comments on this revision are unnecessary. Therefore, we find good cause to waive notice and comment procedures.

In addition, the Administrative Procedure Act (APA) normally requires a 30-day delay in the effective date of a notice. Since this notice simply corrects a technical error to a notice that has previously gone through notice-and-comment rulemaking, we believe good cause also exists under the APA to waive the 30-day delay in the effective date and that a delay in the correction's effective date is also unnecessary.

SUPPLEMENTARY INFORMATION:

I. Background

In accordance with section 10(a) of the Federal Advisory Committee Act, this notice announces the quarterly meeting of the Practicing Physicians Advisory Council (the Council). The Secretary is mandated by section 1868(a)(1) of the Social Security Act (the Act) to appoint a Practicing Physicians Advisory Council based on nominations submitted by medical organizations representing physicians. The Council meets quarterly to discuss certain proposed changes in regulations and manual instructions related to physicians' services, as identified by the Secretary. To the extent feasible and consistent with statutory deadlines, the Council's consultation must occur before **Federal Register** publication of the proposed changes. The Council submits an annual report on its recommendations to the Secretary and the Administrator of the Centers for Medicare & Medicaid Services (CMS) not later than December 31 of each year.

The Council consists of 15 physicians, including the Chair. Members of the Council include both participating and nonparticipating physicians, and

physicians practicing in rural and underserved urban areas. The remaining 4 members may include dentists, podiatrists, optometrists and chiropractors. Members serve for overlapping 4-year terms; terms of more than 2 years are contingent upon the renewal of the Council by appropriate action before its termination.

Section 1868(a)(2) of the Act provides that the Council meet quarterly to discuss certain proposed changes in regulations and manual issuances that relate to physicians' services, identified by the Secretary. Section 1868(a)(3) of the Act provides for payment of expenses and per diem for Council members in the same manner as members of other advisory committees appointed by the Secretary. In addition to making these payments, the Department of Health and Human Services and CMS provide management and support services to the Council. The Secretary will appoint new members to the Council from among those candidates determined to have the expertise required to meet specific agency needs in a manner to ensure appropriate balance of the Council's membership.

The Council held its first meeting on May 11, 1992. The current members are: Anthony Senagore, M.D., Chairperson; Jose Azocar, M.D.; M. Leroy Sprang, M.D.; Karen S.
