The public record for this review may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>.

SUPPLEMENTARY INFORMATION: *Background.* On January 5, 2007, the Commission determined that the domestic interested party group response to its notice of institution (71 FR 58001, October 2, 2006) of the subject five-year review was adequate and that the respondent interested party group response was inadequate.¹ The Commission did not find any other circumstances that would warrant conducting a full review.² Accordingly, the Commission determined that it would conduct an expedited review pursuant to section 751(c)(3) of the Act.³

Staff report. A staff report containing information concerning the subject matter of the review will be placed in the nonpublic record on February 1, 2007, and made available to persons on the Administrative Protective Order service list for this review. A public version will be issued thereafter, pursuant to section 207.62(d)(4) of the Commission's rules.

Written submissions. As provided in section 207.62(d) of the Commission's rules, interested parties that are parties to the review and that have provided individually adequate responses to the notice of institution,⁴ and any party other than an interested party to the review may file written comments with the Secretary on what determination the Commission should reach in the review. Comments are due on or before

¹ Commissioner Jennifer A. Hillman found both the domestic interested party group response and the respondent interested party group response to be inadequate.

² A record of the Commissioners' votes, the Commission's statement on adequacy, and any individual Commissioner's statements will be available from the Office of the Secretary and at the Commission's Web site.

³ Chairman Daniel R. Pearson and Commissioner Deanna Tanner Okun dissenting.

⁴ The Commission has found the response submitted by U.S. Magnesium LLC to be individually adequate. Comments from other interested parties will not be accepted (*see* 19 CFR 207.62(d)(2)).

However, should the Department of Commerce extend the time limit for its completion of the final results of its review, the deadline for comments (which may not contain new factual information) on Commerce's final results is three business days after the issuance of Commerce's results. If comments contain business proprietary information (BPI), they must conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's rules do not authorize filing of submissions with the Secretary by facsimile or electronic means, except to the extent permitted by section 201.8 of the Commission's rules, as amended, 67 FR 68036 (November 8, 2002). Even where electronic filing of a document is permitted, certain documents must also be filed in paper form, as specified in II (C) of the Commission's Handbook on Electronic Filing Procedures, 67 FR 68168, 68173 (November 8, 2002).

In accordance with §§ 201.16(c) and 207.3 of the rules, each document filed by a party to the review must be served on all other parties to the review (as identified by either the public or BPI service list), and a certificate of service must be timely filed.
