

implementation of two additional electronic equivalent methods of submission for BA-9 information: File Transfer Protocol (FTP) and secure e-mail.

The completion time for Form BA-9 and all electronic equivalent methods of submission is estimated at 76 minutes. The annual respondent burden for the information collection is estimated at 360 responses and 457 burden hours.

Previous Requests for Comments: The RRB has already published the initial 60-day notice (72 FR 46251-46253 on August 17, 2007) required by 44 U.S.C. 3506(c)(2). That request elicited no comments.

Information Collection Request (ICR)

Title: Railroad Separation Allowance or Severance Report.

OMB Control Number: 3220-0173.

Form(s) submitted: BA-9.

Type of request: Revision of a currently approved collection.

Affected public: Business or other for-profit.

Abstract: Section 6 of the Railroad Retirement Act provides for a lump-sum payment to an employee or the employee's survivor equal to the Tier II taxes paid by the employee on a separation allowance or severance payment for which the employee did not receive credits toward retirement. The collection obtains information concerning the separation allowances and severance payments paid from railroad employers.

The burden estimate for the ICR is as follows:

Estimated Annual Number of Respondents: 20.

Total Annual Responses: 360.

Total Annual Reporting Hours: 457.

4. Title and Purpose of Information Collection: Gross Earnings Report; OMB 3220-0132.

In order to carry out the financial interchange provisions of section 7(c)(2) of the Railroad Retirement Act (RRA), the RRB obtains annually from railroad employer's the gross earnings for their employees on a one-percent basis, i.e., 1% of each employer's railroad employees. The gross earnings sample is based on the earnings of employees whose social security numbers end with the digits "30." The gross earnings are used to compute payroll taxes under the financial interchange.

The gross earnings information is essential in determining the tax amounts involved in the financial interchange with the Social Security Administration and Centers for Medicare and Medicaid Services. Besides being necessary for current financial interchange calculations, the

gross earnings file tabulations are also an integral part of the data needed to estimate future tax income and corresponding financial interchange amounts. These estimates are made for internal use and to satisfy requests from other government agencies and interested groups. In addition, cash flow projections of the social security equivalent benefit account, railroad retirement account and cost estimates made for proposed amendments to laws administered by the RRB are dependent on input developed from the information collection.

The RRB utilizes Form BA-11 or its electronic equivalent(s) to obtain gross earnings information from railroad employers. Employers currently have the option of preparing and submitting BA-11 reports on paper, or in like format on magnetic tape cartridges and PC diskettes. Completion is mandatory. One response is requested of each respondent.

The RRB proposes changes to Form BA-11 to allow for 4-digit year fields, to add an additional item for an employer's name and to expand the employee's name field. The RRB also proposes the implementation of two additional electronic equivalent methods of submission for BA-11 information: File Transfer Protocol (FTP) and secure e-mail.

The completion time for Form BA-11 responses submitted via magnetic tape and FTP is estimated at 5 hours. The completion time for BA-11 responses received by paper, diskette, CD-ROM, and secure E-mail is estimated at 30 minutes.

Previous Requests for Comments: The RRB has already published the initial 60-day notice (72 FR 46251-46253 on August 17, 2007) required by 44 U.S.C. 3506(c)(2). That request elicited no comments.

Title: Gross Earnings Report.

OMB Control Number: 3220-0132.

Form(s) submitted: BA-11.

Estimated Annual Number of Respondents: 168.

Total Annual Responses: 168.

Total Annual Reporting Hours: 107.

Form 6-K, OMB Control No. 3235-0116, SEC File No. 270-107.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Form 6-K (17 CFR 249.306) elicits material information from foreign private issuers of publicly traded securities promptly after the occurrence of specified or other important corporate events so that investors have current information upon which to base investment decisions. The purpose of Form 6-K is to ensure that U.S. investors have access to the same information that foreign investors do when making investment decisions. Form 6-K takes approximately 8.7 hours

per response and is filed by approximately 12,022 issuers annually. We estimate that 75% of the 8.7 hours per response (6.525 hours) is prepared by the issuer for a total annual reporting burden of 78,444 hours (6.525 hours per response \times 12,022 responses).

Written comments are invited on: (a) Whether this collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden imposed by the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Extension:

Rule 0-2, Form ADV-NR, SEC File No. 270-214, OMB Control No. 3235-0240.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

The titles for the collections of information are "Rule 0-2" (17 CFR 275.0-2) and "Form ADV-NR" (17 CFR

279.4) under the Investment Advisers Act of 1940 (15 U.S.C. 80b-1). Rule 0-2 and Form ADV-NR facilitate service of process to non-resident investment advisers and their non-resident general partners or non-resident managing agents. The Form requires these persons to designate the Commission as agent for service of process. The purpose of this collection of information is to enable the commencement of legal and or regulatory actions against investment advisers that are doing business in the United States, but are not residents.

The respondents to this information collection would be each non-resident general partner or non-resident managing agent of an SEC-registered adviser. The Commission has estimated that compliance with the requirement to complete Form ADV-NR imposes a total burden of approximately 1.0 hours for an adviser. Based on our experience with these filings, we estimate that we will receive 18 Form ADV-NR filings annually. Based on the 1.0 hours per respondent estimate, the Commission staff estimates a total annual burden of 18 hours for this collection of information.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.
