

NATIONAL AERONAUTICS AND SPACE ADMINISTRATION**[Notice: (07-007)]****Notice of Information Collection****AGENCY:** National Aeronautics and Space Administration (NASA).**ACTION:** Notice of information collection.

SUMMARY: The National Aeronautics and Space Administration, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995 (Public Law 104-13, 44 U.S.C. 3506(c)(2)(A)).

DATES: All comments should be submitted within 60 calendar days from the date of this publication.

ADDRESSES: All comments should be addressed to Mr. Walter Kit, National Aeronautics and Space Administration, Washington, DC 20546-0001.

FOR FURTHER INFORMATION CONTACT:

Requests for additional information or copies of the information collection instrument(s) and instructions should be directed to Mr. Walter Kit, NASA PRA Officer, NASA Headquarters, 300 E Street SW., JE000, Washington, DC 20546, (202) 358-1350, Walter.Kit-1@nasa.gov.

SUPPLEMENTARY INFORMATION:**I. Abstract**

In 2005, NASA TV switched from transmitting an analog TV signal to a Digital signal that requires viewers to buy a digital receiver. NASA needs to determine how this switch affects viewers, how viewers use NASA TV, and what changes they request. Responses will be used to recommend improvements to NASA TV.

II. Method of Collection

Respondents will complete an online survey. All study data will be collected online using Web-based database technologies.

III. Data

Title: NASA TV Viewers Survey.
OMB Number: 2700-XXXX.

Type of review: Emergency new collection.

Affected Public: Individuals or households; Not-for-profit institutions.

Number of Respondents: 1020.

Responses Per Respondent: 1.

Annual Responses: 1020.

Hours Per Response: 0.17 hours.

Annual Burden Hours: 170.

IV. Request for Comments

Comments are invited on: (1) Whether the proposed collection of information is necessary for the proper performance of the functions of NASA, including whether the information collected has practical utility; (2) the accuracy of NASA's estimate of the burden (including hours and cost) of the proposed collection of information; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on respondents, including automated collection techniques or the use of other forms of information technology.

Comments submitted in response to this notice will be summarized and included in the request for OMB approval of this information collection. They will also become a matter of public record.

Gary Cox,

Deputy Chief Information Officer (Acting).

SECURITIES AND EXCHANGE COMMISSION**Submission of OMB Review; Comment Request**

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension:

Rule 31a-2, SEC File No. 270-174, OMB Control No. 3235-0179.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520), the Securities and Exchange Commission ("Commission") is soliciting comments on the collections of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Section 31(a)(1) of the Investment Company Act of 1940 (the "Act") requires registered investment companies ("funds") and certain principal underwriters, broker-dealers, investment advisers and depositors of funds to maintain and preserve records as prescribed by Commission rules.¹ Rule 31a-1 specifies the books and records that each of these entities must maintain.² Rule 31a-2, which was adopted on April 17, 1944, specifies the time periods that entities must retain books and records required to be maintained under rule 31a-1.³

Rule 31a-2 requires the following:

1. Every fund must preserve permanently, and in an easily accessible place for the first two years, all books and records required under rule 31a-1(b)(1)-(4).⁴

¹ 15 U.S.C. 80a-30(a)(1).

² 17 CFR 270.31a-1.

³ 17 CFR 270.31a-2.

⁴ 17 CFR 270.31a-1(b)(1)-(4). These include, among other records, journals detailing daily purchases and sales of securities or contracts to purchase and sell securities, general and auxiliary ledgers reflecting all asset, liability, reserve, capital, income and expense accounts, separate ledgers reflecting, separately for each portfolio security as of the trade date all "long" and "short" positions carried by the fund for its own account, and corporate charters, certificates of incorporation and by-laws.

2. Every fund must preserve for at least six years, and in an easily accessible place for the first two years:

a. all books and records required under rule 31a-1(b)(5)-(12);⁵

b. all vouchers, memoranda, correspondence, checkbooks, bank statements, canceled checks, cash reconciliations, canceled stock certificates and all schedules that support each computation of net asset value of fund shares;

c. any advertisement, pamphlet, circular, form letter or other sales literature addressed or intended for distribution to prospective investors;

d. any record of the initial determination that a director is not an interested person of the fund, and each subsequent determination that the director is not an interested person of the fund, including any questionnaire and any other document used to determine that a director is not an interested person of the company;

e. any materials used by the disinterested directors of a fund to determine that a person who is acting as legal counsel to those directors is an independent legal counsel; and

f. any documents or other written information considered by the directors of the fund pursuant to section 15(c) of the Act in approving the terms or renewal of a contract or agreement between the company and an investment advisor.

3. Every underwriter, broker or dealer that is a majority-owned subsidiary of a fund must preserve records required to be preserved by brokers and dealers under rules adopted under section 17 of the Securities Exchange Act of 1934⁶ ("section 17") for the periods established in those rules.

4. Every depositor of any fund, and every principal underwriter of any fund other than a closed-end fund, must preserve for at least six years records required to be preserved by brokers and dealers under rules adopted under section 17 to the extent the records are necessary or appropriate to record the entity's transactions with the fund.

5. Every investment adviser that is a majority-owned subsidiary of a fund must preserve the records required to be

maintained by investment advisers under rules adopted under section 204 of the Investment Advisers Act of 1940⁷ ("section 204") for the periods specified in those rules.

6. Every investment adviser that is not a majority-owned subsidiary of a fund must preserve for at least six years records required to be maintained by registered investment advisers under rules adopted under section 204 to the extent the records are necessary or appropriate to reflect the adviser's transactions with the fund.

The records required to be maintained and preserved under this part may be maintained and preserved for the required time by, or on behalf of, a fund on (i) micrographic media, including microfilm, microfiche, or any similar medium, or (ii) electronic storage media, including any digital storage medium or system that meets the terms of this section. The fund, or person that maintains and preserves records on its behalf, must arrange and index the records in a way that permits easy location, access, and retrieval of any particular record.⁸

The Commission periodically inspects the operations of all funds to ensure their compliance with the provisions of the Act and the rules under the Act. The Commission staff spends a significant portion of their time in these inspections reviewing the information contained in the books and records required to be kept by rule 31a-1 and to be preserved by rule 31a-2.

There are approximately 4,920 funds as of December 31, 2006, all of which are required to comply with rule 31a-2. Based on recent conversations with representatives of the fund industry and past estimates, our staff estimates that each fund currently spends 220 hours per year complying with the records

preservation required by rule 31a-2.

The hour burden is incurred by a variety of fund staff, and the type of staff position used for compliance with the rule varies widely from fund to fund. Based on these estimates, our staff estimates that the total annual burden of a fund to comply with rule 31a-2, is 220 hours, with a total annual burden for all funds of 1,082,400 hours.⁹

The hour burden estimates for retaining records under rule 31a-2 are based on our experience with registrants and our experience with similar requirements under the Act and the rules under the Act. The number of burden hours may vary depending on, among other things, the complexity of the fund, the issues faced by the fund, and the number of series and classes of the fund. The estimated average burden hours are made solely for purposes of the Paperwork Reduction Act and are not derived from quantitative, comprehensive, or even representative survey or study of the burdens associated with our rules and forms.

The Commission staff estimates the average cost of preserving books and records required by rule 31a-2, to be approximately \$.000035 per \$1.00 of net assets per year.¹⁰ As of December 31, 2006, our staff estimates total net assets of all funds at about \$10 trillion, and that compliance with rule 31a-2 costs the fund industry approximately \$350 million per year.¹¹ Our staff estimates, however, based on conversations with representatives of the fund industry, that funds would already spend half of this amount (\$175 million) to preserve these same books and records, as they are also necessary to prepare financial statements, meet various state reporting requirements, and prepare their annual federal and state income tax returns. Therefore, we estimate that the total annual cost burden for registered fund due to compliance with rule 31a-2 is \$175 million per year.

These estimates of average costs are made solely for the purposes of the Paperwork Reduction Act. The estimate is not derived from a comprehensive or even a representative survey or study of

⁵ 17 CFR 270.31a-1(b)(5)-(12). These include, among other records, records of each brokerage order given in connection with purchases and sales of securities by the fund, all other portfolio purchases, records of all puts, calls, spreads, straddles or other options in which the fund has an interest, has granted, or has guaranteed, records of proof of money balances in all ledger accounts, files of all advisory material received from the investment adviser, and memoranda identifying persons, committees or groups authorizing the purchase or sale of securities for the fund.

⁶ 15 U.S.C. 78q.

⁷ 15 U.S.C. 80b-4.

⁸ In addition, the fund, or whoever maintains the documents for the fund must provide promptly any of the following that the Commission (by its examiners or other representatives) or the directors of the fund may request: (A) A legible, true, and complete copy of the record in the medium and format in which it is stored; (B) a legible, true, and complete printout of the record; and (C) means to access, view, and print the records; and separately store, for the time required for preservation of the original record, a duplicate copy of the record on any medium allowed by this section. In the case of records retained on electronic storage media, the fund, or person that maintains and preserves records on its behalf, must establish and maintain procedures: (i) To maintain and preserve the records, so as to reasonably safeguard them from loss, alteration, or destruction; (ii) to limit access to the records to properly authorized personnel, the directors of the fund, and the Commission (including its examiners and other representatives); and (iii) to reasonably ensure that any reproduction of a non-electronic original record on electronic storage media is complete, true, and legible when retrieved.

⁹ This estimate is based on the following calculation: 4,920 registered investment companies × 220 hours = 1,082,400 total hours.

¹⁰ The staff estimated the annual cost of preserving the required books and records by identifying the annual costs for several funds and then relating this total cost to the average net assets of these funds during the year. The staff estimates that the annual cost of preserving records is \$70,000 per fund; the funds queried in support of this analysis had an average asset base of approximately \$2 billion (70,000/2 billion = .000035).

¹¹ This estimate is based on the annual cost per dollar of net assets of the average fund as applied to the net assets of all funds (\$10 trillion × .000035 = \$350 million).

the costs of Commission rules. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Written comments are invited on: (a) Whether the collections of information are necessary for the proper performance of the functions of the Commission, including whether the information has practical utility; (b) the accuracy of the Commission's estimate of the burdens of the collections of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burdens of the collections of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-55229; File No. SR-Amex-2007-12]

Self-Regulatory Organizations; American Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change Relating to a Clarification to the Exchange's Payment for Order Flow Plan

February 2, 2007.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on January 22, 2007, the American Stock Exchange LLC ("Amex" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been substantially prepared by the Exchange. Amex has designated this proposal as one establishing or changing a due, fee, or other charge imposed by Amex under Section 19(b)(3)(A)(ii) of the Act³ and Rule 19b-4(f)(2) thereunder,⁴ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to clarify the current Payment for Order Flow Plan with respect to funds collected from Supplemental Registered Options Traders ("SROT's").

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change, and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. Amex

has substantially prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange adopted its current Payment for Order Flow Plan in February of 2006.⁵ Under the current plan, the Exchange charges an equity options marketing fee of \$0.75 per contract⁶ solely to customer orders that are from payment accepting firms with whom a specialist or a Supplemental Registered Options Trader ("SROT"), has negotiated a payment for order flow arrangement.⁷ This fee solely applies to those orders which are executed electronically through the Exchange's ANTE system.

As noted in the Exchange's previous Payment for Order Flow filings, fees are collected from any SROT, specialist or ROT who participates in a trade with a payment accepting firm with whom a specialist has negotiated a payment for order flow arrangement, or with whom an SROT has negotiated a payment with an affiliated SROT.

The Exchange proposes to clarify the current Payment for Order Flow Plan to limit the spending of funds collected from SROT's, which are allocated to a specialist, when the SROT participates in a trade where the specialist has negotiated a payment for order flow arrangement. In these instances, the Exchange proposes to require that the specialist be limited to spending any SROT collected funds only in those options classes in which the SROT is able to trade.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act⁸ in general, and Section 6(b)(4) of the Act⁹ in particular, because it is an equitable allocation of reasonable dues, fees, and other charges among exchange members and other persons using exchange facilities.

⁵ See Securities Exchange Act Release No. 53341 (February 21, 2006), 71 FR 10085 (February 28, 2006) (approving SR-Amex 2006-15).

⁶ The fee is \$1.00 for SPDR contracts.

⁷ See Securities Exchange Act Release Nos. 54324 (August 16, 2006), 71 FR 50110 (August 24, 2006) (SR-Amex 2006-63); and 54486 (September 22, 2006), 71 FR 57009 (September 28, 2006) (SR-Amex 2006-79).
