

Chemicals B.V. ("Akzo Nobel"), and Aqualon Company ("petitioner"), the Department of Commerce ("the Department") initiated an administrative review of the antidumping duty order on purified carboxymethylcellulose ("CMC") from the Netherlands. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 72 FR 48613 (August 24, 2007). This administrative review covers the period July 1, 2006, through June 30, 2007. Due to the withdrawal of the requests for the administrative review by both parties, we are now rescinding this review with respect to Akzo Nobel.

**EFFECTIVE DATE:** November 16, 2007.

**FOR FURTHER INFORMATION CONTACT:** John Drury or Angelica Mendoza, AD/CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Room 7866, Washington, DC 20230; telephone: (202) 482-0195 or (202) 482-3019, respectively.

**SUPPLEMENTARY INFORMATION:**

**Background**

The Department published an antidumping duty order on CMC from the Netherlands on July 11, 2005. *See Notice of Antidumping Duty Orders: Purified Carboxymethylcellulose from Finland, Mexico, the Netherlands and Sweden*, 70 FR 39734 (July 11, 2005). The Department published a notice of "Opportunity to Request an Administrative Review" of the antidumping duty order for the period July 1, 2006, through June 30, 2007, on July 3, 2007. *See Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity To Request Administrative Review*, 72 FR 36420 (July 3, 2007). Petitioner requested that the Department conduct an administrative review of sales of merchandise by Akzo Nobel and CP Kelco B.V. covered by the order on July 25, 2007. Akzo Nobel requested that the Department conduct an administrative review of its sales of merchandise covered by the order on July 30, 2007. In response to both requests, the Department published the initiation of the antidumping duty administrative review on CMC from the Netherlands on August 24, 2007. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 72 FR 48613 (August 24, 2007).

Akzo Nobel withdrew its request for review on October 2, 2007. Petitioner

withdrew its request for review of sales by Akzo Nobel on October 3, 2007.

**Rescission of the Administrative Review**

Pursuant to 19 CFR § 351.213(d)(1), the Secretary will rescind an administrative review under this section, in whole or in part, if a party that requested a review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review. The Secretary may extend this time limit if the Secretary decides that it is reasonable to do so. See 19 CFR § 351.213(d)(1). Both petitioner and Akzo Nobel withdrew their requests for review with respect to the latter within the 90-day time limit. Therefore, in response to the withdrawal of requests for administrative reviews by both Akzo Nobel and petitioner, the Department hereby rescinds the administrative review of the antidumping duty order on CMC from the Netherlands for the period July 1, 2006, through June 30, 2007, for Akzo Nobel. The Department intends to issue assessment instructions to the U.S. Customs and Border Protection ("CBP") 15 days after the date of publication of this partial rescission of administrative review. The Department will direct CBP to assess antidumping duties for Akzo Nobel at the cash deposit rate in effect on the date of entry for entries during the period July 1, 2006, to June 30, 2007.

This notice serves as a reminder to parties subject to administrative protective order ("APO") of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR § 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

This notice is published in accordance with sections 751(a)(1) and 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR § 351.213(d)(4).

Dated: November 7, 2007.

**Certain Steel Concrete Reinforcing Bars from Turkey; Notice of Extension of Time Limit for Preliminary Results in Antidumping Duty Administrative Review**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**EFFECTIVE DATE:** November 16, 2007.

**FOR FURTHER INFORMATION CONTACT:** Irina Itkin, AD/CVD Operations, Office 2, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC, 20230; telephone (202) 482-0656.

**SUPPLEMENTARY INFORMATION:**

**Background**

On May 30, 2007, the Department of Commerce (the Department) published a notice of initiation of administrative review of the antidumping duty order on certain steel concrete reinforcing bars from Turkey. *See Initiation of Antidumping Duty and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 72 FR 29968 (May 30, 2007). The period of review is April 1, 2006, through March 31, 2007, and the preliminary results are currently due no later than December 31, 2007. The review covers nine producers/exporters of the subject merchandise to the United States.

**Extension of Time Limit for Preliminary Results**

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), the Department shall make a preliminary determination in an administrative review of an antidumping order within 245 days after the last day of the anniversary month of the date of publication of the order. The Act further provides, however, that the Department may extend the 245-day period to 365 days if it determines that it is not practicable to complete the review within the foregoing time period. We determine that it is not practicable to complete this administrative review within the time limits mandated by section 751(a)(3)(A) of the Act because this review involves a number of complicated issues for certain of the respondents, including a request for revocation for one of the respondents. Analysis of these issues requires additional time.

In addition, we are also conducting numerous concurrent antidumping

proceedings which place a constraint on the number of analysts that can be assigned to this case. Not only do these other cases present a significant workload, but the deadlines for a number of the cases coincide and/or overlap with deadlines in this antidumping proceeding. Therefore, we have fully extended the deadline for completing the preliminary results until April 29, 2008, which is 365 days from the last day of the anniversary month of the date of publication of the order. The deadline for the final results of the review continues to be 120 days after the publication of the preliminary results.

This extension is in accordance with section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2).

Dated: November 8, 2007.

**Stephen J. Claeys,**

*Deputy Assistant Secretary for Import Administration.*

#### Notice of Decision on Application for Duty-Free Entry of Scientific Instruments

This is a decision pursuant to Section 6(c) of the Educational, Scientific, and Cultural Materials Importation Act of 1966 (Pub. L. 89-651, as amended by Pub. L. 106-36; 80 Stat. 897; 15 CFR part 301). Related records can be viewed between 8:30 A.M. and 5:00 P.M. in Room 2104, U.S. Department of Commerce, 14<sup>th</sup> and Constitution Ave, NW, Washington, D.C.

Comments: None received. Decision: Approved. We know of no instrument of equivalent scientific value to the foreign instruments described below, for such purposes as each is intended to be used, that was being manufactured in the United States at the time of its order. Docket Number: 07-040. Applicant: Penn State University, 311 Deike Building, University Park, PA 16802. Instrument: Distributed Temperature Sensor, model Sentinel DTS-SR(0-5KM). Manufacturer: Sensornet Ltd., United Kingdom. Intended Use: See notice at 72 FR 59076, October 18, 2007. Reason: Good temperature resolution and the capability to collect data every minute to 0.1° C. accuracy are essential for the study that involves the determination of stream-aquifer interaction as related to precipitation

events, and the detection of areas that build and release moisture along the hillslope.

#### Polyethylene Terephthalate (PET) Film from India: Extension of Time Limit for Final Results of Countervailing Duty Administrative Review

**AGENCY:** Import Administration, International Trade Administration, U.S. Department of Commerce.

**EFFECTIVE DATE:** November 16, 2007.

**FOR FURTHER INFORMATION CONTACT:** Elfi Blum or Toni Page, AD/CVD Operations, Office 6, Import Administration, International Trade Administration, Department of Commerce, Room 7866, 14th Street and Constitution Avenue, NW, Washington DC 20230; telephone: (202) 482-0197 or (202) 482-1398, respectively.

#### Background

On August 6, 2007, the Department published the preliminary results of the administrative review of the countervailing duty order on polyethylene terephthalate (PET) film from India for the period January 1, 2005 through December 31, 2005. See *Polyethylene Terephthalate Film, Sheet, and Strip from India: Notice of Preliminary Results and Rescission, in Part, of Countervailing Duty Administrative Review*, 72 FR 43607 (August 6, 2007). The current deadline for the final results of review is December 4, 2007. This review covers two producers/exporters of the subject merchandise to the United States, MTZ Polyfilms, Ltd. (MTZ) and Garware Polyester Ltd. (Garware), as well as the government of India (GOI).

#### Extension of Time Limit for Final Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act) requires the Department to issue the final results in an administrative review within 120 days of the publication date of the preliminary results. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the

Department to extend the time limit for the final results to a maximum of 180 days. The Department has determined that completion of the final results of this review within the original time period is not practicable due to the additional analysis that must be performed on the information collected at the verification conducted after the issuance of the preliminary results. Thus, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time period for issuing the final results of review by an additional 60 days. As the 180th day falls on a Saturday, the final results will now be due no later than February 4, 2008.

This notice is published pursuant to sections 751(a)(3)(A) and 777(i)(1) of the Act.

Dated: November 9, 2007.
