FEDERAL RESERVE SYSTEM

Formations of, Acquisitions by, and Mergers of Bank Holding Companies

The companies listed in this notice have applied to the Board for approval, pursuant to the Bank Holding Company Act of 1956 (12 U.S.C. 1841 *et seq.*) (BHC Act), Regulation Y (12 CFR Part 225), and all other applicable statutes and regulations to become a bank holding company and/or to acquire the assets or the ownership of, control of, or the power to vote shares of a bank or bank holding company and all of the banks and nonbanking companies owned by the bank holding company, including the companies listed below.

The applications listed below, as well as other related filings required by the Board, are available for immediate inspection at the Federal Reserve Bank indicated. The application also will be available for inspection at the offices of the Board of Governors. Interested persons may express their views in writing on the standards enumerated in the BHC Act (12 U.S.C. 1842(c)). If the proposal also involves the acquisition of a nonbanking company, the review also includes whether the acquisition of the nonbanking company complies with the standards in section 4 of the BHC Act (12 U.S.C. 1843). Unless otherwise noted, nonbanking activities will be conducted throughout the United States. Additional information on all bank holding companies may be obtained from the National Information Center Web site at <http://www.ffiec.gov/nic/>.

Unless otherwise noted, comments regarding each of these applications must be received at the Reserve Bank indicated or the offices of the Board of Governors not later than March 12, 2007.

A. Federal Reserve Bank of Boston
(Richard Walker, Community Affairs Officer) P.O. Box 55882, Boston, Massachusetts 02106-2204:

1. *Merrimack Bancorp, MHC*, Concord, New Hampshire; to acquire 100 percent of the voting shares of Bow Mills Bank and Trust, Bow, New Hampshire.

Board of Governors of the Federal Reserve System, February 12, 2007.

Robert deV. Frierson,

Deputy Secretary of the Board.

FEDERAL RESERVE SYSTEM

Consumer Advisory Council

AGENCY: Board of Governors of the Federal Reserve System

Notice of Meeting of Consumer Advisory Council

The Consumer Advisory Council will meet on Thursday, March 8, 2007. The meeting, which will be open to public observation, will take place at the Federal Reserve Board's offices in Washington, D.C., in Dining Room E on the Terrace level of the Martin Building. Anyone planning to attend the meeting should, for security purposes, register no later than Tuesday, March 6, by completing the form found online at: <https://www.federalreserve.gov/secure/forms/cacregistration.cfm>.

Additionally, attendees must present photo identification to enter the building.

The meeting will begin at 9:00 a.m. and is expected to conclude at 12:45 p.m. The Martin Building is located on C Street, NW, between 20th and 21st Streets.

The Council's function is to advise the Board on the exercise of the Board's responsibilities under various consumer financial services laws and on other matters on which the Board seeks its advice. Time permitting, the Council will discuss the following topics:

- **Home mortgage foreclosures**

Members will discuss various issues related to home lending practices and mortgage foreclosures.

- **Model financial privacy notices**

With the objective of designing alternative privacy notices that are easier for consumers to understand and use, the Board, the other banking agencies, the FTC, and the SEC have been conducting cognitive and usability consumer research into how privacy notices may be made more effective for consumers. Members will discuss several aspects of the model notices as well as findings from the accompanying project report.

- **Amendments to Regulation E**

Members will discuss proposed amendments to Regulation E that would create an exception for certain small-dollar transactions from the requirement that terminal receipts be made available to consumers at the time of the transaction.

• **Check holding practices**

Members will discuss check holding guidelines and practices with a focus on issues related to fraudulent official checks, counterfeit cashier's checks and money orders.

Reports by committees and other matters initiated by Council members also may be discussed.

Persons wishing to submit views to the Council on any of the above topics may do so by sending written statements to Kyan Bishop, Secretary of the Consumer Advisory Council, Division of Consumer and Community Affairs, Board of Governors of the Federal Reserve System, Washington, D.C. 20551. Information about this meeting may be obtained from Ms. Bishop, 202-452-6470.

Board of Governors of the Federal Reserve System, February 13, 2007.

Jennifer J. Johnson

Secretary of the Board

BILLING CODE 6210-01-S

GENERAL SERVICES ADMINISTRATION

Public Building Service; Notice of Availability; Environmental Assessment and Finding of No Significant Impact

ACTION: Notice.

SUMMARY: The General Services Administration is publishing a Final Environmental Assessment (EA) and Finding of No Significant Impact (FONSI) for the proposed construction of a new commercial port of entry in San Luis, Arizona.

FOR FURTHER INFORMATION CONTACT: Mr. Morris Angell, Regional Environmental Quality Advisor (REQA), Capital Investment Branch, Portfolio Management Division, US General Services Administration, 450 Golden Gate Avenue, San Francisco, CA 94102, phone 415-522-3473, or email: morris.angell@gsa.gov.

SUPPLEMENTARY INFORMATION: The US Border Station at San Luis, Arizona is a full-service land port of entry (POE) where the Federal Government inspects privately-owned vehicles (POV), pedestrians, and commercial vehicles seeking to enter the United States.

Immediately to the south is the Mexican City of San Luis Rio Colorado, Sonora. An average of 180 commercial vehicles, 350 bicycles, 10,000 automobiles, and 11,000 pedestrians cross the border at this station every day. Since the POE was constructed in 1984, the population of the region has grown, illegal immigration and smuggling have become epidemic, inspection technology has significantly improved, law enforcement activities have increased, and trade policies have changed dramatically. Consequently, the existing facilities are overloaded and in need of repair, upgrades, and expansion.

The General Services Administration (GSA) proposes to relocate the existing commercial port of entry, currently in downtown San Luis, Arizona to a vacant former Bureau of Reclamation (BoR) property to the east of the City. Details of the Proposed Action are described in a NEPA document entitled *San Luis, Arizona Commercial Port of Entry Project Environmental Assessment* (U.S. Bureau of Reclamation 2000).

The BoR used the 2000 EA to support a previous FONSI which determined that Federal lands could be transferred to the Greater Yuma Port Authority (GYPA) for a new port of entry without any significant environmental impacts. Because the BoR EA included detailed descriptions of the affected area and the proposed facilities to be constructed the GSA has adopted the BoR's 2000 EA and FONSI in support of this FONSI regarding the impacts of constructing of the commercial POE.

This action includes mitigation measures to reduce impacts identified in the BoR EA to a level that is less than significant. The GYPA's commitments to implement these mitigation measures have also been included as conditions of the transfer of 80 acres of land within the project area to the General Service Administration (GSA) for the construction of the commercial POE. The original EA and BoR FONSI were published and circulated among responsible government agencies for a period of no less than 30 days. Comments received during circulation were considered by GSA in this final decision.

Finding

Pursuant to the provision of GSA Order ADM 1095.1F, the PBS NEPA Desk Guide, and the regulations issued by the Council of Environmental Quality, (40 CFR parts 1500 to 1508), this notice advises the public of our finding, that the action described above will not significantly affect the quality of the human environment.

Basis for Finding

The environmental impacts of constructing and operating the proposed facilities were considered in the Final EA and FONSI pursuant to the National Environmental Policy Act (NEPA) and the Council on Environmental Quality (CEQ) regulations implementing NEPA. The Final EA and FONSI are available for review at the San Luis Public Library, 731 N 1st Ave., San Luis, AZ 85349. The Final EA and FONSI can also be viewed on the GSA Web site at <http://www.gsa.gov/nepa>.

The build alternative will result in temporary construction impacts involving the air quality (dust) and noise, a minor loss of soil and vegetation, and potential stormwater pollution runoff from the site. To mitigate potential long-term impacts, GSA will implement the measures that are discussed in the Environmental Assessment and FONSI.

The Finding of No Significant Impact will become final thirty (30) days after the publication of this notice, provided that no information leading to a contrary finding is received or comes to light during this period.

Peter Stamison,

Regional Administrator, GSA Region 9.
