## **SECURITIES AND EXCHANGE COMMISSION**

[Release No. 34-57363; File No.-CHX-2007-21]

### **Self-Regulatory Organizations; Chicago Stock Exchange, Inc.; Notice of Filing of Proposed Rule Change, as Modified by Amendment No. 1, To Amend Rules Relating to Registration Requirements**

February 20, 2008.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on October 9, 2007, the Chicago Stock Exchange, Inc. ("CHX" or "Exchange"), filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been substantially prepared by CHX. On February 14, 2008, CHX filed Amendment No. 1 to the proposed rule change.<sup>3</sup> The Commission is publishing this notice to solicit comments on the proposed rule change, as amended, from interested persons.

#### **I. Self-Regulatory Organization's Statement of the Terms of the Substance of the Proposed Rule Change**

CHX proposes to amend its registration requirements to require CHX participants to use the Financial Industry Regulatory Authority, Inc.'s ("FINRA") Web Central Registration Depository ("Web CRD") to register associated persons who are required to register with the Exchange under CHX rules. The Exchange would also amend its Fees Schedule (the "Fee Schedule") to include fees that would be charged in connection with the use of Web CRD. The text of this proposed rule change is available at CHX, on the Exchange's Web site at <http://www.chx.com>, and in the Commission's Public Reference Room.

#### **II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

In its filing with the Commission, CHX included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. CHX has prepared

summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

#### *A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change*

##### **1. Purpose**

FINRA's Web CRD system is a centralized, web-based system used by securities exchanges and broker-dealers across the country to track registration and qualification information about firms and the individuals who work for those firms. The Exchange has entered into an agreement with FINRA to allow the Exchange's participants to use Web CRD to register certain of their associated persons. Through this proposal, the Exchange seeks to amend its registration rules and Fee Schedule: (a) To require Exchange participants to use Web CRD to register associated persons who are required to register with the Exchange under CHX rules; (b) to allow CHX to determine whether participants should submit fingerprints to CHX or to FINRA for processing during the registration process; and (c) to adopt new fees to cover charges assessed by FINRA for its work in processing fingerprints or the materials submitted through the Web CRD system. CHX would also delete a provision that requires firms to notify CHX of the termination of any non-registered, associated person's employment.<sup>4</sup>

The first part of this proposal would require CHX participants to use the Web CRD system to register certain of their associated persons.<sup>5</sup> Today, CHX participants that are not members of FINRA do not have access to the Web CRD system for registering their associated persons. Instead of using this on-line tool, those participants must handle their registration and continuing education processes manually, by filing paperwork with CHX. CHX staff must process and store this paperwork in hard copy form. To alleviate the need for manual processing and to ensure that other regulatory benefits are

<sup>4</sup> See Article 6, Rule 2, Interpretations and Policies .03. CHX believes that this requirement has become somewhat obsolete with CHX's move to its new trading model (and the elimination of its physical trading floor), because the requirement had, in effect, been largely focused on the employment status of clerks working on the Exchange's trading floor. Because the Exchange no longer has a physical trading floor, it is no longer as important to learn of the termination of a clerk's employment with a participant firm. Moreover, CHX regularly receives an updated list of a firm's associated persons when it conducts its annual examinations.

<sup>5</sup> See Proposed Article 6, Rule 2, Interpretations and Policies .01.

<sup>1</sup> 15 U.S.C. 78s(b)(1).

<sup>3</sup> Amendment No. 1 replaced and superseded the original filing in its entirety.

<sup>9</sup> 17 CFR 200.30-3(a)(12).

achieved, the Exchange believes that it is appropriate to require CHX participants to use Web CRD to register associated persons who are required to register with the Exchange under CHX rules.<sup>6</sup> Among other things, use of the Web CRD system would allow all information relating to the registration of associated persons to be compiled in one central repository for access by regulators and broker-dealers and would permit the automated tracking of a registered person's continuing education requirements, if any.

In addition, under this proposal, CHX participants would be required to submit any required fingerprints to either the Exchange or to FINRA for processing.<sup>7</sup> Under the Exchange's current rules, CHX participants submit fingerprints to the Exchange for processing.<sup>8</sup> Under the proposal, the Exchange would have the discretion to continue this process or to require its participants to submit fingerprint cards to FINRA for processing. The Exchange seeks this flexibility so that it can determine, from time to time, which fingerprint processing method is most efficient for the Exchange and for its participants.

Finally, because FINRA would assess charges to CHX participants for using the Web CRD system and for processing any fingerprints that are submitted, the Exchange also seeks to amend its Fee Schedule to include applicable registration, processing and termination fees, as well as various fingerprint charges.<sup>9</sup>

The Exchange anticipates that its participants would be able to begin

using Web CRD for registering associated persons in mid-March 2008 and plans to allow its participants to transition to the use of the Web CRD system over the course of a six to nine-month period.<sup>10</sup> At the end of this period, CHX participants would be required to use Web CRD for submitting any registration materials required by CHX rules.

## 2. Statutory Basis

CHX believes the proposal is consistent with the requirements of the Act and the rules and regulations thereunder that are applicable to a national securities exchange, and, in particular, with the requirements of Section 6(b) of the Act.<sup>11</sup> The proposed rule change is consistent with Section 6(b)(5) of the Act<sup>12</sup> because it would promote just and equitable principles of trade, remove impediments to, and perfect the mechanism of, a free and open market and a national market system, and, in general, protect investors and the public interest by permitting the Exchange to require CHX participant firms to register certain associated persons using FINRA's Web CRD system, a centralized database used by the securities exchanges and broker-dealers across the country to track registration and qualification information about firms and individuals who work for those firms. By requiring use of the Web CRD system, the Exchange's regulatory group, as well as the firms themselves, would be better able to determine whether a registrant has met applicable continuing education requirements. The Exchange also notes that it would be ensuring that other regulators can readily find information about disciplinary actions taken against CHX-only participants.

## B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition.

## C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received.

## III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding, or (ii) as to which the Exchange consents, the Commission will:

(A) By order approve such proposed rule change, or

(B) Institute proceedings to determine whether the proposed rule change should be disapproved.

## IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the

<sup>6</sup> Under CHX rules, a variety of persons, including, but not limited to, officers, partners, principal stockholders, and directors of a participant firm, must register with the Exchange, as well as any person acting as an institutional broker representative or as a market maker trader or any person listed on Schedules A, B or C of a participant firm's Form BD. See Article 6, Rule 2(b). These registration rules only apply to participant firms for which the Exchange is the designated examining authority and to registered persons of other participant firms where the registered persons act as institutional broker representatives or market maker traders on the Exchange. See Article 6, Rule 2, Interpretations and Policies .04.

<sup>7</sup> See Proposed Article 6, Rule 10, Interpretations and Policies .01.

<sup>8</sup> When the Exchange receives fingerprints, the Exchange processes them through the Federal Bureau of Investigation ("FBI"). The FBI retrieves criminal history information associated with those fingerprints and returns reports to the Exchange for review.

<sup>9</sup> These charges include an \$85 registration fee; a \$95 disclosure processing fee; a \$30 annual processing fee; and termination fees of \$40 and \$80. Fingerprint processing fees would be \$30.25 per card for an initial submission; \$13 per card for a second submission; and \$30.25 per card for a third submission. These fees reflect the charges assessed by FINRA for these services; CHX is not charging any additional fees of its own.

<sup>10</sup> The Exchange believes that this transition period is appropriate because each CHX participant firm that is not already a FINRA member will be required to enter a new Form U-4 into the Web CRD for each person associated with the firm that is required, by CHX rules, to register with the Exchange. The entry of this information could be time-consuming for some firms, and the Exchange believes it is appropriate to give firms an adequate period of time to complete this task before mandating the use of the Web CRD system.

## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-57366; File No. SR-DTC-2008-01]

### Self-Regulatory Organizations; The Depository Trust Company; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change Relating to Deliver Order Input Cutoff Window

February 21, 2008.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")<sup>1</sup> notice is hereby given that on January 10, 2008, The Depository Trust Company ("DTC") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared primarily by DTC. DTC filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act<sup>2</sup> and Rule 19b-4(f)(4) thereunder<sup>3</sup> so that the proposal was effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

DTC will modify its system to provide its participants with the option of submitting deliver orders ("DOs") from

8 p.m. to 11 p.m. during the night cycle.<sup>4</sup>

#### II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, DTC included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. DTC has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

##### A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change.

Currently, DTC's system does not allow participants to submit DOs after the night cycle input cutoff at 8 p.m. After the 8 p.m. cutoff, the next input time for participants to submit DOs is the day cycle, which begins at 3 a.m., the next business day.

DTC is extending the DO input time frame to 11 p.m. to provide its participants with additional flexibility to respond on a more timely basis to delivery receive orders that they may have received earlier in the night cycle and to do so at a reduced cost. DOs processed during the extended night cycle will be billed at DTC's current night DO fee of \$0.12. To take advantage of the expanded input window, participants will be required to use a new format.<sup>5</sup>

DTC states that the proposed rule change is consistent with the requirements of Section 17A of the Act<sup>6</sup> and the rules and regulations thereunder applicable to DTC as it allows for more efficient processing of certain transactions. Therefore, it will not adversely affect the safeguarding of funds or securities in DTC's custody and control or for which it is responsible.

##### B. Self-Regulatory Organization's Statement on Burden on Competition

DTC does not believe that the proposed rule change will have any impact or impose any burden on competition.

##### C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

DTC has not solicited or received written comments relating to the proposed rule change. DTC will notify the Commission of any written comments it receives.

#### III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective upon filing pursuant to Section 19(b)(3)(A)(iii) of the Act<sup>7</sup> and Rule 19b-4(f)(4)<sup>8</sup> thereunder because the proposed rule effects a change in an existing service of DTC that (i) does not adversely affect the safeguarding of securities or funds in the custody or control of DTC or for which it is responsible and (ii) does not significantly affect the respective rights or obligations of DTC or persons using the DO service. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in the furtherance of the purposes of the Act.

#### IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

##### Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>) or
- Send an e-mail to [rule-comment@sec.gov](mailto:rule-comment@sec.gov). Please include File No. SR-DTC-2008-01 on the subject line.

##### Paper Comments

- Send paper comments in triplicate to Nancy M. Morris, Secretary, Securities and Exchange Commission, 100 F Street, NE., Washington, DC 20549-1090.

All submissions should refer to File No. SR-DTC-2008-01. This file number should be included on the subject line if e-mail is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will
