

resources. Federal regulations allow for several related or similar proposals to be analyzed in one EIS (40 CFR 1502.4). Since each proposed lease sale and its projected activities are very similar each year for each planning area, a single EIS was prepared for the 11 WPA and Central Planning Area (CPA) lease sales scheduled in the proposed *OCS Oil and Gas Leasing Program: 2007–2012* (5-Year Program). The Multisale EIS addressed WPA Lease Sale 204 in 2007, Sale 207 in 2008, Sale 210 in 2009, Sale 215 in 2010, and Sale 218 in 2011; and CPA Lease Sale 205 in 2007, Sale 206 in 2008, Sale 208 in 2009, Sale 213 in 2010, Sale 216 in 2011, and Sale 222 in 2012. Although the Multisale EIS addresses 11 proposed lease sales, at the completion of the EIS process, Records of Decision were published in July and August 2007 for only proposed WPA Lease Sale 204 and proposed CPA Lease Sale 205, respectively. An additional NEPA review (an EA) was conducted for proposed Lease Sale 207 to address any new information relevant to the proposed lease sale. Additional NEPA reviews will also be conducted prior to decisions on each of the remaining proposed lease sales. The purpose of an EA for a lease sale is to determine whether to prepare a FONNSI or a Supplemental EIS. For each proposed lease sale, MMS prepares a Consistency Determination (CD) to determine whether the lease sale is consistent with each affected State's federally-approved coastal zone management program. Finally, MMS solicits comments via the Proposed Notice of Sale (PNOS) from the governors of the affected States on the size, timing, and location of the lease sale. The tentative schedule for the prelease decision process for Lease Sale 207 is as follows: CDs sent to affected States, March 2008; PNOS sent to governors of the affected States, March 2008; Final Notice of Sale published in the **Federal Register**, July 2008; and Lease Sale 207, August 2008.

Public Comments: Within 30 days of this Notice's publication, interested parties are requested to send comments on this EA/FONNSI. Comments may be submitted in one of the following two ways:

1. In written form enclosed in an envelope labeled "Comments on WPA Lease Sale 207 EA" and mailed (or hand carried) to the Regional Supervisor, Leasing and Environment (MS 5410), Minerals Management Service, Gulf of Mexico OCS Region, 1201 Elmwood Park Boulevard, New Orleans, Louisiana 70123–2394.

2. Electronically to the MMS e-mail address: environment@mms.gov.

All comments received will be considered in the decisionmaking process for proposed Lease Sale 207.
