SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-57530; File No. SR-OPRA-2008-01]

Options Price Reporting Authority; Notice of Filing of Proposed Amendment to the Plan for Reporting of Consolidated Options Last Sale Reports and Quotation Information To Adopt New Form of "Vendor Affiliate Agreement"

March 19, 2008.

Pursuant to Section 11A of the Securities Exchange Act of 1934 ("Act")¹ and Rule 608 thereunder,² notice is hereby given that on March 3, 2008, the Options Price Reporting Authority ("OPRA") submitted to the Securities and Exchange Commission ("Commission") an amendment to the Plan for Reporting of Consolidated Options Last Sale Reports and Quotation Information ("OPRA Plan").³

The proposed OPRA Plan amendment would adopt a new form of "Vendor Affiliate Agreement" that may be used by an affiliate of an OPRA "Vendor" that wants also to become a Vendor. OPRA's Fee Schedule would be modified to state that OPRA will waive its Redistribution Fee for all affiliates in a corporate family with which OPRA agrees to Vendor Affiliate Agreements. The Commission is publishing this notice to solicit comments from interested persons on the proposed OPRA Plan amendment.

I. Description and Purpose of the Amendment

The purpose of the proposed amendment to adopt a new form of "Vendor Affiliate Agreement" that may be used by an affiliate of an OPRA "Vendor" that wants to also become an OPRA "Vendor" and to specify in OPRA's Fee Schedule that OPRA will waive its "Redistribution Fee" for affiliates with which OPRA agrees to Vendor Affiliate Agreements.

OPRA's form of Vendor Agreement authorizes only the Vendor itself, and not any of its affiliates, to disseminate OPRA Data. As a matter of policy, OPRA has permitted Vendors to disseminate OPRA Data through wholly-owned subsidiaries. However, OPRA's policy has been not to permit Vendors to disseminate OPRA Data through other affiliates that have not themselves signed Vendor Agreements with OPRA. Many Vendors conduct business through corporate families, for a variety of reasons. OPRA requires each OPRA Vendor to pay a monthly "Redistribution Fee,"⁴ and OPRA has from time to time received requests to alleviate the financial consequence that OPRA's current policy imposes on some Vendor families.

Accordingly, OPRA is proposing to amend its Fee Schedule to provide that OPRA will waive its Redistribution Fee for Vendor affiliates that themselves become Vendors pursuant to "Vendor Affiliate Agreements," and is proposing to adopt a new form of "Vendor Affiliate Agreement." In effect, the form of Vendor Affiliate Agreement is a "short form" Vendor Agreement that can be

The OPRA Plan provides for the collection and dissemination of last sale and quotation information on options that are traded on the participant exchanges. The seven participants to the OPRA Plan are the American Stock Exchange LLC, the Boston Stock Exchange, Inc., the Chicago Board Options Exchange, Incorporated, the International Securities Exchange, LLC, the NYSE Arca, Inc., the Philadelphia Stock Exchange, Inc., and the NASDAQ Stock Market LLC.

⁴ OPRA's Redistribution Fee is currently \$650/month for "Internet service only" Vendors, and \$1,500/month for all other Vendors.

signed by an additional member of a Vendor's corporate family. The proposed form would require the additional member of a corporate family to acknowledge that it is subject to and bound by the terms of the "lead" Vendor's Vendor Agreement just as if it had signed the Agreement itself. The proposed form is designed so that it can be used by affiliates of a current OPRA Vendor without any need for the current Vendor to sign a new Vendor Agreement.⁵

The text of the proposed amendment to the OPRA Plan and the proposed changes to the OPRA Fee Schedule are available at OPRA, the Commission's Public Reference Room, and <http://opradata.com>.

II. Implementation of the OPRA Plan Amendment

OPRA will begin to use the proposed form of Vendor Affiliate Agreement upon its approval by the Commission pursuant to Section 11A of the Act⁶ and Rule 608(b)(1) thereunder.⁷

III. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed OPRA Plan amendment is consistent with the Act. Comments may be submitted by any of the following methods:

⁵ However, the current Vendor (or a new "lead" Vendor) would be required to identify its affiliate(s) that will sign Vendor Affiliate Agreements in its "Description of Vendor's Service"—Exhibit A to its Vendor Agreement—as in effect from time to time. The lead Vendor would also be required to describe the dissemination of OPRA Data by such affiliate(s) in its Exhibit A.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-57531; File No. SR-Amex-2008-24]

Self-Regulatory Organizations; American Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Additional Options Classes in the Options Penny Quoting Pilot Program

March 19, 2008.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on March 17, 2008, the American Stock Exchange LLC ("Amex" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been substantially prepared by the Amex. The Exchange has designated this

proposal as one constituting a stated policy, practice, or interpretation with respect to the meaning, administration, or enforcement of an existing rule under Section 19(b)(3)(A)(i) of the Act³ and Rule 19b-4(f)(1) thereunder,⁴ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

Amex proposes to identify the additional options classes that will be subject to the current pilot program for the quoting of options classes in pennies (the "Penny Quoting Pilot Program" or "Pilot Program").

The text of the proposed rule change is available on the Exchange's Web site (<http://www.amex.com>), at the Amex's Office of the Secretary, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Amex included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Amex has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Amex proposes to identify for market participants the additional options classes that will be included in the current Penny Quoting Pilot Program.⁵ The Exchange believes that this proposal is necessary in order to adequately notify market participants regarding the upcoming addition of options classes that will be included in the current Pilot Program.

The current Penny Quoting Pilot Program includes thirty-five (35)

options classes. As set forth in the September 2007 Order, the expansion of the Pilot Program is to occur in two (2) phases. Under the first phase, which began on September 28, 2007, the Exchange expanded the Pilot Program to include an additional twenty-two (22) options classes. These consisted of the most actively-traded options classes (excluding Google (GOOG), Nasdaq-100 Index (NDX) and the Russell 2000 Index (RUT)). The thirty-five (35) current options classes included in the Penny Quoting Pilot Program represent approximately 35% of total industry options volume.

The second phase, which is scheduled to commence on March 28, 2008, will add twenty-eight (28) additional option classes. The Commission in the September 2007 Order previously approved this expansion of twenty-eight additional options classes, however, at that time, the actual identity of the options classes to be included in the Pilot Program was undecided. Accordingly, the instant proposal identifies these twenty-eight (28) additional options classes for phase two of the Pilot Program. Attached as *Exhibit 2* to the filing is a draft Regulatory Circular setting forth the list of additional options classes to be included in the Pilot Program. The Pilot Program will then consist of sixty-three (63) options classes representing approximately 50% of total industry options volume.

The current Penny Quoting Pilot Program will terminate, unless extended, on March 27, 2009.

The Exchange continues to believe that the additional options classes that may quote in pennies under the Pilot Program is reasonable given the system capacity constraints and quote mitigation strategies in place at the Amex as well as the other options exchanges.

2. Statutory Basis

The proposed rule change is consistent with Section 6(b) of the Act⁶ in general and furthers the objectives of Section 6(b)(5),⁷ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. The Exchange believes that the identity of the additional options classes in this filing will provide market participants
