DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-5186-N-13]

Federal Property Suitable as Facilities To Assist the Homeless

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for possible use to assist the homeless.

FOR FURTHER INFORMATION CONTACT:

Kathy Ezzell, Department of Housing and Urban Development, 451 Seventh Street, SW., Room 7266, Washington, DC 20410; telephone (202) 708-1234; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 800-927-7588.

SUPPLEMENTARY INFORMATION: In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, suitable/to be excess, and

unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to John Hicks, Division of Property Management, Program Support Center, HHS, room 5B-17, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Mark Johnston at the address listed at the beginning of this Notice. Included in the request for review should be the property address

(including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (*i.e.*, acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: *Army*: Ms. Veronica Rines, Headquarters, Department of the Army, Office of the Assistant Chief of Staff for Installation Management, Attn: DAIM-ZS, Rm 8536, 2511 Jefferson Davis Hwy., Arlington, VA 22209; (703) 601-2545; *Air Force*: Ms. Kathryn Halvorson, Director, Air Force Real Property Agency, 1700 North Moore St., Suite 2300, Arlington, VA 22209-2802; (703) 696-5502; *Coast Guard*: Commandant, United States Coast Guard, Attn: Teresa Sheinberg, 2100 Second St., SW., Rm 6109, Washington, DC 20593-0001; (202) 267-6142; *Energy*: Mr. Mark Price, Department of Energy, Office of Engineering & Construction Management, MA-50, 1000 Independence Ave., SW., Washington, DC 20585; (202) 586-0072; *GSA*: Mr. John Smith, Deputy Assistant Commissioner, General Services Administration, Office of Property Disposal, 18th & F Streets, NW., Washington, DC 20405; (202) 501-0084; *Navy*: Mrs. Mary Arndt, Acting Director, Department of the Navy, Real Estate Services, Naval Facilities Engineering Command, Washington Navy Yard, 1322 Patterson Ave., SE., Suite 1000, Washington, DC 20374-5065; (202) 685-9305. I. Abstract

The Government Performance and Results Act of 1993 (GPRA) (Pub.L. 103-62) requires agencies to "improve Federal program effectiveness and public accountability by promoting a new focus on results, service quality, and customer satisfaction." To fulfill this responsibility, DOI bureaus and offices must collect data from their respective user groups to better understand the needs and desires of the public and to respond accordingly. Executive Order 12862 "Setting Customer Service Standards" also requires all executive departments to "survey customers to determine * * * their level of satisfaction with existing services." In addition, customer information helps us meet requirements of the Administration's Program Assessment Rating Tool (PART), the President's Management Agenda (PMA), and Interior's Citizen-Centered Customer Service Policy.

We use customer satisfaction surveys to help us fulfill our responsibilities to provide excellence in government by proactively consulting with those we

serve. This programmatic clearance provides an expedited approval process for DOI bureaus and offices to conduct customer research through external surveys such as questionnaires and comment cards.

The proposed renewal covers all of the organizational units and bureaus in DOI. Information obtained from customers by bureaus and offices will be provided voluntarily. No one survey will cover all the topic areas; rather, these topic areas serve as a guide within which the bureaus and offices will develop questions. Questions may be asked in languages other than English (e.g., Spanish) where appropriate. Topic areas include:

- (1) Delivery, quality and value of products, information, and services. Respondents may be asked for feedback regarding the following attributes of the information, service, and products provided:
 - (a) Timeliness.
 - (b) Consistency.
 - (c) Accuracy.
 - (d) Ease of Use and Usefulness.
 - (e) Ease of Information Access.
 - (f) Helpfulness.
 - (g) Quality.
 - (h) Value for fee paid for information/product/service.

(2) Management practices. This area covers questions relating to how well customers are satisfied with DOI management practices and processes, what improvements they might make to specific processes, and whether or not they feel specific issues were addressed and reconciled in a timely, courteous, and responsive manner.

(3) Mission management. We will ask customers to provide satisfaction data related to DOI's ability to protect, conserve, provide access to, provide scientific data about, and preserve natural, cultural, and recreational resources that we manage, and how well we are carrying out our trust responsibilities to American Indians.

(4) Rules, regulations, policies. This area focuses on obtaining feedback from customers regarding fairness, adequacy, and consistency in enforcing rules, regulations, and policies for which DOI is responsible. It will also help us understand public awareness of rules and regulations and whether or not they are explained in a clear and understandable manner.

(5) Interactions with DOI Personnel and Contractors. Questions will range from timeliness and quality of staff interactions to skill level of staff providing the assistance, as well as their courtesy and responsiveness during the interaction.
