

offset under 5 U.S.C. 5514 only. It does not supersede the finding by Peace Corps that a debt is owed and does not affect the Government's ability to recoup the debt through alternative collection methods under other appropriate methods.

§ 309.17 Procedures for salary offset.

Unless otherwise provided by statute or contract, the following procedures apply to salary offset:

(a) *Method.* Salary offset will be made by deduction at one or more officially established pay intervals from the current pay account of the employee without his or her consent.

(b) *Source.* The source of salary offset is current disposable pay.

(c) *Types of collection.* (1) *Lump sum payment.* Ordinarily debts will be collected by salary offset in one lump sum if possible. However, if the amount of the debt exceeds 15 percent of disposable pay for an officially established pay interval, the collection by salary offset must be made in installment deductions.

(2) *Installment deductions.* (i) The size of installment deductions must bear a reasonable relation to the size of the debt and the employee's ability to pay. If possible, the size of the deduction will be that necessary to liquidate the debt in no more than 1 year. However, the amount deducted for any period must not exceed 15 percent of the disposable pay from which the deduction is made, except as provided by other regulations or unless the employee has agreed in writing to greater amount.

(ii) Installment payments of less than \$25 per pay period will be accepted only in the most unusual circumstances.

(iii) Installment deductions will be made over a period of not greater than the anticipated period of employment.

§ 309.18 Voluntary repayment agreements as an alternative to salary offset.

(a) In response to a notice of intent, an employee may propose a written agreement to repay the debt as an alternative to salary offset. Any employee who wishes to repay a debt without salary offset shall submit in writing a proposed agreement to repay the debt. The proposal shall admit the existence of the debt and set forth a proposed repayment schedule. Any proposal under this paragraph must be received by the official designated in that notice within 20 calendar days after receipt of the notice of intent.

(b) When the Peace Corps is the creditor agency, in response to a timely proposal by the debtor the agency will notify the employee whether the

employee's proposed written agreement for repayment is acceptable. It is within the agency's discretion to accept a repayment agreement instead of proceeding by offset.

(c) If the Peace Corps decides that the proposed repayment agreement is unacceptable, the employee will have 15 calendar days from the date he or she received notice of the decision to file a petition for a review.

(d) If the Peace Corps decides that the proposed repayment agreement is acceptable, the alternative arrangement must be in writing and signed by both the employee and a designated agency official.

§ 309.19 Waiver.

(a) Under certain circumstances, employees may have a statutory right to request a waiver of indebtedness. When an employee makes a request under a statutory right, further collection will be stayed pending an administrative determination on the request.

(b) Waiver of indebtedness is an equitable remedy and as such must be based on an assessment of the facts involved in the individual case under consideration. The burden is on the employee to demonstrate that the applicable waiver standard has been met.

§ 309.20 Compromise.

Peace Corps may attempt to effect compromise in accordance with the standards set forth in the FCCS (31 CFR part 902).

§ 309.21 Suspension of collection.

Suspension of collection action shall be made in accordance with the standards set forth in the FCCS (31 CFR 903.1–903.2).

§ 309.22 Termination of collection.

Termination of collection action shall be made in accordance with the standards set forth in the FCCS (31 CFR 903.1 and 903.3–903.4).

§ 309.23 Discharge.

Once a debt has been closed out for accounting purposes and collection has been terminated, the debt is discharged. Peace Corps will report discharged debt as income to the debtor to the Internal Revenue Service per 26 U.S.C. 6050P and 26 CFR 1.6050P–1.

§ 309.24 Bankruptcy.

Peace Corps generally terminates collection activity on debts that have been discharged in bankruptcy unless otherwise provided for by bankruptcy law. The CFO will seek legal advice by the General Counsel's office if there is

the belief that any claims or offset may have survived the discharge of a debtor.

RIN 3095–AB57

[Docket NARA–08–0001]

Locations and Hours; Changes in NARA Research Room Hours

AGENCY: National Archives and Records Administration (NARA).

ACTION: Final rule; confirmation of interim rule.

SUMMARY: NARA is revising its regulations to increase the number of hours its archival research rooms are open in the Washington, DC, area. In response to an interim final rule published on February 1, 2008, we received 53 comments, which are discussed in the **SUPPLEMENTARY**

INFORMATION section of this preamble. This final rule document confirms without change to the rule the effective date of the regulation.

DATES: *Effective Date:* The interim rule amending published on February 1, 2008 (73 FR 6030), is adopted as a final rule, effective April 14, 2008.

FOR FURTHER INFORMATION CONTACT:

Nancy Allard at 301–837–1477 or Jennifer Davis Heaps at 301–837–1801 or via fax number 301–837–0319.

SUPPLEMENTARY INFORMATION: NARA published an interim final rule on February 1, 2008 (73 FR 6030) to restore extended evening and Saturday research room hours in its Washington, DC, area archival research rooms, effective April 14, 2008. The research rooms will be open from 9 a.m. to 5 p.m. on Monday, Tuesday, and Saturday. On Wednesday, Thursday, and Friday they will be open from 9 a.m. to 9 p.m.

We received 53 comments on the interim final rule from individuals and representatives of organizations, all supportive of the increased hours. While one comment expressed disappointment with the choice of evenings because the extended hours overlap with the Library of Congress, a number of comments specifically endorsed having three consecutive evenings and Saturday to maximize the cost-effectiveness of research room use by out-of-town researchers.

Seven comments requested that NARA provide additional “record pull times” for retrieving records from the stacks for use in the research rooms on Saturdays and, in one case, weekdays. As we noted in the interim final rule, we are restoring the late afternoon time for pulling records from the stacks on the three weekdays that we are open in the evening, but we have never had Saturday “pull” service. We recognize that this would be a useful service to researchers who only use the research rooms on Saturdays, but we are unable to adopt the suggestion. The FY 2008 appropriation that is permitting us to restore extended hours does not cover adding staff to provide this additional new service. As a result, the finding aids room is open but there is no archival consultation. It is these archival professionals who would be needed to ensure successful records pulls. Every records request slip submitted is checked for accurate pull information by an archivist or specialist. We also do not have the pull and refile manager or pull and refile technicians available on Saturdays.
