

*Estimated Total Annual Non-Hour Respondent Cost Burden (includes postage costs and filing fees):*

\$27,958,968. This collection has no operating or maintenance costs.

Applicants incur postage costs when submitting non-electronic information to the USPTO by mail through the United States Postal Service. The USPTO estimates that the majority of the paper forms are submitted to the

USPTO via first class mail. First class postage will increase to 42 cents effective May 12, 2008. Therefore, the USPTO estimates that the postage costs for this collection will be \$13,468.

#### **SUPPLEMENTARY INFORMATION:**

*Description:* In partnership with the Points of Light Foundation/Hands On Network, the Corporation for National and Community Service hosts an annual conference on volunteering. The conference encourages the volunteering community to share information and practices, learn new skills and establish relationships. Attendees include leaders from: nonprofits and civic infrastructures, academic institutions, businesses and government agencies.

As a part of learning the extent in which we reached these objectives, we would like to collect outcome data that reveals: How well the conference compares with past conferences; what improvements have been made; and what are some suggestions for the future.

We are particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the Corporation, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

- Propose ways to enhance the quality, utility, and clarity of the information to be collected; and
- Propose ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.
