Operating out of Greensboro, NC; Employed at Manufacturing Division Millen, GA; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance; Findings of the Investigation

In accordance with section 223 of the Trade Act of 1974 (19 U.S.C. 2273), and section 246 of the Trade Act of 1974 (26 U.S.C. 2813), as amended, the Department of labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance on June 15, 2007 applicable to workers of Jockey International, Inc., Manufacturing Division, Millen, Georgia. The notice was published in the **Federal Register** on June 28, 2007 (72 FR 33516).

At the request of the petitioner, the Department reviewed the certification for workers of the subject firm. New information shows that a worker separation has occurred involving an employee of the Millen, Georgia facility of Jockey International, Inc., paid and operating out of Greensboro, North Carolina. Mr. Harrison Thrasher provided safety services for the production of apparel cutting that is produced at the Millen, Georgia location of the subject firm.

Based on these findings, the Department is amending this certification to include an employee of the Greensboro, North Carolina office of Jockey International, Inc., located at the Millen, Georgia facility.

The intent of the Department's certification is to include all workers of Jockey International, Inc., Millen, Georgia, who were adversely affected by increased customer imports.

The amended notice applicable to TA-W-61,579 is hereby issued as follows:

All workers of Jockey International, Inc., Manufacturing Division, Millen, Georgia (TA-W-61,579), including an employee in support of Jockey International, Inc., Manufacturing Division, Millen, Georgia operating out of Greensboro, North Carolina

In accordance with section 223 of the Trade Act of 1974 (19 U.S.C. 2273), and section 246 of the Trade Act of 1974 (26 U.S.C. 2813), as amended, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance on March 14, 2008, applicable to workers of Johnson Rubber Company, including on-site leased workers from Ryan Temps and Champion Staffing, North Baltimore, Ohio and Middlefield, Ohio. The notice was published in the **Federal Register** on March 26, 2008 (73 FR 16063).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. The workers are engaged in the production of rubber automotive, industrial, marine and military parts.

New information shows that leased workers of SMI Professional, Tech Temps and Robert Half Management Resources were employed on-site at the North Baltimore, Ohio and Middlefield, Ohio locations of Johnson Rubber Company. subject firm to be considered leased workers.

Based on these findings, the Department is amending this certification to include leased workers of SMI Professional, Tech Temps and Robert Half Management Resources working on-site at the North Baltimore, Ohio and Middlefield, Ohio locations of the subject firm.
