Rural Business-Cooperative Service

Title: 7 CFR Part 1980–E, Business and Industry Loan Program.

OMB Control Number: 0570–0014.

Summary of Collection: Section 310B of the Consolidated Farm and Rural Development Act (Con Act), legislated in 1972 the Business and Industry (B&I) program. The purpose of the program is to improve, develop, or finance businesses, industries, and employment and improve the economic and environmental climate in rural communities, including pollution abatement and control. This purpose is achieved through bolstering the existing private credit structure by making direct loans, thereby providing lasting community benefits. The B&I program is administered by the Agency through Rural Development State and sub-State Offices serving the State.

7 CFR part 1980–E, in conjunction with 7 CFR part 1942–A, and other regulations, is currently used only for making B&I Direct Loans. 7 CFR part 1951–E is used for servicing B&I Direct and Community Facility loans. All reporting and recordkeeping burden estimates for making and servicing B&I Guaranteed Loans have been moved to the B&I Guaranteed Loan Program regulations, 7 CFR parts 4279–A and B and 4287–B. Consequently, only a fraction of the total reporting and recordkeeping burden for making and servicing B&I Direct Loans is reflected in this document.

Need and Use of the Information: RD will collect the minimum information needed from loan applicants and commercial lenders to make determinations regarding program eligibility, the current financial condition of a business and loan security as required by the Con Act. The majority of the information is collected only once and the agency monitors the progress of the business through the analysis of annual borrower financial statements and visits to the borrower.

Description of Respondents: Individuals or households; State, Local or Tribal Government.

This subpart contains regulations for servicing and liquidating loans made by RD, successor to the Farmers Home Administration under the Intermediary Relending Program to eligible intermediaries and applies to ultimate recipients and other involved parties.

Food and Nutrition Service

Title: National Universal Product Code (NUPC) Database.

OMB Control Number: 0584–NEW.

Summary of Collection: The Food and Nutrition Service (FNS) is authorized by the Child Nutrition and WIC Reauthorization Act of 2004–S.2507 to establish a “National Universal Product Code (NUPC) database for use by all State agencies carrying out the program.” The purpose of this new data collection process is to reduce the current burden on both manufacturers and WIC State agencies. In response to this mandate, FNS has developed a NUPC database to serve as an electronic national repository of Women, Infant, and Children (WIC) eligible foods that have been authorized or approved by FNS and/or WIC State agencies.

Need and Use of the Information: The NUPC database will help streamline the handling of product information for State agencies, retailer and manufacturers; allow more consistent oversight of WIC approved items; reduce the electronic processing needed by State agencies; standardize the way retailers obtain WIC UPC information; and make it easier for State agencies to begin using EBT processing by reducing the need to visit food retailer locations to gather UPC and other product information. The NUPC database will

allow manufacturers to submit product details to the central database for consideration by participating WIC State agencies when they approve products for use.

Agricultural Marketing Service

[Docket No. AMS-FV-08-0043; FV08-996-1 N]

Peanut Standards Board

AGENCY: Agricultural Marketing Service, USDA.

ACTION: Notice; request for nominations.

SUMMARY: The Farm Security and Rural Investment Act of 2002 requires the Secretary of Agriculture to establish a Peanut Standards Board (Board) for the purpose of advising the Secretary on quality and handling standards for domestically produced and imported peanuts. The initial Board was appointed by the Secretary and announced on December 5, 2002. USDA seeks nominations for individuals to be considered for selection as Board members for terms of office ending June 30, 2011. Selected nominees sought by this action would replace those six producer and industry representatives who are currently serving for the term of office that ends June 30, 2008. The Board consists of 18 members representing producers and industry representatives.

DATES: Written nominations must be received on or before July 17, 2008.

ADDRESSES: Nominations should be sent to Dawana J. Clark, Marketing Order Administration Branch, Fruit and Vegetable Programs, AMS, USDA, Unit 155, 4700 River Road, Riverdale, MD 20737; Telephone: (301) 734-5243; Fax: (301) 734-5275; E-mail: Dawana.Clark@usda.gov.

SUPPLEMENTARY INFORMATION: Section 1308 of the Farm Security and Rural Investment Act of 2002 (Farm Bill) requires the Secretary of Agriculture to establish a Peanut Standards Board (Board) for the purpose of advising the

Secretary regarding the establishment of quality and handling standards for all domestic and imported peanuts marketed in the United States. The Farm Bill requires the Secretary to consult with the Board before the Secretary establishes or changes quality and handling standards for peanuts.

The Farm Bill provides that the Board consist of 18 members, with three producers and three industry representatives from the States specified in each of the following producing regions: (a) Southeast (Alabama, Georgia, and Florida); (b) Southwest (Texas, Oklahoma, and New Mexico); and (c) Virginia/Carolina (Virginia and North Carolina).

For the initial appointments, the Farm Bill required the Secretary to stagger the terms of the members so that: (a) One producer member and peanut industry member from each peanut producing region serves a one-year term; (b) one producer member and peanut industry member from each peanut producing region serves a two-year term; and (c) one producer member and peanut industry member from each peanut producing region serves a three-year term. The term "peanut industry representatives" includes, but is not limited to, representatives of shellers, manufacturers, buying points, marketing associations and marketing cooperatives. The Farm Bill exempted the appointment of the Board from the requirements of the Federal Advisory Committee Act. The initial Board was appointed by the Secretary and announced on December 5, 2002.

USDA invites those individuals, organizations, and groups affiliated with the categories listed above to nominate individuals for membership on the Board. Nominees sought by this action would replace one producer and one industry member from each peanut producing region who served for the term of office that ends June 30, 2008. New members would serve for a 3-year term of office ending June 30, 2011.

Nominees should complete a Peanut Standards Board Background Information form and submit it to Mrs. Clark. Copies of this form may be obtained at the internet site: www.ams.usda.gov/fv (below the "See Also" section, select "More" then select "Peanut Quality Standards" and below "News" select Background Information Form), or from Mrs. Clark. USDA seeks a diverse group of members representing the peanut industry.

Equal opportunity practices will be followed in all appointments to the Board in accordance with USDA policies. To ensure that the recommendations of the Board have

taken into account the needs of the diverse groups within the peanut industry, membership shall include, to the extent practicable, individuals with demonstrated abilities to represent minorities, women, persons with disabilities, and limited resource agriculture producers.

Authority: 7 U.S.C. 7958.

Dated: June 11, 2008.
