Fresh Garlic from the People's Republic of China: Extension of Time Limit for the Preliminary Results of Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: August 4, 2008.

FOR FURTHER INFORMATION CONTACT: Scott Lindsay, AD/CVD Operations, Office 6, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington DC 20230; telephone: (202) 482-0780.

SUPPLEMENTARY INFORMATION:

Background

On December 27, 2007, the Department of Commerce ("Department") published a notice of initiation of an administrative review of fresh garlic from the People's Republic of China ("PRC"), covering the period November 1, 2006, through October 31, 2007. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 72 FR 73315 (December 27, 2007). On March 28, 2008, after receiving quantity and value and separate rate responses, the Department selected the mandatory respondents for this review. The preliminary results of this administrative review are currently due on August 1, 2008.

Extension of Time Limit for Preliminary Results

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), the Department shall issue preliminary results in an administrative review of an antidumping duty order within 245 days after the last day of the anniversary

month of the date of publication of the order. The Act further provides, however, that the Department may extend that 245-day period to 365 days if it is not practicable to complete the review within the foregoing time period. The Department finds that it is not practicable to complete the preliminary results by the current deadline of August 1, 2008. The Department has gathered and must analyze a significant amount of information pertaining to each company's corporate structure and ownership, sales practices, and manufacturing methods. Furthermore, this review involves the extraordinarily complicated intermediate input methodology issue. Therefore, the Department requires additional time to analyze the questionnaire responses and to issue supplemental questionnaires.

Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time limit for the preliminary results by 120 days until no later than December 1, 2008,¹ which is 367 days after the last day of the anniversary month of the date of publication of the order. Unless extended, the final results continue to be due 120 days after the publication of the preliminary results, pursuant to section 751(a)(3)(A) of the Act and section 351.213(h)(1) of the Department's regulations.

This notice is issued and published in accordance to sections 751(a)(1) and 777(i)(1) of the Act.

Dated: July 21, 2008.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

Notice of Preliminary Results of Antidumping Duty Administrative Review: Certain Individually Quick Frozen Red Raspberries from Chile

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce is conducting an administrative review

of the antidumping duty order on certain individually quick frozen (IQF) red raspberries from Chile. The period of review (POR) is July 1, 2006, through June 30, 2007. This review covers sales of IQF red raspberries by producer/exporter Sociedad Agroindustrial Valle Frio Ltda. We preliminarily find that, during the POR, sales of IQF red raspberries were not made below normal value. Interested parties are invited to comment on these preliminary results. We will issue the final results not later than 120 days from the date of publication of this notice.

EFFECTIVE DATE: August 4, 2008.

FOR FURTHER INFORMATION CONTACT:

Alexander Montoro or Nancy Decker, AD/CVD Operations, Office 1, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington DC 20230; telephone (202) 482-0238 and (202) 482-0196, respectively.

SUPPLEMENTARY INFORMATION:

Background

On July 9, 2002, the Department of Commerce (Department) published an antidumping duty order on certain IQF red raspberries from Chile. *See Notice of Antidumping Duty Order: IQF Red Raspberries From Chile*, 67 FR 45460 (July 9, 2002). On July 3, 2006, the Department published a notice of opportunity to request administrative review of this order. *See Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review*, 72 FR 36420 (July 3, 2007). On July 31, 2007, we received a request for review from Sociedad Agroindustrial Valle Frio Ltda. (Valle Frio).¹ On August 30, 2006, we initiated the fourth administrative review for Valle Frio. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 72 FR 48613 (Aug. 24, 2007). On September 17, 2007, the Department issued an antidumping questionnaire to Valle Frio. Valle Frio submitted its initial responses to the antidumping

questionnaire from October 2007 through November 2007.

On March 7, 2008, we requested that Valle Frio respond to the Constructed Value (CV) portion of the Department's questionnaire. For further discussion, see "Calculation of Normal Value Based on Constructed Value" section of this notice.

On March 21, 2008, the Department published in the **Federal Register** an extension of the time limit for the completion of the preliminary results of this review until no later than July 30, 2008, in accordance with section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213(h)(2). *See Certain Individually Quick Frozen Red Raspberries from Chile: Notice of Extension of Time Limit for Preliminary Results of Antidumping Duty Administrative Review*, 73 FR 15134 (Mar. 21, 2008).

On March 13, 2008, the Department issued a supplemental questionnaire to Valle Frio, and Valle Frio submitted its response on April 7, 2008. On April 1, 2008, Valle Frio submitted a response to Department's request for CV information. After analyzing these responses, we issued a second supplemental questionnaire to Valle Frio on June 13, 2008. We received a timely filed response on July 07, 2008.

Scope of the Order

The products covered by this order are imports of IQF whole or broken red raspberries from Chile, with or without the addition of sugar or syrup, regardless of variety, grade, size or horticulture method (e.g., organic or not), the size of the container in which packed, or the method of packing. The scope of the order excludes fresh red raspberries and block frozen red raspberries (i.e., puree, straight pack, juice stock, and juice concentrate).

The merchandise subject to this order is currently classifiable under subheading 0811.20.2020 of the Harmonized Tariff Schedule of the United States (HTSUS). Although the HTSUS subheading is provided for convenience and customs purposes, the written description of the merchandise under the order is dispositive.

Fair Value Comparisons

To determine whether sales of IQF red raspberries from Chile to the United States were made at less than normal value (NV), we compared export price (EP) to NV, as described in the "Export Price" and "Normal Value" sections of this notice. We note that we continue to have outstanding sales reconciliation issues with Valle Frio's responses. For purposes of calculating these

¹ 120 days from August 1, 2008, is November 29, 2008. However, Department practice dictates that where a deadline falls on a weekend, the appropriate deadline is the next business day. *See Notice of Clarification: Application of "Next Business Day" Rule for Administrative Determination Deadlines Pursuant to the Act*, 70 FR 24533 (May 10, 2005).

¹ In the third administrative review, the Department collapsed Valle Frio with its affiliated producer, Agrícola Framparque (Framparque). *See Memorandum to Susan Kuehbach, Director, "Collapsing of Sociedad Agroindustrial Valle Frio Ltda.,"* dated July 31, 2006. *See Notice of Preliminary Results of Antidumping Duty Administrative Review, Notice of Intent to Revoke in Part: Certain Individually Quick Frozen Red Raspberries from Chile* (unchanged in final) (Third Administrative Review of Raspberries from Chile), 71 FR 45000, 45001 (Aug. 8, 2006). There has been no change in the facts since then, so for the instant administrative review, we are treating Valle Frio and Framparque as a single entity.
