

companies will be the rates shown above; (2) for previously investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, or the LTFV investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 5.95 percent, the "all-others" rate established in the LTFV investigation. These deposit requirements shall remain in effect until further notice.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility, under 19 CFR 351.402(f)(2), to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

This notice serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

We are issuing and publishing these results of review in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: August 25, 2008.

Stephen J. Claeys,
Acting Assistant Secretary for Import Administration.

Appendix—Issues in Decision Memorandum

General Issues

1. Offsets for Negative Margins
2. Classification of U.S. Warehousing Expenses as Movement or Selling Expenses

Company-Specific Issues

Notice of Extension of Time Limit for Final Results of the Antidumping Duty Administrative Review: Glycine from the People's Republic of China

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: August 29, 2008.

FOR FURTHER INFORMATION CONTACT: Erin Begnal or Toni Dach, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-1442 and (202) 482-1655, respectively.

SUPPLEMENTARY INFORMATION:

Background

On April 4, 2008, the Department of Commerce ("the Department") published the preliminary results of the antidumping duty administrative review of glycine from the People's Republic of China, covering the period March 1, 2006, through February 28, 2007. See *Glycine from the People's Republic of China: Preliminary Results of Antidumping Duty Administrative Review and Partial Rescission*, 73 FR 18503 (April 4, 2008). On July 15, 2008, the Department published a notice extending the time limit for the final results of this review by 30 days. See *Notice of Extension of Time Limit for Final Results of the Antidumping Duty Administrative Review: Glycine from the People's Republic of China*, 73 FR 40480 (July 15, 2008).

Extension of Time Limits for Final Results

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), and section 351.213(h)(1) of the Department's regulations, the Department shall issue the preliminary results of an administrative review within 245 days after the last day of the anniversary month of the date of publication of the order. The Act and the regulations further provide that the Department shall issue the final results of review within 120 days after the date on which the notice of the preliminary results was published in the **Federal Register**. See section 751(a)(3)(A) of the Act and section 351.213(h)(1) of the Department's regulations. However, if the Department determines that it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act and section 351.213(h)(2) of the Department's regulations allow the Department to extend the 245-day period to 365 days and the 120-day period to 180 days.

On April 30, 2008, the Department extended the deadlines for parties to submit case briefs and rebuttal briefs. As a result of these extensions and to allow the Department additional time to analyze issues raised in the case briefs and rebuttal briefs, the Department has determined that it is not practicable to complete the administrative review within the current time limit.

Section 751(a)(3)(A) of the Act and section 351.213(h)(2) of the Department's regulations allow the Department to extend the deadline for the final results of a review to a maximum of 180 days from the date on which the notice of the preliminary results was published. For the reasons noted above, the Department is

extending the time limit for the completion of these final results by an additional 17 days, from the current deadline of September 2, 2008, until no later than September 19, 2008.

This notice is issued and published in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: August 25, 2008.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

Glycine from the People's Republic of China: Partial Rescission of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: In response to a request from petitioner GEO Specialty Chemicals, Inc. ("GEO"), the Department of Commerce ("the Department") initiated an administrative review of the antidumping duty order on glycine from the People's Republic of China ("PRC"). See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 73 FR 22337 (April 25, 2008). This administrative review covers the March 1, 2007, through February 29, 2008 period of review ("POR"). Due to the withdrawal of the request for the administrative review by GEO for 22 of the 24 companies for which it requested a review, we are now rescinding this review with respect to those 22 companies.

EFFECTIVE DATE: August 29, 2008.

FOR FURTHER INFORMATION CONTACT:

Dena Crossland or Stephen Bailey, AD/CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Room 7866, Washington, DC 20230; telephone: (202) 482–3362 or (202) 482–0193, respectively.

SUPPLEMENTARY INFORMATION:

Background

On March 29, 1995, the Department published in the **Federal Register** an antidumping duty order on glycine from the PRC. See Antidumping Duty Order:

Glycine from the People's Republic of China, 60 FR 16116 (March 29, 1995). On March 3, 2008, the Department published a notice of "Opportunity to Request an Administrative Review" of the antidumping duty order for the March 1, 2007, through February 29, 2008 POR. See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity To Request Administrative Review*, 73 FR 11389 (March 3, 2008). On March 28, 2008, petitioner requested that the Department conduct an administrative review of sales of merchandise by the following 24 companies: A.H.A. International Company, Ltd.; Amol Biotech Limited; Antai Bio-Tech Co. Limited; Baoding Mantong Fine Chemistry Co., Ltd.; Beijing Jian Li Pharmaceutical Company; Degussa Rexim (Nanning); Du-Hope International Group; Hua Yip Company Inc.; Hubei Guangji Pharmaceutical Co.; Huzhou New Century International Trade Co.; Jizhou City Huayang Chemical Company, Ltd.; Jiangxi Ansun Chemical Technology; Nantong Dongchang Chemical Industry Corp.; Nantong Weifu Foreign Trade Co., Ltd.; Pudong Trans USA, Inc.; Qingdao Samin Chemical Company, Ltd.; Santec Chemicals Corporation; Schenker China Ltd.; Shanghai Freeman Lifescience Co., Ltd.; Sinosweet Co., Ltd.; Suzhou Everich Imp. & Exp. Co., Ltd.; Taigene Global Enterprises Ltd.; Tianjin Tiancheng Pharmaceutical Co.; and Wenda Co., Ltd. In response to this request, the Department published the initiation of the antidumping duty administrative review on glycine from the PRC on April 25, 2008. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 73 FR 22337 (April 25, 2008).

On July 21, 2008, petitioner timely withdrew its request for review for all companies except Baoding Mantong Fine Chemistry Co., Ltd. ("Baoding") and Nantong Dongchang Chemical Industry Corp. ("Nantong").

Partial Rescission of the Administrative Review

Pursuant to 19 CFR § 351.213(d)(1), the Secretary will rescind an administrative review under this section, in whole or in part, if a party that requested a review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review. The Secretary may extend this time limit if the Secretary decides that it is reasonable to do so. See 19 CFR § 351.213(d)(1). Petitioner

withdrew its requests for review for all companies except Baoding and Nantong within the 90-day time limit. No other company had requested a review of these companies. Therefore, in response to the withdrawal of requests for administrative reviews by petitioner, the Department hereby rescinds the administrative review of the antidumping duty order on glycine from the PRC for the period March 1, 2007, through February 29, 2008, for A.H.A. International Company, Ltd.; Amol Biotech Limited; Antai Bio-Tech Co. Limited; Beijing Jian Li Pharmaceutical Coompany; Degussa Rexim (Nanning); Du-Hope International Group; Hua Yip Company Inc.; Hubei Guangji Pharmaceutical Co.; Huzhou New Century International Trade Co.; Jizhou City Huayang Chemical Company, Ltd.; Jiangxi Ansun Chemical Technology; Nantong Weifu Foreign Trade Co., Ltd.; Pudong Trans USA, Inc.; Qingdao Samin Chemical Company, Ltd.; Santec Chemicals Corporation; Schenker China Ltd.; Shanghai Freeman Lifescience Co., Ltd.; Sinosweet Co., Ltd.; Suzhou Everich Imp. & Exp. Co., Ltd.; Taigene Global Enterprises Ltd.; Tianjin Tiancheng Pharmaceutical Co.; and Wenda Co., Ltd. Because those companies for which we are rescinding this review do not have separate rates at this time (and thus remain part of the PRC-wide entity), the Department will issue assessment instructions upon the completion of this administrative review.

This notice serves as a reminder to parties subject to administrative protective order ("APO") of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR § 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

This notice is published in accordance with section 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR § 351.213(d)(4).

Dated: August 25, 2008.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.
