DEPARTMENT OF EDUCATION

Notice of Proposed Information Collection Requests

AGENCY: Department of Education.

SUMMARY: The IC Clearance Official, Regulatory Information Management Services, Office of Management, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before November 10, 2008.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the

information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The IC Clearance Official, Regulatory Information Management Services, Office of Management, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

Dated: September 4, 2008.

SUPPLEMENTARY INFORMATION:

Background

CMI is a Delaware corporation with its principal place of business in Houston, Texas. CMI is a wholly-owned subsidiary of Cheniere Energy, Inc. (Cheniere Energy), which is also a Delaware corporation with its primary place of business in Houston, Texas. Cheniere Energy is a developer of LNG import terminals and natural gas pipelines on the U.S. Gulf Coast.

The Federal Energy Regulatory Commission (FERC) has authorized Sabine Pass LNG, L.P. to site, construct, and operate a new LNG import, storage, and vaporization terminal in Cameron Parish, Louisiana with a total send-out capacity of 4 Bcf/day to be completed in two phases.¹ CMI states that Phase I consists of 2.6 Bcf/day of send-out capacity that is due to be placed into service in the near term; however, 2.0 Bcf/day of the Phase I capacity is subscribed under long-term contracts for service that is not expected to commence until April 2009, at the earliest. Phase II, consisting of 1.4 Bcf/day of capacity, is currently under construction and is anticipated to be
