under this program to cover the difference between the HUD-approved operating costs of the project and the tenant's contribution toward rent (30 percent of their adjusted monthly income). The Demonstration Program application submission requirements are necessary to assist HUD in determining an applicant's eligibility and ability to develop and operate housing for intergenerational families.

New collections would include the need for supportive housing for the target population in the area to be served, site control and suitability of the site, and adequacy of the provision of supportive services and of the proposed project; and general application requirements, certifications and resolutions.
