Petitioners were the only party to request a review of these companies.

Partial Rescission

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if a party who requested the review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review, and the Secretary may extend this time limit if it is reasonable to do so. The deadline to withdraw administrative review requests made by the original requesting parties was September 2, 2008. On August 29, 2008, Petitioners requested that the Department extend this deadline. On August 29, 2008, the Department granted a three day extension to September 5, 2008. See Letter to All Interested Parties (August 29, 2008). On September 4, 2008, Petitioners requested an additional extension to the September 5, 2008 deadline. On September 4, 2008, the Department granted an 11-day extension to September 16, 2008. *See Letter to All Interested Parties* (September 4, 2008). On September 16, 2008, Petitioners requested withdrawal of their requests for administrative review of the 19 companies listed above. Because Petitioners' withdrawal of requests for review is timely and because no other

party requested a review of the aforementioned companies, in accordance with 19 CFR 351.213(d)(1), we are rescinding this review with respect to the above-listed companies.

Assessment Rates

The Department will instruct U.S. Customs and Border Protection ("CBP") to assess antidumping duties on all appropriate entries. For those companies for which this review has been rescinded and which have a separate rate, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(2). The Department intends to issue appropriate assessment instructions directly to CBP 15 days after publication of this notice.

Notification to Importers

This notice serves as a final reminder to importers for whom this review is being rescinded, as of the publication date of this notice, of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification Regarding Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective orders ("APO") of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with section 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: September 25, 2008.

Large Newspaper Printing Presses and Components Thereof, Whether Assembled or Unassembled, from Japan: Resumption of Reconsideration of Sunset Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: SEPTEMBER 22, 2008.

FOR FURTHER INFORMATION CONTACT: David Goldberger or Kate Johnson, AD/CVD Operations, Office 2, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street & Constitution Avenue, NW, Washington, DC, 20230; telephone: 202-482-4136, or 202-482-4929, respectively.

Resumption of Reconsideration of Sunset Review

On April 13, 2006, the Department of Commerce (the Department) published the notice of initiation of the reconsideration of the sunset review of the antidumping duty order on large newspaper printing presses and components thereof, whether assembled or unassembled (LNPP), from Japan. *See Large Newspaper Printing Presses and Components Thereof, Whether Assembled or Unassembled, From Japan: Reconsideration of Sunset Review*, 71 FR 19164 (April 13, 2006). This review was initiated to reconsider the sunset review of the antidumping duty order on LNPP from Japan, which resulted in the revocation of that antidumping duty order. *See Large Newspaper Printing Presses and Components Thereof, Whether Assembled or Unassembled, from Japan (A-588-837) and Germany (A-428-821): Notice of Final Results of Five-year Sunset Reviews and Revocation of Antidumping Duty Orders*, 67 FR 8522 (February 25, 2002). The Department published its preliminary results in the reconsideration of sunset review on November 6, 2006. *See Large Newspaper Printing Presses and Components Thereof, Whether Assembled or Unassembled, from Japan: Preliminary Results of Reconsideration*

of *Sunset Review*, 71 FR 64927 (November 6, 2006).

On January 24, 2007, the Court of International Trade (CIT) issued its decision in *Tokyo Kikai Seisakusho, Ltd. v. United States*, 473 F. Supp. 2d 1349, 1364 (Ct. Int'l Trade 2007), and ordered the Department to "discontinue any action in regard to a reconsideration" of the sunset review. In accordance with that decision, the Department discontinued action with respect to its reconsideration of the sunset review. See *Large Newspaper Printing Presses and Components Thereof, Whether Assembled or Unassembled, from Japan: Discontinuation of Reconsideration of Sunset Review*, 72 FR 9730 (March 5, 2007).

On June 17, 2008, the Court of Appeals for the Federal Circuit (CAFC) reversed the CIT's decision directing the Department to discontinue its sunset review reconsideration. The CAFC held that the issue was not ripe for judicial review and that the CIT erred in finding that the Department's stated intention to reopen the sunset review proceeding (in the context of the changed circumstances review final results) was final agency action. See *Tokyo Kikai Seisakusho, Ltd. v. United States*, 529 F.3d 1352 (Fed. Cir. 2008). Accordingly, the Department is resuming its reconsideration of the sunset review.

Prior to the CIT's discontinuation order issued on January 24, 2007, the final results of this review were due by March 9, 2007, or 45 days from that date. The Department was advised by the Department of Justice on September 22, 2008, that it may resume this review. Accordingly, the Department intends to issue its final results for this review no later than 45 days following its resumption of the review, i.e., by November 6, 2008.

Dated: September 25, 2008.

Stephen J. Claeys,
Acting Assistant Secretary for Import Administration.
