

Assistance Act, 42 U.S.C. 5121–5207 (the Stafford Act), in a letter to R. David Paulison, Administrator, Federal Emergency Management Agency, Department of Homeland Security, as follows:

I have determined that the damage in certain areas of Louisiana, resulting from Hurricane Ike beginning on September 11, 2008, and continuing, is of sufficient severity and magnitude that special conditions are warranted regarding the cost-sharing arrangement concerning Federal funds provided under the Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. 5121–5207 (the Stafford Act).

Therefore, I amend my previous declaration of September 13, 2008, and authorize Federal funds for assistance for debris removal and emergency protective measures (Categories A and B), including direct Federal assistance, under the Public Assistance program, at 100 percent of the total eligible costs for a 44-day period retroactive to the date of the major disaster declaration.

This adjustment to State and local cost sharing applies only to Public Assistance costs and direct Federal assistance eligible for such adjustments under the law. The law specifically prohibits a similar adjustment for funds provided to States for Other Needs Assistance (Section 408) and the Hazard Mitigation Grant Program (Section 404). These funds will continue to be reimbursed at 75 percent of total eligible costs.

This cost share is effective as of the date of the President's major disaster declaration. (The following Catalog of Federal Domestic Assistance Numbers (CFDA) are to be used for reporting and drawing funds: 97.030, Community Disaster Loans; 97.031, Cora Brown Fund; 97.032, Crisis Counseling; 97.033, Disaster Legal Services; 97.034, Disaster Unemployment Assistance (DUA); 97.046, Fire Management Assistance Grant; 97.048, Disaster Housing Assistance to Individuals and Households In Presidential Declared Disaster Areas; 97.049, Presidential Declared Disaster Assistance—Disaster Housing Operations for Individuals and Households; 97.050 Presidential Declared Disaster Assistance to Individuals and Households—Other Needs; 97.036, Disaster Grants—Public Assistance (Presidentially Declared Disasters); 97.039, Hazard Mitigation Grant.)
