DEPARTMENT OF LABOR

Bureau of Labor Statistics

Comment Request

ACTION: Notice of solicitation of comments.

SUMMARY: The Department of Labor through the Bureau of Labor Statistics (BLS) is responsible for the development and publication of occupational employment projections and related career information, including the education or training requirements for detailed occupations. These requirements are identified and estimated using one of two different systems developed by the Employment Projections program and are published in the Occupational Projections and Training Data bulletin and in a searchable database on the Employment Projections web site. Presenting data using two different systems has led to some confusion among customers of the Employment Projections program about which system to use and how to use them. BLS is currently soliciting comments on a proposal to revise the two systems into one integrated system.

DATES: Written comments must be submitted to the office listed in the **ADDRESSES** section of this notice on or before December 18, 2008.

ADDRESSES: Send comments to Roger Moncarz, Office of Occupational Statistics and Employment Projections, Bureau of Labor Statistics, Room 2135, 2 Massachusetts Avenue, NE., Washington, DC 20212 or by e-mail to: educfeedback@bls.gov.
