

Low altitude RNAV routes are published in paragraph 6011 of FAA Order 7400.9R signed August 15, 2007 and effective September 15, 2007, which is incorporated by reference in 14 CFR 71.1. The low altitude RNAV routes listed in this document would be published subsequently in the Order.

The FAA has determined that this proposed regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. Therefore, this proposed regulation: (1) Is not a "significant regulatory action" under Executive Order 12866; (2) is not a "significant rule" under Department of Transportation (DOT) Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a regulatory evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this proposed rule, when promulgated, will not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

The FAA's authority to issue rules regarding aviation safety is found in Title 49 of the United States Code. Subtitle I, Section 106 describes the authority of the FAA Administrator. Subtitle VII, Aviation Programs, describes in more detail the scope of the agency's authority.

This rulemaking is promulgated under the authority described in Subtitle VII, Part A, Subpart I, Section 40103. Under that section, the FAA is charged with prescribing regulations to assign the use of the airspace necessary to ensure the safety of aircraft and the efficient use of airspace. This regulation is within the scope of that authority as it establishes RNAV T-Routes in Southwest Oregon.

Environmental Review

The FAA has determined that this action qualifies for categorical exclusion under the National Environmental Policy Act in accordance with FAA Order 1050.1E, "Environmental Impacts: Policies and Procedures," paragraph 311a, 311b, and 311k. This airspace action is not expected to cause any potentially significant environmental impacts, and no extraordinary circumstances exist that warrant preparation of an environmental assessment.

The Proposed Amendment

In consideration of the foregoing, the Federal Aviation Administration proposes to amend 14 CFR part 71 as follows:

2. The incorporation by reference in 14 CFR 71.1 of FAA Order 7400.9R, Airspace Designations and Reporting Points, signed August 15, 2007 and effective September 15, 2007, is amended as follows:

BILLING CODE 4910-13-P

EXECUTIVE OFFICE OF THE PRESIDENT

Office of the United States Trade Representative

15 CFR Part 2004

Freedom of Information Act

AGENCY: Office of the United States Trade Representative, Executive Office of the President.

ACTION: Proposed rule.

SUMMARY: The Office of the United States Trade Representative (USTR) is issuing a proposed rule to update its Freedom of Information Act regulations. USTR's last made changes to its FOIA regulations in 1975. Since that time the information relating to USTR has changed and there have been several

changes to the Freedom of Information Act, which needed to be reflected in the regulations.

DATES: Public comments on this proposed rule are invited and must be received on or before Wednesday, April 14, 2008.

ADDRESSES: Comments should be submitted electronically to Gloria Blue at FR0804@ustr.eop.gov and should contain in the subject-line "Attn: Freedom of Information Act Rules".

FOR FURTHER INFORMATION CONTACT: David Apol, USTR, telephone (202) 395-9633, Fax (202) 395-3640.

SUPPLEMENTARY INFORMATION: USTR last made changes to its FOIA regulations in 1975. 40 FR 30934, July 24, 1975. The current regulations are published at 15 CFR part 2004 and are available on USTR's Web site at <http://www.ustr.gov>.

Since that time, pertinent information relating to USTR has changed and USTR has made changes in the way it implements the FOIA. In addition, Executive Order 13392 mandated changes in federal agency FOIA practices to ensure prompt and effective response to the public's requests for information. 70 FR 75373, Dec. 19, 2005. Finally, Public Law 110-175, the OPEN Government Act of 2007, amended the definition of "representative of the news media" and made other changes to the Freedom of Information Act.

In response to Executive Order 13392, USTR created a FOIA plan requiring it to revise its FOIA regulations and to improve the efficiency of information disclosure under the FOIA. The proposed rule will update USTR's FOIA regulations to provide current information about USTR and will more accurately reflect its FOIA practices. Further, the proposed rule will also bring USTR's fee structure into conformity with the Office of Management and Budget's (OMB's) Uniform Freedom of Information Act Fee Schedule and Guidelines, 52 FR 10012, Mar. 27, 1987. The proposed rule also incorporates changes made by the OPEN Government Act of 2007.

Executive Order 12866

The United States Trade Representative certifies that the proposed rule is not significant for purposes of Executive Order 12866, 58 FR 51735, Oct. 4, 1993. Therefore, OMB has not reviewed the proposed rule under that Executive Order.

Regulatory Flexibility Act

The United States Trade Representative certifies that this proposed rule is not subject to the

Regulatory Flexibility Act, 5 U.S.C. 601, because it will not have a significant economic impact on a substantial number of small entities. For this reason, USTR has not prepared a Regulatory Flexibility Statement and Analysis.

Paperwork Reduction Act

The United States Trade Representative certifies that the Paperwork Reduction Act, 44 U.S.C. 3501 *et seq.*, does not apply because the proposed rule does not seek to collect information. Therefore, it does not require OMB approval.

For the reasons stated in the preamble, USTR proposes to revise 15 CFR Part 2004 as follows:

Organization

§ 2004.1 In general.

This information is furnished for the guidance of the public and in compliance with the requirements of the Freedom of Information Act, 5 U.S.C. 552, as amended (FOIA). This regulation should be read in conjunction with the FOIA.

§ 2004.2 Authority and functions.

The Office of the United States Trade Representative (USTR) negotiates directly with foreign governments to conclude trade agreements, resolve trade disputes, and participate in global trade policy organizations. USTR consults with governments, business groups, legislators, and public interest groups to obtain their views on trade issues and explain the President's trade policy positions. The general functions of USTR, as provided by statute, are to develop and coordinate international trade and direct investment policy,

advise and assist the President, represent the United States in international trade negotiations, and provide policy guidance to federal agencies on international trade matters. The United States Trade Representative, a cabinet officer, serves as a Vice Chairman of the Overseas Private Investment Corporation, a Board member of the Millennium Challenge Corporation, a non-voting member of the Export-Import Bank, and a member of the National Advisory Council on International Monetary and Financial Policies.

§ 2004.3 Organization.

USTR's main office is located in Washington, DC. It also maintains a mission in Geneva, Switzerland.

Procedures

§ 2004.4 Availability of records.

USTR's publicly accessible records are available through USTR's public reading room or its Web site. USTR also provides records to individual requesters in response to FOIA requests. USTR generally withholds predecisional, deliberative documents and classified trade negotiating and policy documents under 5 U.S.C. 552(b).

§ 2004.5 Accessing records without request.

(a) *Public reading room.* USTR maintains and makes available for public inspection and copying USTR records pertaining to matters within the scope of 5 U.S.C. 552(a)(2), as amended. Most records in USTR's public reading room comprise responses to **Federal Register** notices that USTR has issued. USTR's public reading room is located at 1724 F Street, NW., Washington, DC. Access to the reading room is by appointment only. Contact USTR's FOIA Officer at (202) 395-6186 to set up an appointment.

(b) *Electronic resources.* Certain USTR records, including press releases and other public issuances, are available electronically from USTR's homepage at <http://www.ustr.gov>. USTR encourages requesters to visit its Web site before making a request for records under § 2004.6.

§ 2004.6 Requesting records.

(a) *Written requests required.* For records not available as described under § 2004.5, requesters wishing to obtain information from USTR must submit a written request to USTR's FOIA Officer. Requests should be addressed to FOIA Officer, Office of the United States Trade Representative, 600 17th Street NW., Washington, DC 20508. As there may be delays in mail delivery, it is

advisable to send request via facsimile to (202) 395-9458.

(b) *Contents of requests.* Requests shall be as specific as possible and shall reasonably describe the records sought so that the records can be located with a reasonable amount of effort. The request should identify the desired record or reasonably describe it and should include information such as the date, title or name, author, recipient, and subject matter of the record.

(c) *Response to requests—(1) Processing.* The FOIA Officer shall ordinarily determine within 20 days (except Saturdays, Sundays, and federal holidays) after receiving a request for records, whether it is appropriate to grant or deny the request. The 20-day period may be tolled one time if the FOIA Officer requests information from the requestor or if additional time is necessary to clarify issues with the requestor regarding a fee assessment.

(i) *Request granted.* If the FOIA Officer decides to grant the request, the FOIA Officer shall promptly provide the requester written notice of the decision. The FOIA Officer shall normally include with the notice both the requested records and a copy of the decision.

(ii) *Request denied.* If the FOIA Officer denies the request, in full or part, the FOIA Officer shall provide the requester written notice of the denial together with the approximate number of pages of information withheld and the exemption under which the information was withheld. The notice shall also describe the procedure for filing an appeal.

(2)(i) *Expedited processing.* At the time a requester submits an initial request for records the requester may ask the FOIA Officer in writing to expedite processing of the request. The request for expedited processing must be accompanied by a written statement, true and correct to the best of the requester's knowledge and belief, explaining why expedited processing is warranted. The FOIA Officer shall generally grant requests for expedited processing of requests for records, and appeals of denials under paragraph (d)(2) of this section, whenever the FOIA Officer determines that:

(A) Failure to obtain the requested records on an expedited basis could reasonably pose an imminent threat to a person's life or physical safety; or

(B) With respect to a request made by a person primarily engaged in disseminating information, there is an urgency to inform the public about government activity that is the specific subject of the FOIA request.

(ii) The FOIA Officer shall ordinarily decide within ten days after receiving a request for expedited processing whether to grant it and shall notify the requester of the decision. If the FOIA Officer grants a request for expedited processing, the FOIA Officer shall process the request as soon as practicable. If the FOIA Officer denies a request for expedited processing, USTR shall act expeditiously on any appeal of the denial.

(3) *Extension for unusual circumstances*—(i) *In general.* If the FOIA Officer determines that unusual circumstances exist, the FOIA Officer may extend for no more than ten days (except Saturdays, Sundays, and federal holidays) the time limits described in paragraph (1) of this section by providing written notice of the extension to the requester. The FOIA Officer shall include with the notice a brief statement of the reason for the extension and the date the FOIA Officer expects to make the determination.

(ii) *Additional procedures.* The FOIA Officer shall provide written notice to the requester if the FOIA Officer decides that the determination cannot be made within the time limit described in subparagraph (i). The notice shall afford the requester an opportunity to limit the scope of the request to the extent necessary for the FOIA Officer to process it within that time limit or an opportunity to arrange a longer period for processing the request.

(d) *Appeals*—(1) *Initiating appeals.* Requesters not satisfied with the FOIA Officer's written decision may request USTR's FOIA Appeals Committee to review the decision. Appeals must be delivered in writing within 60 days of the date of the decision and shall be addressed to the FOIA Appeals Committee, Office of the United States Trade Representative, 600 17th Street, NW., Washington, DC 20508. As there may be delays in mail delivery, it is advisable to FAX appeals to (202) 395-9458. An appeal shall include a statement specifying the records that are the subject of the appeal and explaining why the Committee should sustain the appeal.

(2) *Appeal decisions.* The Committee shall ordinarily decide the appeal within 20 working days from the date it receives the appeal. If the Committee denies the appeal in full or part, the Committee shall promptly notify the requester in writing of the Committee's decision and the provisions for judicial review. If the Committee sustains the appeal, the FOIA Officer shall notify the requester in writing and shall make available to the requester copies of the releasable records once the requester

pays any fees that USTR assesses under §§ 2004.8 through 2004.10.

Costs

§ 2004.7 Definitions.

For purposes of these regulations:

(a) "Commercial use request" means a request from or on behalf of a person who seeks information for a use or purpose that furthers the requester's or other person's commercial, trade, or profit interests.

(b) "Direct costs" means those costs incurred in searching for and duplicating (and, in the case of commercial use requests, reviewing) documents to respond to a FOIA request. Direct costs include, for example, salaries of employees who perform the work and costs of conducting large-scale computer searches.

(c) "Duplicate" means to copy records to respond to a FOIA request. Copies can take the form of paper, audio-visual materials, or electronic records, among others.

(d) "Educational institution" means a preschool, a public or private elementary or secondary school, an institution of graduate higher education, an institution of undergraduate higher education, an institution of professional education, and an institution of vocational education, that operates a program or programs of scholarly research.

(e) "Non-commercial scientific institution" means an institution that is not operated on a commercial basis and that operates solely for the purpose of conducting scientific research the results of which are not intended to promote any particular product or industry.

(f) "Representative of the news media" means any person or entity that gathers information of potential interest to a segment of the public, uses its editorial skills to turn the raw materials into a distinct work, and distributes that work to an audience.

(g) "Review" means to examine a record to determine whether any portion of the record may be withheld and to process a record for disclosure, including by redacting it.

(h) "Search for" means look for and retrieve records covered by a FOIA request, including by looking page-by-page or line-by-line to identify responsive material within individual records.

§ 2004.8 Fees in general.

USTR shall charge fees that recoup the full allowable direct costs it incurs in responding to FOIA requests. USTR may assess charges for time spent

searching for records even if USTR fails to locate the records or if the records are located and determined to be exempt from disclosure. In general, USTR shall apply the following fee schedule, subject to §§ 2004.9 through 2004.11:

(a) *Manual searches.* Time devoted to manual searches shall be charged on the basis of the salary of the employee(s) conducting the search (basic hourly rate(s) of pay for the employee(s), plus 16 percent).

(b) *Electronic searches.* Fees shall reflect the direct cost of conducting the search. This will include the cost of operating the central processing unit for that portion of operating time that is directly attributable to searching for and printing records responsive to the FOIA request and operator/programmer salary attributable to the search.

(c) *Record reviews.* Time devoted to reviewing records shall be charged on the same basis as under paragraph (a) of this section, but shall only be applicable to the initial review of records located in response to commercial use requests.

(d) *Duplication.* Fees for copying paper records or for printing electronic records shall be assessed at a rate of \$.15 per page. For other types of copies such as disks or audio visual tapes, USTR shall charge the direct cost of producing the document(s). If duplication charges are expected to exceed \$25, the FOIA Officer shall notify the requester, unless the requester has indicated in advance a willingness to pay fees as high as those anticipated. If a requester wishes to limit costs, the FOIA Officer shall provide the requester an opportunity to reformulate the request in order to reduce costs. If the requester reformulates a request, it shall be considered a new request and the 20-day period described in § 2004.6(c)(1) shall be deemed to begin when the FOIA Officer receives the request.

(e) *Advance payments required.* The FOIA Officer may require a requester to make an advance deposit of up to the amount of the entire anticipated fee before the FOIA Officer begins to process the request if:

(1) The FOIA Officer estimates that the fee will exceed \$250; or

(2) The requester has previously failed to pay a fee in a timely fashion.

When the FOIA Officer requires a requester to make an advance payment, the 20-day period described in § 2004.6(c)(1) shall begin when the FOIA Officer receives the payment.

(f) *No assessment of fee.* USTR shall not charge a fee to any requester if:

(1) The cost of collecting the fee would be equal to or greater than the fee itself; or

(2) After December 31, 2008, USTR fails to comply with any time limit under the Freedom of Information Act for responding to a request for records where no unusual or exceptional circumstances apply.

§ 2004.9 Fees for categories of requesters.

USTR shall assess fees for certain categories of requesters as follows:

(a) *Commercial use requesters.* In responding to commercial use requests, USTR shall assess fees that recover the full direct costs of searching for, reviewing, and duplicating records.

(b) *Educational institutions.* USTR shall provide records to requesters in this category for the cost of duplication alone, excluding charges for the first 100 pages. To qualify for inclusion in this fee category, a requester must show that the request is authorized by and is made under the auspices of a qualifying institution and that the records are sought to further scholarly research, not an individual goal.

(c) *Representatives of the news media.* USTR shall provide records to requesters in this category for the cost of duplication alone, excluding charges for the first 100 pages.

(d) *All other requesters.* USTR shall charge requesters who do not fall within paragraphs (a) through (c) of this section fees that recover the full direct cost of searching for and duplicating records, excluding charges for the first 100 pages of reproduction and the first two hours of search time.

§ 2004.10 Other charges.

USTR may apply other charges, including the following:

(a) *Special charges.* USTR shall recover the full cost of providing special services, such as sending records by express mail, to the extent that USTR elects to provide them.

(b) *Interest charges.* USTR may begin assessing interest charges on an unpaid bill starting on the 31st day following the day on which the FOIA Officer sent the billing. Interest shall be charged at the rate prescribed in 31 U.S.C. 3717 and will accrue from the date of billing.

(c) *Aggregating requests.* When the FOIA Officer reasonably believes that a requester or a group of requesters acting in concert is attempting to divide a request into a series of requests for the purpose of avoiding fees, the FOIA Officer shall aggregate those requests and charge accordingly.

§ 2004.11 Payment and waiver.

(a) *Remittances.* Payment shall be made in the form of check or money order made payable to the Treasury of the United States. At the time the FOIA

Officer notifies a requester of the applicable fees, the Officer shall inform the requester of where to send the payment.

(b) *Waiver.* USTR may waive all or part of any fee provided for in §§ 2004.8 through 2004.9 when the FOIA Officer deems that disclosure of the information is in the general public's interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requester. In determining whether a fee should be waived, the FOIA Officer may consider whether:

(1) The subject matter specifically concerns identifiable operations or activities of the government;

(2) The information is already in the public domain;

(3) Disclosure of the information would contribute to the understanding of the public-at-large as opposed to a narrow segment of the population;

(4) Disclosure of the information would significantly enhance the public's understanding of the subject matter;

(5) Disclosure of the information would further a commercial interest of the requester; and

(6) The public's interest is greater than any commercial interest of the requester.

Dated: January 31, 2008.

Ambassador Susan C. Schwab,
United States Trade Representative.

Special Analyses

It has been determined that this notice of proposed rulemaking is not a significant regulatory action as defined in Executive Order 12866. Therefore, a regulatory assessment is not required. It has also been determined that section 553(b) of the Administrative Procedure Act (5 U.S.C. chapter 5) does not apply to these regulations, and because the regulation does not impose a collection of information on small entities, the
