

**Order**

On September 12, 2007, I entered an Order<sup>1</sup> denying Mohammad Fazeli ("Fazeli") all U.S. export privileges until August 7, 2012, pursuant to Section 11(h) of the Export Administration Act<sup>2</sup> and Section 766.25 of the Export Administration Regulations,<sup>3</sup> and based on a criminal conviction of violating the International Emergency Economic Powers Act (50 U.S.C. 1701–1705 (2000)) ("IEEPA").

Whereas, the September 12, 2007 Order identified Fazeli's addresses as "1439 Saltair Fazeli Ave., Los Angeles, CA 90025", and "112 West 9th Street, Suite 1115, Los Angeles, CA 90015";

Whereas, the Office of Export Enforcement, Bureau of Industry and Security, U.S. Department of Commerce ("Department"), has confirmed that these two addresses are no longer correct, and that Fazeli's current address is "545 S. Atlantic Blvd. #C, Los Angeles, CA 90022"; and

Whereas, as a result of the information the Department obtained regarding Fazeli's current address, the Department has requested that an order be issued amending the September 12, 2007 Order to reflect that new address for Fazeli;

Accordingly, *It is hereby ordered* that the September 12, 2007 Order denying all U.S. export privileges to Mohammad Fazeli is amended by deleting the addresses "1439 Saltair Fazeli Ave., Los Angeles, CA 90025", and "112 West 9th Street, Suite 1115, Los Angeles, CA 90015", and by adding the address "545 S. Atlantic Blvd. #C, Los Angeles, CA 90022". In all other aspects, the September 12, 2007 Order remains in full force and effect.

This Order, which is effective immediately, shall be published in the **Federal Register**.

Dated: February 12, 2008.

**Chlorinated Isocyanurates From the People's Republic of China: Notice of Extension of Time Limit for the Preliminary Results of the Antidumping Duty Administrative Review**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**EFFECTIVE DATE:** February 25, 2008.

**FOR FURTHER INFORMATION CONTACT:** Jennifer Moats or Charles Riggle, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482–5047 and (202) 482–0650, respectively.

**SUPPLEMENTARY INFORMATION:**

**Background**

On July 26, 2007, the Department of Commerce ("the Department") published the initiation of the administrative review of the antidumping duty order on chlorinated isocyanurates from the People's Republic of China ("PRC"). See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 72 FR 41057 (July 26, 2007). This review covers the period June 1, 2006, through May 31, 2007. The preliminary results of this review are currently due no later than March 1, 2008.

**Extension of Time Limit for Preliminary Results of Review**

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), the Department shall make a preliminary determination in an administrative review of an antidumping duty order within 245 days after the last day of the anniversary month of the date of publication of the order. The Act further provides, however, that the Department may extend that 245-day period to 365 days if it determines it is not practicable to complete the review within the foregoing time period.

The Department finds that it is not practicable to complete the preliminary results of the administrative review of chlorinated isocyanurates from the PRC within this time limit. Specifically, due to unusually complicated factor of production calculations and additional supplemental questionnaires needed to

accurately calculate the respondents' antidumping duty margins, we find that additional time is needed to complete these preliminary results. Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time period for completion of the preliminary results of this review by 60 days until April 30, 2008. The final results continue to be due 120 days after the publication of the preliminary results.

This notice is published in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: February 15, 2008.
