Privacy Act of 1974; System of Records

AGENCY: Department of Veterans Affairs.

ACTION: Notice of amendment to an existing system of records.

SUMMARY: The Privacy Act of 1974 (5 U.S.C. 552(e)(4)) requires that all agencies publish in the **Federal Register** a notice of the existence and character of their systems of records. Notice is hereby given that the Department of Veterans Affairs (VA) is amending the system of records entitled "Litigant, Tort Claimant, EEO Complainant and

Third Party Recovery Files—VA" (16VA026) as set forth in full in the **Federal Register** on January 13, 1982 [47 F.R. 1463]. This system was subsequently amended in the **Federal Register** on April 25, 1983 [48 F.R. 17687] to add several new routine uses.

VA is amending the system by revising the routine uses of records maintained in the system, combining three existing uses into one, deleting five old routine uses, and adding five new routine uses. The name of system of records is being changed to "Litigation Files—VA" to more closely encompass the complete scope of matters handled in VA litigation and administrative investigations carried out by OGC attorneys. This system contains records of Merit System Protection Board (MSPB) and Federal Labor Relations Authority (FLRA) disputes, contract litigation, Privacy Act and Freedom of Information Act litigation at the appellate level as well as EEO disputes, torts, and third party litigation. VA is republishing the system notice in its entirety.

DATES: Interested persons are invited to submit comments, suggestions, or objections regarding these changes. To assure consideration, written comments on this revised system of records must be postmarked no later than April 15, 2009, and written comments hand delivered to the Department and comments submitted electronically must be received as provided below, no later than 5 p.m. Eastern Time on April 15, 2009. If no public comment is received, the system will become effective April 15, 2009.

ADDRESSES: Written comments may be submitted through <http://www.Regulations.gov>; by mail or hand-delivery to the Director, Regulations Management (02REG), Department of Veterans Affairs, 810 Vermont Ave., NW., Room 1068, Washington, DC 20420; or by fax to (202) 273-9026; or e-mail to "VAregulations@va.gov." SUPPLEMENTARY INFORMATION:

The system of records, "Litigation Files—VA" (16VA026), was amended and published in full January 13, 1982, at 47 **Federal Register** 1460. A subsequent amendment on April 25, 1983, at 48 **Federal Register** 17687, involved publication of proposed new routine uses.

I. Description of the System of Records

The VA Litigation Files contain the working files for OGC attorneys representing the agency in cases involving torts, contracts, personnel and labor issues, patents, real and intellectual property, Veterans' benefits and claims, and administrative investigations.

II. Proposed Amendments to Routine Use Disclosures of Data in the System

VA is amending, deleting, rewriting and reorganizing the order of the routine uses in this system of records. Accordingly, the following changes are made to the current routine uses and are incorporated into the amended system of records notice.

Current routine uses 2 through 4 are being combined and revised into new routine use 4. This routine use is amended to more accurately reflect the conditions under which VA, on its own initiative, may disclose information from this system of records for law enforcement purposes.

New routine use number 2 is being added to authorize disclosure to the National Archives and Records Administration and the General Services Administration in records management inspections conducted under authority of Title 44, Chapter 29, of the United States Code.

New routine use 3 is added to reflect VA's authorization to disclose individually-identifiable information to contractors or other entities that will provide services to VA for which the recipient needs that information in order to perform the services.

Current routine uses 5 through 8 are maintained as they are. In determining whether to disclose records under this routine use, VA will comply with the guidance promulgated by the Office of Management and Budget (OMB) in a May 24, 1985, memorandum entitled "Privacy Act Guidance—Update" currently posted at <http://www.whitehouse.gov/omb/inforeg/guidance1985.pdf>.

VA is adding a new routine use 9 that authorizes the circumstances, and to whom, VA may disclose records in order to respond to, and minimize possible harm to, individuals as a result of a data breach. This routine use is
