Task No. 08-05—Railroad Bridge Safety Assurance. This task was accepted on December 10, 2008, to develop a draft rule encompassing the requirements of Section 417, of the RSIA (Division A), Railroad Bridge Safety Assurance. This Section directs the Secretary of Transportation to promulgate regulations, not later than 12 months after the October 16, 2008, date of enactment, requiring owners of track carried on one or more railroad bridges to adopt a bridge safety management program to reduce the risk of human casualties, environmental damage, and disruption to the Nation's railroad transportation system that would result from a catastrophic bridge failure. The Railroad Bridge Working Group created under Task 08-01 was directed to reconvene and the kickoff meeting was held January 28-29, 2009. The working group also met on February 23-24, 2009, where they reached agreement on consensus language covering all but two issues that remain to be resolved pending comments on the NPRM. The group will present the draft language to the full committee at the April 2, 2009, meeting. Contact: Gordon Davids, (202) 230-6320.

Task No. 08-06—Hours of Service Recordkeeping and Reporting. This task was accepted on December 10, 2008, to develop revised recordkeeping and reporting requirements for hours of service of railroad employees. The Hours of Service Working Group was formed in January 2009 by member nominations from committee member organizations and the first meeting was held on January 22-23, 2009. The working group met again on February 4-6, 2009, and February 18-20, 2009, and is scheduled to meet for the final time on March 23-25, 2009. Contact: Mark McKeon, (202) 493-6350.

Task No. 08-07—Conductor Certification. This task was accepted on December 10, 2008, to develop regulations for certification of railroad conductors, as required by the RSIA, and to consider any appropriate related amendments to existing regulations and report recommendations for the proposed or interim final rule (as determined by FRA in consultation with the Office of the Secretary of Transportation and the Office of

Management and Budget) by October 16, 2009. The Conductor Certification Working Group will be officially formed at a later date by nominations from member organizations and work will begin as time and schedules will permit in 2009 after other Congressional RSAC priorities are met.
