SUPPLEMENTARY INFORMATION:**I. Background**

Chapter 5 U.S.C. 8506 states that "Each agency of the United States and each wholly or partially owned instrumentality of the United States shall make available to State agencies which have agreements, or the Secretary of Labor, as the case may be, such information concerning the Federal service and Federal wages of a Federal employee as the Secretary considers practicable and necessary for the determination of the entitlement of the Federal employee to compensation under this subchapter." The information

shall include the findings of the employing agency concerning—

- (1) Whether or not the Federal employee has performed Federal service;
- (2) The periods of Federal Service;
- (3) The amount of Federal wages; and
- (4) The reasons for termination of Federal service.

The law (5 U.S.C. 8501, *et seq.*) requires State Workforce Agencies (SWA's) to administer the UCFE (Unemployment Compensation for Federal Employees) program in accordance with the same terms and provisions of the paying State's unemployment insurance law which apply to unemployed claimants who worked in the private sector. SWA's must be able to obtain certain information (wage, separation data) about each claimant filing claims for UCFE benefits to enable them to determine his/her eligibility for benefits. The Department of Labor has prescribed forms to enable SWAs to obtain this necessary information from the individual's Federal employing agency. Each of these forms is essential to the UCFE claims process and the frequency of use varies depending upon the circumstances involved. The UCFE forms are: ETA-931, ETA-931A, ETA-933, ETA-934, ETA-935, ETA-936, ETA-939, and ETA 8-32.

II. Review Focus

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273), and Section 246 of the Trade Act of 1974 (26 U.S.C. 2813), as amended, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance on December 15, 2008, applicable to workers of Chrysler LLC, Kokomo Transmission Plant, Powertrain Division, Kokomo, Indiana, Chrysler LLC, Indiana Transmission Plants 1 and 2, Powertrain Division, Kokomo, Indiana, and Chrysler LLC, Kokomo Casting Plant, TCMA Division, Kokomo, Indiana. The notice was published in the **Federal Register** on January 14, 2009 (74 FR 2136).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. The workers are engaged in the production of aluminum transmissions, cases and component parts.

New information shows that workers leased from Aerotek, American Food & Vending, and Wackenhut Security were employed on-site at the Kokomo, Indiana locations of the above mentioned plants of Chrysler LLC.

The Department has determined that these workers were sufficiently under the control of Chrysler LLC, Kokomo Transmission, Indiana Transmission Plants 1 & 2, and Kokomo Casting Plant to be considered leased workers.

Based on these findings, the Department is amending this certification to include workers leased from Aerotek, American Food & Vending and Wackenhut Security working on-site at the Kokomo, Indiana locations of the subject firm.

The amended notice applicable to TA-W-64,494 is hereby issued as follows:
