*Description:* This submission covers an existing regulation and involves no change to the regulation or to the information collection requirements. The only revisions to the submission are the revised estimates, which have been updated.

The information collection requirements in 12 CFR part 12 are required to ensure national bank compliance with securities laws and to improve the protection afforded persons who purchase and sell securities through banks. The transaction confirmation information provides

customers with a record regarding the transaction and provides banks and the OCC with records to ensure compliance with banking and securities laws and regulations. The OCC uses the required information in its examinations to, among other things, evaluate a bank's compliance with the antifraud provisions of the Federal securities laws.

The information collection requirements contained in 12 CFR part 12 are as follows:

- Section 12.3 requires a national bank effecting securities transactions for customers to maintain records for at least three years. The records required by this section must clearly and accurately reflect the information required and provide an adequate basis for the audit of the information.

- Section 12.4 requires a national bank to give or send to the customer a written notification of the transaction or a copy of the registered broker/dealer confirmation relating to the transaction.

- Sections 12.5(a), (b), (c), and (e) describe procedures a national bank may use as an alternative to complying with § 12.4, to notify customers of transactions in which the bank does not exercise investment discretion, trust transactions, agency transactions and certain periodic plan transactions.

- Sections 12.7(a)(1) through (a)(3) require a national bank to maintain and adhere to policies and procedures that assign responsibility for supervision of employees who perform securities trading functions; provide for the fair and equitable allocation of securities and prices to accounts; and provide for crossing of buy and sell orders on a fair and equitable basis.

- Section 12.7(a)(4) requires certain bank officers and employees involved in the securities trading process to report to the bank all personal transactions in securities made by them or on their behalf in which they have a beneficial interest.

- Section 12.8 requires a national bank seeking a waiver of one or more of the requirements of §§ 12.2 through 12.7 to file a written request for waiver with the OCC.
