

plan fiduciary and provide the plan with an opportunity to withdraw from the program. For Large Accounts, prior to the cross-trade, the Manager must provide information about the cross-trading program and obtain written authorization from the fiduciary of a Large Account to engage in cross-trading in connection with a portfolio restructuring program. Following completion of the Large Account's restructuring, information must be provided by the Manager about all cross-trades executed in connection with a portfolio-restructuring program. Finally, the exemption requires that Managers maintain for a period of 6 years from the date of each cross-trade the records necessary to enable plan fiduciaries and certain other persons specified in the exemption (e.g., Department representatives or contributing employers), to determine whether the conditions of the exemption have been met.

EBSA previously submitted the information collection provisions of PTE 2002–12 to the Office of Management and Budget (OMB) for review in connection with promulgation of the prohibited transaction exemption. OMB approved the information collection request (ICR) under OMB Control No. 1210–0115. The ICR approval is currently scheduled to expire on August 31, 2009.

## II. Desired Focus of Comments

The Department of Labor (Department) is particularly interested in comments that:

- Provide information related to the number of entities offering Index and Model-Driven Funds and their client plans, and the number of Large Accounts that may make use of the exemption;
- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility;
- Evaluate the accuracy of the Department's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology,

e.g., permitting electronic submissions of responses.

## III. Current Actions

This notice requests comments on an extension of the information collections in PTE 2002–12. After considering comments received in response to this notice, the Department intends to submit the ICR to OMB for continuing approval. Extension of the information collection provision of the exemption is important because, without the disclosures and recordkeeping provided for in the exemption, participants' and beneficiaries' investments in a pension plan might not be adequately protected. In addition, Managers that cross trade securities among Funds or cross trade securities in connection with the restructuring of a portfolio of a Large Account would be subject to statutorily imposed sanctions under ERISA. Lastly, the exemption provides a benefit to plans and participants through savings that result from index/model cross-trading. No change to the existing ICR is being proposed or made at this time. A summary of the ICR and the current burden estimates follows:

*Agency:* Employee Benefits Security Administration, Department of Labor.

*Title:* Prohibited Transaction Class Exemption 2002–12, Cross-Trades of Securities by Index and Model-Driven Funds.

*Type of Review:* Extension of a currently approved collection of information.

*OMB Number:* 1210–0115.

*Affected Public:* Individuals or households; Business or other for-profit; Not-for-profit institutions.

*Respondents:* 60.

*Responses:* 960.

Comments submitted in response to this notice will be summarized and/or included in the ICR submitted to OMB for approval; they will also become a matter of public record.

#### SUPPLEMENTARY INFORMATION:

##### I. Background

Prohibited Transaction Exemption (PTE) 97–41 provides an exemption from the prohibited transaction provisions of the Employment

Retirement Income Security Act of 1974 (ERISA) and from certain taxes imposed by the Internal Revenue Code of 1986. The exemption permits employee benefit plans to purchase shares of one or more open-end investment companies (funds) registered under the Investment Advisers Act of 1940 by transferring in-kind, to the investment company, assets of the plan that are part of a collective investment fund (CIF) maintained by a bank or plan advisor that is both a fiduciary of the plan and an investment advisor to the investment company offering the fund.

The exemption requires that an independent fiduciary receive advance written notice of any covered transaction, as well as specific written information concerning the mutual funds to be purchased. The independent fiduciary must also provide written advance approval of conversion transactions and receive written confirmation of each transaction, as well as additional on-going disclosures as defined in PTE 97-41. These disclosures are the basis for this ICR.

EBSA previously submitted the information collection provisions of PTE 2002-12 to the Office of Management and Budget (OMB) for review in connection with promulgation of the prohibited transaction exemption. OMB approved the information collection request (ICR) under OMB Control No. 1210-0115. The ICR approval is currently scheduled to expire on June 30, 2009.

#### SUPPLEMENTARY INFORMATION:

##### I. Background

PTE 2004-07 exempts from certain prohibited transaction restrictions of the Employee Retirement Income Security Act of 1974 (ERISA) and from certain taxes imposed by the Internal Revenue Code of 1986 (the Code), the acquisition, holding, sale, and contribution in kind of publicly traded shares of beneficial interest in a real estate investment trust that is structured under State law as a business trust (Trust REIT), on behalf of and to individual account plans sponsored by the REIT or its affiliates, provided that certain conditions are met.

The exemption allows individual account plans (Plans) established by Trust REITs to offer a beneficial interest in the Trust REIT in the form of Qualifying REIT Shares, as defined in the exemption, to participants in Plans sponsored by the REIT or its employer affiliates, to require that employer contributions be used to purchase such shares, and to permit "contributions in kind" of such shares to these Plans by employers.

The exemption conditions relief on compliance with a number of information collection requirements. These information collections are to be provided or made available to plan
