Title: 49 U.S.C. Section 5317, New Freedom Program.

(OMB Number: 2132-0565)

Background: 49 U.S.C. 5317, the New Freedom Program, authorizes the Secretary of Transportation to make grants to States for areas with a population of less than 200,000 and designated recipients in urbanized areas of 200,000 persons or greater to reduce barriers to transportation services and expand the transportation mobility options available to people with disabilities beyond the requirements of the Americans with Disabilities Act (ADA) of 1990. Grant recipients are required to make information available to the public and to publish a program of projects which identifies the subrecipients and projects for which the State or designated recipient is applying for financial assistance. FTA uses the information to determine eligibility for funding and to monitor the grantees' progress in implementing and completing project activities. FTA collects performance information annually from designated recipients in rural areas, small urbanized areas, other direct recipients for small urbanized areas, and designated recipients in urbanized areas of 200,000 persons or greater. FTA collects milestone and financial status reports from designated recipients in large urbanized areas on a quarterly basis. The information submitted ensures FTA's compliance with applicable Federal laws and OMB Circular A-102.

Respondents: State and local government, private non-profit organizations and public transportation authorities.

Estimated Annual Burden on Respondents: 251 hours for each of the 206 respondents.

Estimated Total Annual Burden: 122,374 hours.

Frequency: Annual.

Issued: April 17, 2009.

Ann M. Linnertz,

Associate Administrator for Administration.
