DATES: By this notice, the FHWA, on behalf of Caltrans, is advising the public of final agency actions subject to 23 U.S.C. 139(l)(1). A claim seeking judicial review of the Federal agency actions on the highway project will be barred unless the claim is filed on or before November 9, 2009. If the Federal law that authorizes judicial review of a claim provides a time period of less than 180 days for filing such claim, then that shorter time period still applies.

The limits are from Bethel Avenue in Fresno County east to Road 92 in the City of Dinuba in Tulare County. The replacement of the Kings River Bridge in Tulare County with a four-lane structure is also proposed. The project would improve traffic operations and improve regional transportation and circulation. The actions by the Federal agencies, and the laws under which such actions were taken, are described in the Final Environmental Assessment (EA)/Finding of No Significant Impact (FONSI) for the project, approved on April 28, 2009, and in other documents in the FHWA administrative records. The EA/FONSI and other documents are available by contacting FHWA or Caltrans at the addresses provided above.
