Maritime Administration

[Docket No. MARAD 2009 0048]

Notice of Ship Disposal: SS Pioneer Commander

The Maritime Administration plans to dispose of the obsolete vessel SS *Pioneer Commander*, which is currently located at its Beaumont Reserve Fleet in Beaumont, Texas. The Maritime Administration, in consultation with the Texas Historical Commission, determined that the vessel is eligible for listing on the National Register of Historic Places due to its role in a pivotal moment in U.S. history; the evacuation of more than 44,000 Americans, Vietnamese military and refugees from South Vietnam in 1975. This operation signaled the close of America's long involvement in Vietnam.

The National Defense Authorization Act for Fiscal Year 2004, Section 3512 of Public Law 108-136, authorizes the

Maritime Administration to afford qualified public and non-profit organizations the opportunity to obtain, via donation, obsolete ships from the National Defense Reserve Fleet (NDRF) for use as memorials and/or in other non-commercial enterprises.

The Maritime Administration will accept completed donation applications for the SS *Pioneer Commander* from qualified organizations in accordance with the Ship Donation Program Requirements for a period of 45 days beginning June 1, 2009. For more information visit the Marad Ship Donation Program at <http://www.marad.dot.gov> or contact Mr. Kevin Smith at 202-366-3798 or via e-mail at kevin.r.smith@dot.gov.

Dated: May 18, 2009.

By Order of the Maritime Administrator.

Christine Gurland,

Acting Secretary, Maritime Administration.

Regulations were published in the **Federal Register** at 44 FR 72113 on December 13, 1979. SUPPLEMENTARY INFORMATION:

Title: National Survey of Veterans, Active Duty Service Members, Activated National Guard and Reserve Members, Family Members and Survivors (NSV).

OMB Control Number: 2900–New (NSV).

Type of Review: New collection.

Abstract: The NSV will be conducted to obtain needed information that is not available in VA administrative files. The survey will be used to help VA improve services for beneficiaries and their families. For the first time, the NSV will include active duty service members; activated National Guard and Reserves; and family members and survivors in addition to veterans. The scope of the survey will be expanded to address the requirements of Public Law 108–454, section 805, to assess awareness of veterans' benefits and services. The NSV provides VA, Congress, stakeholders, and the public more accurate descriptions and assessments of the characteristics of the veteran population to evaluate existing programs and policies, to establish baseline measures before planning and implementing new programs and policies, and to monitor progress of programs and policies and their impacts on the population. The NSV will provide information to support VA policy, planning, and quality improvement decisions.
