NOS collects and compiles hydrographic, tidal and current, geodetic, and a variety of other data in order to fulfill this responsibility. The Hydrographic Services Review Panel provides advice on topics such as "NOAA's Hydrographic Survey Priorities," technologies relating to operations, research, and development of data pertaining to:

- (a) Hydrographic surveying;
- (b) Nautical charting;
- (c) Water level measurements;
- (d) Current measurements;

- (e) Geodetic measurements; and

The Panel has 15 voting members appointed by the Under Secretary of Commerce for Oceans and Atmosphere in accordance with section 105 of Public Law 107-372. Members are selected on a standardized basis, in accordance with applicable Department of Commerce guidance. The Co-Directors of the Joint Hydrographic Center and two other employees of the National Oceanic and Atmospheric Administration serve as nonvoting members of the Panel. The Director, Office of Coast Survey, serves as the Designated Federal Official (DFO). This solicitation is to obtain candidate applications for one current voting vacancy on the Panel, and for five voting members whose terms expire January 1, 2010, and candidates for voting members who might resign at any time during 2009. Any voting member of the Panel who is an applicant for, or beneficiary of (as determined by the Under Secretary) any assistance under the Act shall disclose to the Panel that relationship, and may not vote on any other matter pertaining to that assistance.

Voting members of the Panel serve a four-year term, except that vacancy appointments shall be for the remainder of the unexpired term of the vacancy. Members serve at the discretion of the Under Secretary and are subject to government ethics standards. Any individual appointed to a partial or full term may be reappointed for one additional full term. A voting member may serve until his or her successor has taken office. The Panel selects one voting member to serve as the Chair and another to serve as the Vice Chair. The Vice Chair acts as Chair in the absence or incapacity of the Chair but will not automatically become the Chair if the Chair resigns. Meetings occur at least twice a year, and at the call of the Chair or upon the request of a majority of the voting members or of the Under Secretary. Voting members receive

compensation at a rate established by the Under Secretary, not to exceed the maximum daily rate payable under section 5376 of title 5, United States Code, when engaged in performing duties for the Panel. Members are reimbursed for actual and reasonable expenses incurred in performing such duties.
