

review), the Secretary, if requested by a domestic interested party within 30 days of the date of publication of the notice of initiation of the review, will determine, consistent with *FAG Italia v. United States*, 291 F.3d 806 (Fed. Cir. 2002), as appropriate, whether antidumping duties have been absorbed by an exporter or producer subject to the review if the subject merchandise is sold in the United States through an importer that is affiliated with such exporter or producer. The request must include the name(s) of the exporter or producer for which the inquiry is requested.

Interested parties must submit applications for disclosure under administrative protective orders in accordance with 19 CFR 351.305. On January 22, 2008, the Department published *Antidumping and Countervailing Duty Proceedings: Documents Submission Procedures; APO Procedures*, 73 FR 3634 (January 22, 2008). Those procedures apply to administrative reviews included in this notice of initiation. Parties wishing to participate in any of these administrative reviews should ensure that they meet the requirements of these procedures (e.g., the filing of separate letters of appearance as discussed at 19 CFR 351.103(d)).

These initiations and this notice are in accordance with section 751(a) of the Tariff Act of 1930, as amended (19 U.S.C. 1675(a)), and 19 CFR 351.221(c)(1)(i).

Dated: July 23, 2009.

John M. Andersen,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

BILLING CODE 3510-DS-S

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

National Estuarine Research Reserve System

AGENCY: Estuarine Reserves Division, Office of Ocean and Coastal Resource Management, National Ocean Service, National Oceanic and Atmospheric Administration, U.S. Department of Commerce.

ACTION: Notice of public comment period for the Revised Management Plan for the North Carolina National Estuarine Research Reserve.

SUMMARY: Notice is hereby given that the Estuarine Reserves Division, Office

of Ocean and Coastal Resource Management, National Ocean Service, National Oceanic and Atmospheric Administration (NOAA), U.S. Department of Commerce is announcing a thirty day public comment period on the North Carolina National Estuarine Research Reserve Management Plan Revision.

Four sites in coastal North Carolina comprise the North Carolina National Estuarine Research Reserve; Currituck Banks, Rachel Carson, Masonboro Island and Zeke's Island. Currituck Banks, Rachel Carson and Zeke's Island were designated in 1985, and Masonboro Island was designated in 1991, as the North Carolina National Estuarine Research Reserve pursuant to Section 315 of the Coastal Zone Management Act of 1972, as amended, 16 U.S.C. 1461. The reserve has been operating in partnership with the North Carolina Department of Environment and Natural Resources under a management plan approved in 1998. Pursuant to 15 CFR Section 921.33(c), a state must revise their management plan every five years. The submission of this plan fulfills this requirement and sets a course for successful implementation of the goals and objectives of the reserve. An increase in the vertical placement of the program on the state organizational chart, a new administrative facility, and updated programmatic objectives are notable revisions to the 1998 approved management plan.

The revised management plan outlines the administrative structure; the education, stewardship, and research goals of the reserve; and the plans for future land acquisition and facility development to support reserve operations. This management plan describes how the strengths of the reserve will focus on several areas relevant to coastal North Carolina, including coastal population increase, altered land use, storm water runoff and eutrophication, invasive species, tropical and coastal storm impacts and sea level rise.

Since 1998, the reserve has added a coastal training program that delivers science-based information to key decision makers in North Carolina; has completed a site profile that characterizes the reserve; and has expanded the monitoring, stewardship and education programs. A new administrative building (2007) has been built to support the growth of reserve programs.

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

National Estuarine Research Reserve System

AGENCY: Estuarine Reserves Division, Office of Ocean and Coastal Resource Management, National Ocean Service, National Oceanic and Atmospheric Administration, U.S. Department of Commerce.

ACTION: Notice of Public Comment Period for the Revised Management Plan for the Hudson River National Estuarine Research Reserve.

SUMMARY: Notice is hereby given that the Estuarine Reserves Division, Office of Ocean and Coastal Resource Management, National Ocean Service, National Oceanic and Atmospheric Administration (NOAA), U.S. Department of Commerce is announcing a thirty day public comment period on the Hudson River National Estuarine Research Reserve Management Plan Revision.

Four sites along the Hudson River comprise the Hudson River National Estuarine Research Reserve; Piermont Marsh, Iona Island, Tivoli Bays, and Stockport Flats. The Hudson River National Estuarine Research Reserve was designated in 1982 pursuant to Section 315 of the Coastal Zone Management Act of 1972, as amended, 16 U.S.C. 1461. The reserve has been operating in partnership with the New York State Department of Environmental Conservation under a management plan approved in 1993. Pursuant to 15 CFR 921.33(c), a state must revise their management plan every five years. The submission of this plan fulfills this requirement and sets a course for successful implementation of the goals and objectives of the reserve. New facilities and updated programmatic objectives are notable revisions to the 1993 approved management plan.

The revised management plan outlines the administrative structure; the education, stewardship, and research goals of the reserve; and the plans for future land acquisition and facility development to support reserve operations. This management plan describes how the strengths of the reserve will focus on several areas relevant to the Hudson River, including sea level rise and other effects of climate change, development pressure, and invasive species.

Since 1993, the reserve has added an estuary training program that delivers science-based information to key decision makers in New York; has completed a site profile that characterizes the reserve; and has expanded the monitoring, stewardship and education programs. A new headquarters building, the Norrie Point Environmental Center, (2007) has been built to support the growth of reserve programs.

Polyethylene Retail Carrier Bags from the People's Republic of China: Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: In response to requests from interested parties, the Department of Commerce (the Department) is conducting an administrative review of the antidumping duty order on polyethylene retail carrier bags (PRCBs) from the People's Republic of China (PRC). The review covers Rally Plastics Co., Ltd. The period of review (POR) is August 1, 2007, through July 31, 2008.

We have preliminarily determined that sales have been made at prices

below normal value by the company subject to this review. If these preliminary results are adopted in our final results of administrative review, we will instruct U.S. Customs and Border Protection to assess antidumping duties on all appropriate entries.

We invite interested parties to comment on these preliminary results. Parties who submit comments in this review are requested to submit with each argument (1) a statement of the issue and (2) a brief summary of the argument.

EFFECTIVE DATE: July 29, 2009.

FOR FURTHER INFORMATION CONTACT:

Catherine Cartos or Minoo Hatten, AD/CVD Operations, Office 5, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-1757 or (202) 482-1690, respectively.

SUPPLEMENTARY INFORMATION:

Background

On August 9, 2004, the Department published the antidumping duty order on PRCBs from the PRC. See *Antidumping Duty Order: Polyethylene Retail Carrier Bags From the People's Republic of China*, 69 FR 48201 (August 9, 2004). In accordance with 19 CFR 351.213(b), the Department received requests for a review of Rally Plastics Co., Ltd. (Rally). In accordance with 19 CFR 351.213(g) and 19 CFR 351.221(b) we published a notice of initiation of administrative review. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 73 FR 56795 (September 30, 2008).

Since initiation of the review, we have extended the due date for completion of these preliminary results from May 3, 2009, to July 22, 2009. See *Polyethylene Retail Carrier Bags From Malaysia, Thailand, and the People's Republic of China: Extension of Time Limit for Preliminary Results of Antidumping Duty Administrative Reviews*, 74 FR 17633 (April 16, 2009), and *Polyethylene Retail Carrier Bags From the People's Republic of China: Extension of Time Limit for Preliminary Results of Antidumping Duty Administrative Review*, 74 FR 32884 (July 9, 2009).

We are conducting this review in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act).

Scope of the Order

The merchandise subject to the antidumping duty order is PRCBs, which may be referred to as t-shirt

sacks, merchandise bags, grocery bags, or checkout bags. The subject merchandise is defined as non-sealable sacks and bags with handles (including drawstrings), without zippers or integral extruded closures, with or without gussets, with or without printing, of polyethylene film having a thickness no greater than 0.035 inch (0.889 mm) and no less than 0.00035 inch (0.00889 mm), and with no length or width shorter than 6 inches (15.24 cm) or longer than 40 inches (101.6 cm). The depth of the bag may be shorter than 6 inches but not longer than 40 inches (101.6 cm).

PRCBs are typically provided without any consumer packaging and free of charge by retail establishments, e.g., grocery, drug, convenience, department, specialty retail, discount stores, and restaurants, to their customers to package and carry their purchased products. The scope of the order excludes (1) polyethylene bags that are not printed with logos or store names and that are closeable with drawstrings made of polyethylene film and (2) polyethylene bags that are packed in consumer packaging with printing that refers to specific end-uses other than packaging and carrying merchandise from retail establishments, e.g., garbage bags, lawn bags, trash-can liners.

As a result of changes to the Harmonized Tariff Schedule of the United States (HTSUS), imports of the subject merchandise are currently classifiable under statistical category 3923.21.0085 of the HTSUS. Furthermore, although the HTSUS subheading is provided for convenience and customs purposes, the written description of the scope of the order is dispositive.

Verification

As provided in section 782(i) of the Act, we have verified information provided by Rally using standard verification procedures including on-site inspection of the manufacturer's facilities and the examination of relevant sales and financial records. Our verification results are outlined in the public version of the verification report on file in the Central Records Unit, Room 1117 of the main Department building.

NME Country Status

In every case conducted by the Department involving the PRC, the PRC has been treated as a non-market-economy (NME) country. In accordance with section 771(18)(C)(i) of the Act, any determination that a foreign country is an NME country shall remain in effect until revoked by the administering authority.
