

• Participation in industry receptions in New Delhi and Chennai and a financing roundtable luncheon in Mumbai; and

• Meetings with CS India's energy efficiency industry specialists in New Delhi, Chennai and Mumbai.

Proposed Mission Timetable

Companies will be encouraged to arrive Saturday to allow time to rest after their long trip and adjust to the time change before the mission program begins on Monday, November 16.

Monday	November 16	New Delhi	Welcome briefing by U.S. Departments of Commerce and State, Participation in DOE/AID Energy Efficiency Conference, One-on-one business matchmaking appointments, Networking reception.
Tuesday	November 17	New Delhi	Participation in DOE/AID Energy Efficiency Conference, One-on-one business matchmaking appointments.
Wednesday	November 18	New Delhi/Chennai	Morning flight to Chennai, One-on-one business matchmaking appointments, Networking reception.
Thursday	November 19	Chennai/Mumbai	One-on-one business matchmaking appointments, Optional site visit, Evening flight to Mumbai.
Friday	November 20	Mumbai	One-on-one business matchmaking appointments, Roundtable on financing mechanisms for energy efficiency projects in India.

Participation Requirements

All parties interested in participating in the Energy Efficiency Trade Mission to India must complete and submit an application for consideration by the Department of Commerce. All applicants will be evaluated on their ability to meet certain conditions and best satisfy the selection criteria as outlined below. The mission will be open on a first come first served basis to 12 qualified U.S. companies.

Fees and Expenses:

After a company has been selected to participate on the mission, a payment to the Department of Commerce in the form of a participation fee is required. The participation fee will be \$3,500 for small or medium-sized enterprises (SME),* and \$4,200 for large firms, which includes one principal representative. The fee for each additional firm representative (large firm or SME) is \$750. Expenses for lodging, some meals, incidentals, and travel (except for transportation to and from airports in-country, previously noted) will be the responsibility of each mission participant. The conference fee is included in the trade mission cost.

Conditions for Participation:

• An applicant must submit a completed and signed mission application and supplemental application materials, including adequate information on the company's products and/or services, primary market objectives, and goals for participation.

* An SME is defined as a firm with 500 or fewer employees or that otherwise qualifies as a small business under SBA regulations (see http://www.sba.gov/services/contracting_opportunities/sizestandardstoc/index.html). Parent companies, affiliates, and subsidiaries will be considered when determining business size. The dual pricing schedule reflects the Commercial Service's user fee schedule that became effective May 1, 2008 (for additional information see <http://www.export.gov/newsletter/march2008/initiatives.html>).

• Each applicant must also certify that the products and services it seeks to export through the mission are either produced in the United States, or, if not, marketed under the name of a U.S. firm and have at least fifty-one percent U.S. content.

Selection Criteria for Participation:

Selection will be based on the following criteria:

- Suitability of a company's products or services to the mission's goals
 - Applicant's potential for business in India, including likelihood of exports resulting from the trade mission
 - Consistency of the applicant's goals and objectives with the stated scope of the trade mission
- Any partisan political activities (including political contributions) of an applicant are entirely irrelevant to the selection process.

Timeframe for Recruitment and Applications

Mission recruitment will be conducted in an open and public manner, including publication in the **Federal Register**, posting on the Commerce Department trade mission calendar (<http://www.ita.doc.gov/doctm/tmcal.html>) and other Internet Web sites, press releases to general and trade media, direct mail, notices by industry trade associations and other multiplier groups, and publicity at industry meetings, symposia, conferences, and trade shows. Recruitment for the mission will begin immediately and conclude no later than September 30, 2009. The mission will be open on a first come first served basis. Applications received after that date will be considered only if space and scheduling constraints permit.

Seventh Administrative Review of Honey From the People's Republic of China: Extension of Time Limit for the Preliminary Results

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* August 18, 2009.

FOR FURTHER INFORMATION CONTACT: Blaine Wiltse, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington DC 20230; telephone- (202) 482-6345.

SUPPLEMENTARY INFORMATION:

Background

On February 2, 2009, the Department of Commerce ("Department") published a notice of initiation of an administrative review of honey from the People's Republic of China ("PRC"), covering the period December 1, 2007 through November 30, 2008. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 74 FR 5821 (February 2, 2009). On

March 6, 2009, after receiving comments on U.S. Customs and Border Protection data, the Department selected Anhui Native Produce Import & Export Corp. (“Anhui Native”) and Qinhuangdao Municipal Dafeng Industrial Co., Ltd. (“QMD”) as the mandatory respondents for this review.

The Department sent its antidumping questionnaire to Anhui Native and QMD on March 9, 2009. The Department was unable to deliver its questionnaire to QMD due to incorrect addresses. See Memorandum to the File from Blaine Wiltse, Case Analyst, RE: Seventh Administrative Review of Honey from the People’s Republic of China (“PRC”): Incorrect Addresses for QMD, dated March 27, 2009. On March 30, 2009, Dongtai Peak Honey Industry Co., Ltd. (“Dongtai Peak”) requested treatment as a voluntary respondent, and submitted its Section A response to the Department. On April 13, 2009, the Department selected Dongtai Peak as a voluntary respondent for this review. On April 14, 2009, Dongtai Peak submitted its Sections C and D response to the Department. On April 15, 2009, Anhui Native withdrew its participation from the current review. On June 8, 2009, and June 16, 2009, the Department sent its Supplemental Sections A, C, and D Questionnaire and its Importer Specific Supplemental Questionnaire to Dongtai Peak. On July 8, 2009, and July 13, 2009, Dongtai Peak submitted its response to the Department’s Importer Specific Supplemental Questionnaire and Supplemental Sections A, C, and D Questionnaire. The preliminary results of this administrative review are currently due on September 2, 2009.

Extension of Time Limit for the Preliminary Results

The Department determines that completion of the preliminary results of this review within the statutory time period is not practicable. The Department requires more time to gather and analyze surrogate value information pertaining to this company. Additionally, the Department intends to provide additional time for interested parties to provide comments on supplemental questionnaires and suggested surrogate values. Lastly, the Department requires additional time to analyze the questionnaire responses and to issue additional supplemental questionnaires, if necessary. Therefore, in accordance with section 751(a)(3)(A) of the Tariff Act of 1930, as amended (“Act”), we are extending the time period for issuing the preliminary results of review by 60 days until

November 2, 2009.¹ The final results continue to be due 120 days after the publication of the preliminary results.

This notice is published pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2).

Dated: August 12, 2009.

John M. Andersen,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Final Results of Antidumping Duty Changed Circumstances Review: Light-Walled Rectangular Pipe and Tube From Mexico

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On June 18, 2009, the Department of Commerce (the Department) made its preliminary determination that Ternium Mexico S.A. de C.V. (Ternium) is the successor-in-interest to Hylsa S.A. de C.V. (Hylsa) and should be treated as such for antidumping duty cash deposit purposes. See *Notice of Preliminary Results of Antidumping Duty Changed Circumstances Review: Light-Walled Rectangular Pipe and Tube from Mexico*, 74 FR 28887 (June 18, 2009) (*Preliminary Results*). For purposes of these final results of review, the Department has determined that Ternium is the successor-in-interest to Hylsa and, as a result, should be accorded the same treatment previously accorded to Hylsa in regard to the antidumping duty order on light-walled rectangular pipe and tube (LWRPT) from Mexico as of the date of publication of this notice in the **Federal Register**.

DATES: *Effective Date:* August 18, 2009.

FOR FURTHER INFORMATION CONTACT: John Drury or Brian Davis, AD/CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230;

¹ Sixty days from September 2, 2009, is November 1, 2009. However, Department practice dictates that where a deadline falls on a weekend, the appropriate deadline is the next business day. See *Notice of Clarification: Application of “Next Business Day” Rule for Administrative Determination Deadlines Pursuant to the Tariff Act of 1930, As Amended*, 70 FR 24533 (May 10, 2005).

telephone: (202) 482–0195 or (202) 482–7924, respectively.

SUPPLEMENTARY INFORMATION:

Background

On September 3, 2008, Ternium requested that the Department conduct a changed circumstances review of the antidumping duty order of LWRPT from Mexico to determine whether Ternium is the successor-in-interest to Hylsa and should be treated as such for antidumping duty cash deposit purposes. See *Notice of Initiation of Antidumping Duty Changed Circumstances Review: Light-Walled Rectangular Pipe and Tube from Mexico*, 73 FR 63686 (October 27, 2008) (*Notice of Initiation*). On June 18, 2009, the Department preliminarily determined that Ternium is the successor-in-interest to Hylsa and should be treated as such for antidumping duty cash deposit purposes. See *Preliminary Results*.

On July 13, 2009, the Department published in the **Federal Register** a notice extending the time limit for these final results to August 17, 2009. See *Light-Walled Rectangular Pipe and Tube from Mexico; Extension of Time Limit for Final Results of Antidumping Duty Changed Circumstances Review*, 74 FR 33406 (July 13, 2009).

In the *Preliminary Results*, we stated that interested parties could request a hearing no later than 30 days after the publication of the *Preliminary Results*, submit case briefs to the Department no later than 30 days after the publication of the *Preliminary Results*, and submit rebuttal briefs, limited to the issues raised in those case briefs, five days subsequent to the case briefs’ due date. We did not receive any hearing requests or comments on the *Preliminary Results*.

Scope of the Order

The merchandise subject to this order is certain welded carbon quality light-walled steel pipe and tube, of rectangular (including square) cross section, having a wall thickness of less than 4 mm.

The term carbon-quality steel includes both carbon steel and alloy steel which contains only small amounts of alloying elements. Specifically, the term carbon-quality includes products in which none of the elements listed below exceeds the quantity by weight respectively indicated: 1.80 percent of manganese, or 2.25 percent of silicon, or 1.00 percent of copper, or 0.50 percent of aluminum, or 1.25 percent of chromium, or 0.30 percent of cobalt, or 0.40 percent of lead, or 1.25 percent of nickel, or 0.30 percent of tungsten, or 0.10 percent of
