BILLING CODE 3190-W9-P

POSTAL REGULATORY COMMISSION

[Docket No. ACR2008; Order No. 161]

FY 2008 Annual Compliance Report; Comment Request

AGENCY: Postal Regulatory Commission.

ACTION: Notice.

SUMMARY: The Commission is establishing a docket for consideration of the Postal Service's compliance with statutory provisions pertaining to costs, revenues, rates, and quality of service. The Postal Service's recently-filed FY 2008 report forms the basis for consideration. The public is invited to comment.

DATES: Comments are due January 30, 2009. Reply comments are due February 13, 2009.

ADDRESSES: Submit comments electronically via the Commission's Filing Online system at <http://www.prc.gov>.

FOR FURTHER INFORMATION CONTACT: Stephen L. Sharfman, General Counsel, 202-789-6820 and stephen.sharfman@prc.gov.

SUPPLEMENTARY INFORMATION: Section 3652 of title 39 of the United States Code requires the Postal Service to file a report with the Postal Regulatory Commission on the costs, revenues, rates, and quality of service associated with its products within 90 days after the close of each fiscal year. That section requires that the Postal Service's annual report be sufficiently detailed to allow the Commission and the public to determine whether the rates charged and the service provided comply with all of the requirements of title 39. See 39 U.S.C. 3652(a)(1) and (e)(1)(A). The Postal Service filed its annual compliance report for FY 2008 with the Commission on December 29, 2008. Appended to it are four major sets of data: (1) The Cost and Revenue Analysis (CRA); (2) the International Cost and Revenue Analysis (ICRA); (3) the models of costs avoided by worksharing; and (4) billing determinant information.¹

After receiving the FY 2008 ACR, the Commission is required under 39 U.S.C. 3653 to provide an opportunity to comment to the interested public and an officer of the Commission to represent the interests of the general public. A public representative (officer of the Commission) will be designated in a subsequent notice to be issued in the near future. The Commission hereby solicits public comment on the degree to which the Postal Service's operations and financial results comply with the policies of title 39. Comments by interested persons are due on or before January 30, 2009. Reply comments are due on or before February 13, 2009. After completing its review of the FY 2008 ACR, public comments, and any other information submitted in this proceeding, the Commission will issue an Annual Compliance Determination (ACD).

The Commission is aware that the comment periods in annual compliance report proceedings are brief when one considers the complexity of the issues involved. However, the statute affords the Commission 90 days to digest the report filed by the Postal Service and evaluate the Postal Service's compliance with the broad range of policies articulated in title 39. Expediting public comment is essential if the Commission is to have sufficient time to take the public's concerns into account in making its evaluation.

This is the second compliance report filed by the Postal Service since passage

of the Postal Accountability and Enhancement Act (PAEA) of 2006. The first compliance report was filed on December 28, 2007, and covered FY 2007. FY 2007 was a transitional period during which the rate-setting criteria of the former Postal Reorganization Act (PRA) remained in force. The fact that FY 2007 was a transitional period presented the Postal Service with a difficult task.² The Commission therefore reviewed the Postal Service's rates and service under the standards of the PAEA with due regard for the "unique and non-recurring factors" confronted by the Postal Service and with appreciation for "the good faith effort of the Postal Service to provide useful available information." * * * *Id.* The Commission stated that "[i]n future years, when the Postal Service has the benefit of * * * rules [keyed to the evaluation of the PAEA's standards], a more rigorous level of scrutiny will be more justifiable." *Id.*

The Postal Service states that although the transition issues are "less acute" this year, some still remain. As an example, the Postal Service points to the fact that the lists of market dominant and competitive products in the Mail Classification Schedule were not finalized until after the start of FY 2008. Moreover, the Postal Service notes that final rules governing the form and content of the annual compliance report have not yet been issued.³

Among the materials submitted by the Postal Service as part of its filing is a document identified as USPS-FY08-9 which serves as a roadmap summarizing other materials submitted as part of the FY 2008 ACR and discussing changes in methodologies from the Commission's methodologies in the FY 2007 ACD.

The Postal Service states that the major sets of materials and the formats in which they are presented should be familiar to the Commission and those persons who have participated in earlier postal rate proceedings. The one

² Included among the difficulties faced by the Postal Service was the fact that it "[did] not have experience producing annual cost, revenue, and volume figures so quickly after the close of the fiscal year." FY 2007 ACD at 9. In addition, many of the Postal Service's products "did not have service standards and service measurement procedures in effect during FY 2007." *Id.* at 8. The rates that were charged during FY 2007 were also established under similar, but different, policies of the PRA. *Id.*

³ On August 28, 2008, the Commission instituted a rulemaking proceeding in which it proposed periodic reporting rules to implement all of the PAEA's provisions intended to make the Postal Service's operations and finances transparent and accountable. Docket No. RM2008-4, Notice of Proposed Rulemaking Prescribing Form and Content of Periodic Reports, August 22, 2008. The Commission is reviewing the initial and reply comments submitted in that proceeding.

significant change is that certain materials previously presented in one version containing both market dominant and competitive product information have been split into public and non-public versions.⁴

In general, most of the analytical methods employed in producing the FY 2008 ACR appear to be consistent with established precedent or have been approved by the Commission.⁵ A discussion of methodology changes can be found in Section Two of the roadmap document, USPS–FY08–9, and in the preface that accompanies each of the FY 2008 ACR's appended materials.

Section 3652(g) of title 39 requires that the Comprehensive Statement of Postal Operations (Comprehensive Statement) mandated by 39 U.S.C. 2401(e) be included in the Postal Service's annual compliance report. The Postal Service indicates that its FY 2008 Comprehensive Statement is currently available on the Postal Service's Web site at <http://www.usps.com/strategicplanning/cs08/cs2008.pdf>.⁶

It is Ordered:

1. The Commission establishes Docket No. ACR2008 to consider matters raised by the Postal Service's FY 2008 Annual Compliance Report.

2. Public comments on the United States Postal Service FY 2008 Annual Compliance Report are due on or before January 30, 2009.

3. Reply comments on the United States Postal Service FY 2008 Annual Compliance Report are due on or before February 13, 2009.

4. The Secretary shall arrange for publication of this Order in the **Federal Register**.

By the Commission.

Secretary.

⁴ Part V of the FY 2008 ACR identifies the materials that it has included in the non-public annex to its filing and the rationale for its actions.

⁵ Subsequent to the issuance of the Commission's FY 2007 ACD, the Postal Service submitted 13 proposals for change to the costing methodologies for the FY 2008 ACR. Twelve of these 13 proposals have been addressed by the Commission in the following orders: Order No. 115, Order Accepting Certain Analytical Principles For Use in the Postal Service's Periodic Reports, October 18, 2008 (addressing Proposals One through Ten); Order No. 118, Order Concerning Costing Methods Used in Periodic Reporting (Proposals Ten And Eleven), October 22, 2008; and Order No. 156, Order Concerning Costing Methods Used in Periodic Reporting (Proposal Thirteen), December 23, 2008. Proposal Twelve is still being considered by the Commission in Docket No. RM2009–1.

SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon written request, copies available from: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549–0213.

Extension:

Rule 6e–2 and Form N–6EI–1; SEC File No. 270–177; OMB Control No. 3235–0177.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

Rule 6e–2 (17 CFR 270.6e–2) under the Investment Company Act of 1940 (“Act”) (15 U.S.C. 80a) is an exemptive rule that permits separate accounts, formed by life insurance companies, to fund certain variable life insurance products. The rule exempts such separate accounts from the registration requirements under the Act, among others, on condition that they comply with all but certain designated provisions of the Act and meet the other requirements of the rule. The rule sets forth several information collection requirements.

Rule 6e–2 provides a separate account with an exemption from the registration provisions of section 8(a) of the Act if the account files with the Commission Form N–6EI–1 (17 CFR 274.301), a notification of claim of exemption.

The rule also exempts a separate account from a number of other sections of the Act, provided that the separate account makes certain disclosure in its registration statements, reports to contractholders, proxy solicitations, and submissions to state regulatory authorities, as prescribed by the rule.

Paragraph (b)(9) of rule 6e–2 provides an exemption from the requirements of section 17(f) of the Act and imposes a reporting burden and certain other conditions. Section 17(f) requires that every registered management company meet various custody requirements for its securities and similar investments. Paragraph (b)(9) applies only to management accounts that offer life insurance contracts subject to rule 6e–2.

Since 2005, there have been no filings under paragraph (b)(9) of rule 6e–2 by management accounts. Therefore, since 2005, there has been no cost or burden to the industry regarding the

information collection requirements of paragraph (b)(9) of rule 6e–2. In addition, there have been no filings of Form N–6EI–1 by separate accounts since 2005. Therefore, there has been no cost or burden to the industry since that time. The Commission requests authorization to maintain an inventory of one burden hour for administrative purposes.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.
