

entities must be licensed by the State of Washington. The Amendment also significantly modifies the dispute resolution processes to a more collaborative model providing a prompt "meet and confer" requirement, then mediation, and finally, as a last resort, either arbitration or litigation. The Tribe's limited waiver of sovereign immunity is clarified and narrowed to include only disputes arising under the compact. The State similarly waives its sovereign immunity, including a specific waiver of the State's Eleventh Amendment immunity from suit for the purposes of enforcing the compact. Finally, the proposed amendment changes the annual licensing requirements from annually to every three years.
