Certain Lined Paper Products from India: Extension of Time Limits for Final Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: February 2, 2009.

FOR FURTHER INFORMATION CONTACT: Stephanie Moore, AD/CVD Operations, Office 3, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230, telephone: (202) 482-3692.

SUPPLEMENTARY INFORMATION:

Background

On October 31, 2007, the U.S. Department of Commerce ("the Department") published a notice of initiation of the administrative review of the antidumping duty order on certain lined paper products from India, covering the period April 17, 2006 to August 31, 2007. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 72 FR 61621 (October 31, 2007). On October 7, 2008, the Department published the preliminary results of this review. See *Certain Lined Paper Products from India: Notice of Preliminary Results of the First Antidumping Duty Administrative Review*, 73 FR 58548 (October 7, 2008). The final results of this review are currently due no later than February 4, 2009.

Statutory Time Limits

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department to issue the final results of a review within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within that time period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the final results to a maximum of 180 days. See also 19 CFR 351.213(h)(2).

Extension of Time Limit of Final Results

We determine that it is not practicable to complete the final results of this review within the original time limit. Interested parties have raised complex accounting issues in their case and rebuttal briefs that require the Department to further analyze its positions with respect to these issues. Thus, additional time is necessary to complete the final results. Therefore, the Department is fully extending the final results by 60 days. The final results are now due no later than April 5, 2009. As this date falls on a Sunday, the final results are due April 6, 2009. See *Notice of Clarification: Application of "Next Business Day" Rule for Administrative Determination Deadlines Pursuant of the Tariff Act of 1930, As Amended*, 70 FR 24533 (May 10, 2005).

This extension is in accordance with section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2).

Dated: January 23, 2009.

John M. Andersen,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Stainless Steel Bar From Brazil: Extension of Time Limit for Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: Effective Date: February 2, 2009.

FOR FURTHER INFORMATION CONTACT: Catherine Cartsos or Minoo Hatten, AD/CVD Operations, Office 5, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution

Avenue, NW., Washington, DC 20230; telephone: (202) 482-1757 or (202) 482-1690, respectively.

SUPPLEMENTARY INFORMATION:

Background

At the request of interested parties, the Department of Commerce (the Department) initiated an administrative review of the antidumping duty order on certain stainless steel bar from Brazil for the period February 1, 2007, through January 31, 2008. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews, Request for Revocation in Part, and Deferral of Administrative Review*, 73 FR 16837 (March 31, 2008). On October 27, 2008, we extended the time period for issuing the preliminary results of the review by 90 days until January 29, 2009. See *Stainless Steel Bar From Brazil: Extension of Time Limit for Preliminary Results of Antidumping Duty Administrative Review*, 73 FR 63695 (October 27, 2008).

Extension of Time Limit for Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to make a preliminary determination within 245 days after the last day of the anniversary month of an order for which a review is requested and a final determination within 120 days after the date on which the preliminary determination is published. If it is not practicable to complete the review within these time periods, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary determination to a maximum of 365 days after the last day of the anniversary month. See also 19 CFR 351.213(h).

We determine that it is not practicable to complete the preliminary results of this review by the current deadline of January 29, 2009, for several reasons. Specifically, the Department has granted the respondent, Villares Metals S.A. (Villares), several extensions to respond to the original and supplemental questionnaires.¹ Thus, the Department needs additional time to review and analyze the responses submitted by Villares. Further, the Department requires additional time to review issues such as corporate affiliations and steel grades of products reported by Villares, as it will affect the Department's matching methodology in this case. Finally, in response to the petitioners' cost allegation submitted on November

¹ See, e.g., letters to Villares from Laurie Parkhill, dated April 18, 2008, May 22, 2008, July 11, 2008, July 30, 2008, and December 19, 2008.
